5th Annual Cy-Fair VFD Fire Fest Sat Oct 9th

The Cy-Fair Volunteer Fire Department would like to welcome the community to our fifth Annual "Fire Fest" on Saturday, October 9th, 2010 from 10:00 to 02:00 p.m. The event will be held at Cy-Fair Station 11 (18134 West Road, Cypress, TX 77433) behind Lone Star College just west of Barker Cypress. Fire Fest allows the community a glimpse into the life of a fire fighter by providing demonstrations on vehicle fires, vehicle extrications, landing the Life Flight helicopters, and even canine search and rescue. Children can get an up-close look at the fire trucks, play with an actual fire fighting hose, and help put out simulated fires. Families can see some history about each station through story boards depicting the evolution of our fire department. Want to take a picture with a firefighter? No problem, we have that too. New this year will

be demonstrations extinguishing fires using home fire sprinklers and fire extinguishers.

For those interested in joining the ranks of volunteer firefighting we will have a booth set-up to provide details and answer questions on what it takes to be a volunteer firefighter. We will also be showing a short video, providing applications, and giving directions to one of our twelve stations.

The Cy-Fair VFD provides emergency services to residents in the Harris County Emergency Services District #9 located in Northwest Harris County. We currently operate from twelve community based fire stations covering 156 square miles and over 385,000 citizens.

For more information on Fire Fest visit us online at www.cyfairfirefest.org. For more information on joining the Department please visit us at www.cyfairsbravest.org.

FAIRFIELD'S FIRST ANNUAL TRIATHLON!!!

Ever wanted to find out just what you can really do? What you are truly capable of, and achieving? Have you been working out awhile and want to put all that work to the test?

Has your Doctor, wife, husband, kids, friends, been on you to lose a few pounds, or have you and your family been wanting to get in better shape?

Completing a triathlon may be just what you are looking for!!

A triathlon, and the training that goes along with it, can be an incredible experience for the entire family! Finding the time to train becomes a moot point when you have the whole gang in for the ride! Imagine family bike rides, jogs around the neighborhood, and time in the pool together!

Conversely, training can become an amazing time of introspection and inspiration, when you are able to "get away" all alone or with a friend or spouse. There is simply no greater experience than being able to commune with the nature around you, spending time outdoors, teaching your body to reach new heights.

How do you reach out to accomplish such a goal? You will be wonderfully surprised at just how much you will get out of, and actually enjoy training for, such a great and fun event!! Training teaches dedication, forward motion, sacrifice, and discipline that carries into all aspects of living.

The atmosphere on race day is like no other! ! Everyone from the racers, families, friends, and onlookers are inspired and fired up! The excitement and energy is incredible, encouraging, and uplifting! Those on the sidelines are almost more excited and jittery than those in the race. And those spectators will most likely be the next ones to throw their hats into the triathlon ring!

So come on! Never has it been so easy, convenient, and fun as doing a triathlon in your very own neighborhood!!!

How do you prepare? Simple. There are several ways to get started. You can call the FAC in the neighborhood, and sign up to work with the personal trainers there. They are available for tips, "tweaking" the routine you are already using, or starting you on a whole new routine, specifically designed to

help you swim, run, and bike faster, longer, and harder than you thought possible!!

There are countless books, articles, and seminars for tips on every aspect of a triathlon, from how to pack your transition bag all the way to how to get those triathlon shorts on easier!!

When you register for the Fairfield Triathlon, you will receive more information on how to get help with your training, if you choose to do so.

Each of these three phases of this competition is a fantastic way to get in shape, stay in shape, and relieve stress in and of itself. Learning a few training methods to improve what you already have or learning the right way the first time, will vastly improve your experience in this endeavor.

Trust me, once you experience the thrill of a race...you will never settle for less!!!

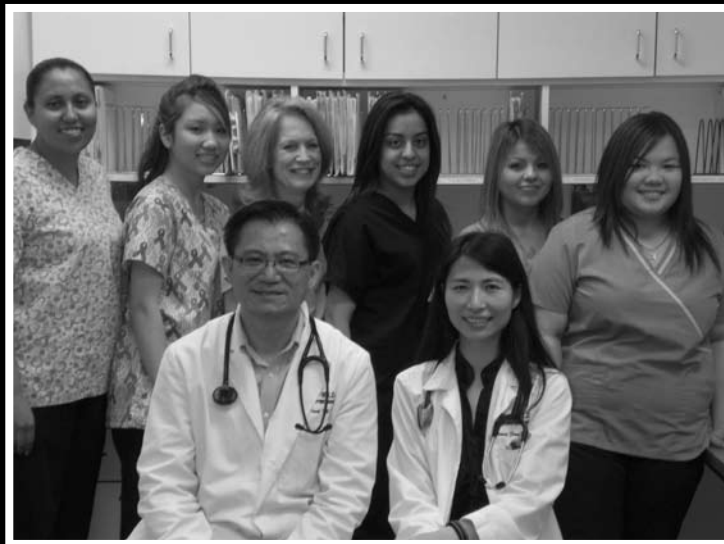

So, let's move upward and onward - Sign up for the Fairfield Triathlon and move closer to becoming all that you can be!!!

NORTH/WEST HOUSTON MOCHA MOMS *Promote Reading Amongst African-American Kids*

On September 18, 2010, the North/West Houston Chapter of Mocha Moms will launch a literacy program, Boys Booked on Barbershops (B-BOB)/ Girls Booked on Beauty-Shops (G-BOB) at "Sassy but Classy" Salon.

B-BOB/G-BOB is a program designed to promote literacy and the importance of reading to young, African-American children. The chapter will set up and stock a reading nook at Sassy's with age-appropriate books for children to read during their regular visits to the barbershop. These naturally-occurring encounters create a great opportunity for children to read and learn while making use of their wait time. The nook will feature books by and about African-Americans, with an emphasis on topics that interest the shop's clientele.

The program aligns with the Mocha Moms' national community service initiative, "Closing the Gap on Minority Prosperity, Health and Achievement." The North/West Houston chapter has collected over 55 donated books for the event and Scholastic, which has teamed with Mocha Moms on a national level, will provide additional books. The Mocha Moms will also be on hand to discuss ways parents can support the development of reading and other literacy skills at home.

Hesma Stephens, President of the North/West Houston Chapter commented, "Painful reports have shown that despite some parent's level of education, African-American children have fewer resources available than other non-ethnic families. We are reinforcing our

Wanted! A Few Good Musicians!

The Sounds of Cypress Band, formerly known as the Cy-Fair Community Band, is producing beautiful sounds, having fun as a group, and seeking new members who just love to play music. So dust off your musical instrument and come out for practice on Tuesday nights at 7 p.m. at the Lone Star College College-CyFair campus in the Fine Arts Building.

The Cy-Fair Community Band was initiated about three years ago, with approximately five or six musicians coming together to explore their common interest in music and their enjoyment of playing together. They have grown to 33 members who just love to play music and share their talents for the enjoyment they get from playing. They have evolved into an accomplished group of band

members and have recently changed their name to Sounds of Cypress. DeeDee Flores is director of group. By day she is a band director at Plummer Middle School. Her ability has led the group to develop polished performances which they are anxious to share.

This accomplished group is ready to perform for group events. They have a great programme of musical selections. Also, they can tailor their selections to the interests age of your group. Local Bluegrass and Old Time Music Jamming

The Fairfield Bluegrass Jammers are sponsoring Bluegrass music jamming at Kleb Woods Nature Center and Preserve where the fun begins on the 4th Saturday of each month at 12 noon and where everyone is invited to pick, sing, listen, fellowship, or walk the trails and watch the beautiful birds. You will find folks with their guitars, banjos, fiddles, mandolins, bases and dobros warming up to do a little picking and singing. When the music and singing begins so does the foot tapping and fun.

The musicians from beginner to pro are having a great ole time playing this old-time music of Bill Monroe and Ralph Stanley. There are 3 types of music played – Bluegrass, Gospel, and old-time country. The listeners are so captivated by the joyful energetic music and musicians they are hearing that they also cannot help but do a little toe tapping and clapping themselves. When 4 PM arrives you find the musicians just as enthusiastic and reluctant to leave as at the beginning. The energy comes from the deep love that everyone has for the music.

Pickers and listener are welcome. No charges. Just fun Jammin or listening.

Kleb Woods Nature Center and Reserve (Draper Rd.) is located about 15 to 20 minutes away and is located on Draper Rd., off Mueschke Rd. in Tomball area. The Reserve is a Harris County Park and a bird watchers paradise and museum. From the parking lot you will walk about 200ft to the center. No selling, soliciting, alcohol, or drugs permitted. Check out Kleb Woods web-site at: www.pct3.hctx.net/parks/klebwoodsnaturepres.aspx.

The Cypress/Tomball Area Bluegrass Jam (Northwest Harris County) 4th Saturday Jam is sponsored by The Fairfield Bluegrass Jammers and is being held at the nearby Kleb Woods Nature Center and Reserve outside Tomball, 12 Noon to 4 PM. CY-FAIR KIWANIS CLUB NEWS

September closes out the Kiwanis year of 2010 and the Cy-Fair Kiwanis Club reflects upon some of the high notes of the year: Celebration of the 25th year of service for the Cy-Fair Club; Sponsorship of nine Key Clubs in the Cy-Fair Independent School District; provision of college scholarships to outstanding Key Club members; conduction of the first of the 2010 Kiwanis Kids Triathlons with over 100 youth participating in the event; and the donation of approximately \$4000 to worthy service projects in the community. We appreciate the support received from businesses and individuals toward these accomplishments.

The Club proudly notes the election of Megan Iselin, Cy-Ranch Key Club member, as Lieutenant Governor of District III Key Clubs. We were especially pleased to have the Cy-Ranch Key Club selected as Rookie Key Club of the Year in the District. Under the guidance of Jennifer Hydes, advisor, the club grew to a membership in excess of 400 students in its first two years as a club.

Kiwanis International adopted a new international project this year. Previously the international organization and its affiliates undertook a project aimed at eliminating iodine deficiency in the world's population. This project was so successful that this nutritional deficiency is now virtually nonexistent. The new project will be called ELIMINATE. Its aim is to work toward eliminating maternal/neonatal tetanus, a disease that kills its victims in seven days or less. It is such a devastating disease that it kills one baby every nine minutes.

Kiwanis will partner with UNICEF in targeting the poorest, most underserved women and children in the world. Implementation of this program will pave the way for other interventions that will boost maternal health and child survival. The Cy-Fair Club will make annual contributions toward the work of the project.

Kiwanians are always looking for individuals who would like to join us in service to our community and the world. Come to the CY-FAIR KIWANIS CLUB meeting; enjoy fellowship with members; hear informative speakers; and be a part of sponsoring children and youth activities in our community. Membership is open to persons of good character who adhere to the standards of good conduct in their community and believe in and subscribe to the objects of Kiwanis International. If you would like to know more about Kiwanis and the programs it promotes, we invite you to be our guest at one of our monthly meetings. The Cy-Fair Kiwanis Club will meet at Hearthstone Country Club on SEPTEMBER 14, 20, AND 27 at 12:15 for lunch and informative programs. For more information, call John Carroll (Copperfield and Hearthstone areas) at 281-463-0373; George Cowl (Jersey Village area) at 832-467-1998; or Peggy Presnell (Fairfield and CyRanch) at 281-304-7127. If you live anywhere in the Cy-Fair Communities, you may call any one of the above for information. COME, BE A PART OF OUR FELLOWSHIP. Visit our website at www.kiwanishoustoncyfair.com for more information.

FLASHING RED LIGHT

As you have probably noticed the street light on Mason Road at Maple Village and also Mason Road at Chappell Knoll have been flashing red pretty frequently. These lights are maintained by a division of Harris County who are notified each time the light begins flashing.

If you see the light flashing please take a moment to call Harris County at 713-881-3210 and advise them of the location and cross street. The telephone is manned 24/7 either by a real person or an answering machine and the message is then relayed to the technician.

Thank you for your assistance in this matter.

A Friendly Reminder ...

Friendly reminder to keep dogs on a leash and out of the lakes around Fairfield. Not all homeowners are comfortable with loose dogs. Please be courteous to your neighbors and follow the leash law.

HOUSTON CHRONICLE SUPPLEMENT

Over time, we've received many objections to the supplement being left on the homeowner's driveway. Complaints ranged from "it's just more trash" to "when it rains, it's soggy and the papers falls apart" and several other concerns. We've again communicated with the Chronicle and they have agreed to stop the supplement upon your personal request. You will need to send an email to the address noted below and the Chronicle will put you on their do not deliver list and you should not receive another supplement. Be certain to include your address in the email.

Please send your email to: terry.dole@chron.com

Mr. Dole has assured us that's all it will take. If you make the request and continue to receive the supplement, please let us know.

If you have any questions, as always please contact us.

What Can You Do About Soliciting In The Neighborhood?

Many communities are ripe targets for solicitors – for a variety of reasons. While the Association has no real control over soliciting activities, we have tried to discourage solicitors from marketing in our community by placing "no soliciting" signs in common areas.

The reason that we cannot prevent soliciting is that the streets and roadways within the community are public access ways owned and maintained by the county. This means that no person or persons may be prevented from entering the community. Of course, if an individual or individuals are in the process of breaking the law, the Sheriff or other law enforcement officer can take immediate action.

Your Association recommends the following actions that every owner can take to discourage unwelcome soliciting in the community:

- Report all suspicious persons to the Sheriff's Department and request the deputies on duty be made aware of your concerns.
- Promptly remove all flyers left on your front or garage door.
- Promptly report to the Post Office all flyers left on the mailboxes.
- Refuse to make use of solicitors' offers and refuse to patronize any company being marketed in this manner.
- Notify the managing agent of any companies presently soliciting so that letters can be sent advising them of this policy of not permitting door to door soliciting (they will be reminded of the community newsletter and/or the Green Sheet as marketing options).
- Individual homeowners have the ability to place a small "No Trespassing/No Soliciting" sign at the entry to their homes. Should a solicitor continue to leave flyers, the homeowner then has the authority to file charges against the Solicitor/Company for trespassing on private property.

GOLF CARTS, ATVS, DIRT BIKES

As you are aware, there has been a great deal of vandalism within Fairfield Village, all repaired at a cost to you, the homeowner. As the vandalism continues, and as the cost to make the necessary repairs and replacement increases, it also becomes necessary to increase your assessment.

Vandalism includes the operation of a *Golf Cart, ATV, or a Dirt Bike* on common areas (including sidewalks) or greenbelts. The Sheriff will be notified of anyone seen driving these vehicles. ***Should the person(s) be under age, the Association will legally pursue the legal guardian for all damages incurred.***

Your Association has spent thousands of dollars, your dollars, repairing sidewalks, gazebos, entry markers, irrigation, ruts, etc., and now it's time to make this stop.

If you see anyone suspicious, by all means contact the Sheriff on the non-emergency number (713-221-6000) and report the incident. Thank you.

Business Networking International of Northwest Area Hosts First Annual Business Strategies Expo

Professionals throughout the community are invited to attend.

THE LOCAL CHAPTERS OF BNI, Business Networking International invites business professionals within the community to attend its "Business Strategies Expo" for innovative networking opportunities on September 9, 2010 at Northwest Forest Conference Center, from 10am -2pm. A light lunch will be available.

Based on the concept of "Givers Gain," or, by giving business to others, you will get business in return, the purpose of this dedicated event is to allow many individuals from diverse businesses to meet and exchange information as well as be able to introduce themselves and their businesses to first time attendees.

The economy is such where members of the northwest BNI chapters really wanted a light hearted, yet impactful way to tap

into our resources to share referrals and opportunities within the community at large. Houston Executive Director, Kathy Mathy says, "We are excited to share the many benefits of BNI membership through such a unique venue. Our group expects this inaugural expo to draw a sizeable crowd of professionals, members and potential members to future meetings, workshops on networking, tradeshow and other events."

The event will also feature many local businesses, door prizes and other giveaways. The prime sponsor for this expo, is Home Comfort Solutions.

The West Houston chapters began in 1993 and includes than 850 members. They are part of BNI worldwide, which boasts 60,000+ members.

ABOUT BNI

Founded in 1985, BNI meetings are held weekly with a mission to help members increase their business through a structured, positive, and professional "word-of-mouth" program that enables them to develop long-term, meaningful relationships with quality business professionals. In total, BNI has generated over \$2.6 billion dollars (U.S.) worth of business for its members! BNI is a business and professional networking organization that allows only one person per professional classification or specialty to join a chapter.

48 Days To The Work You Love

Do you know anyone who is saying...

"The company I worked for just closed and I don't know what to do next."

"I want to start my own business."

"I just got fired and my self-confidence is at an all-time low."

"I'm 40 years old and in a career path that no longer fits."

"What is God's calling for my life? Is my current job an expression of that?"

If that sounds like you or someone you know then we have the solution!

Fountain of Life Fellowship

IN TIMES LIKE THESE

We live in complex times. Often things are not what they first appear to be. We are stretched, challenged and, many times, frustrated at how quickly things change. We make initial choices only to find that our assumptions were wrong and the outcomes are not what we expected. What was once right now seems to be wrong and what was once clearly suspect now seems acceptable to the society in which we live.

Some of these happenings are to be expected as we transition through life and culture. However, we are also in tumultuous times. We regularly deal with ideas, technologies and events that are new to our culture as well as ourselves. Our core beliefs are challenged and society demands a response. The Bible calls us to be ever ready to give a defense of the hope that lies within us and we must be up to the challenge.

We, like every generation that preceded us, must come to the understanding that core beliefs should not shatter under pressure. We must

know and be comfortable with what we believe and be ever willing to defend it with wisdom and compassion. Our calling is not to denigrate the beliefs of others but to eloquently stand for our own beliefs.

We believe that now is also a time for like minded unions. The Bible shows us that, "Two are better than one, because they have a good return for their work." (Ecclesiastes 4:9) The passage goes on to explain that there is greater productivity and greater protections when two come together. That same principle often applies to organizations as well as individuals. Churches often benefit in working together with other like minded churches to accomplish a common goal.

In keeping with that principle Fountain of Life Fellowship is in the process of affiliating with the Church of God, Cleveland, Tennessee. As a non-denominational spirit-filled church we find a commonality with the Church of God in doctrine, in ministry and in vision.

Works of A.R.T. = “Authentic Radical Transformation”

Sometimes the beauty of a famous work of art is lost on the untrained eye. Not many art history majors in the world, and usually we're pretty amazed by even the most mundane. A Velvet Elvis is no Mona Lisa, but when the light hits it just right...

God Himself is a Master Artist. We can look around at the majesty of the mountains, the breath-taking spectacle of a sunset, and even the miracle of a Milky Way and be pretty amazed, but according to the Scripture, we are His masterpieces. He creates Works of A.R.T. out of us. And actually, the Bible is an A.R.T. museum. It is full of works of “Authentic Radical Transformation”. These are people who encountered the greatness and the goodness and the grace of God, and it so revolutionized their lives from the inside out that everything changed. The cool thing is that as God changed them, they changed the world around them.

How mind-blowing is it to realize that God wants to work in us and through us to change the world around us? He wants to use us to bring Heaven to earth as we live according to His desire and His

design. He wants to strengthen our weaknesses, fix our fatal flaws, create character in us and fill our lives with faith, hope and love. And when He does, He begins to leverage our lives in the lives of our family and friends to do the same thing in them.

God created us to know Him and to enjoy Him, to be loved by Him and to love Him back. God wants to hang out with us. He wants us to be His people and He wants to be our God, loving us and leading us on our journey. He paints on the canvas of who we are with God colors and brings the beauty of grace to life. At the core of it all is that where we have been stained by secrets and the junk and garbage that we carry around deep inside, He wants to make us free & clean. He didn't create us to carry that stuff around. His greatest work of A.R.T. is when religion is put aside for a relationship with Christ that changes everything. We can be religious and miss the whole thing, but if we lock in to the relationship that God created us to know and enjoy, then we can count on Him doing an amazing work in us that will be a thing of beauty for all to see. Even untrained eyes can't help but see a Work of A.R.T. = Authentic Radical Transformation.

Life, Liberty and the Pursuit of Happiness

By Bethany K. Scanlon-Co-Director of the Cypress Texas Tea Party

"Let Freedom Ring!" Sang Martin Luther King on that historic day of August 28th 1963 in the spirit of our Declaration of Independence which demands all Americans have the right to life, liberty and the pursuit of happiness. But what happens when our freedoms are slowly taken away right under our nose? What happens when the men and women who hold public office decide that the U.S. Constitution is no longer valid and instead of serving you, rule over you?

What happens to the blood of sacrifice from our military which calls out demanding justice for all while our amendment rights are no longer upheld? Will we fight like our Founding Fathers? Will we shout before our government leaders, Patrick Henry's immortalized words; "Give me liberty or

give me death!" Or will our passivity and ignorance cause the faith and perseverance of our American ancestors and dedicated military to fall in ruins to the hands of a stubborn few?

Second President of the United States and signer of the Declaration of Independence John Adams said, "It is religion and morality alone which can establish the principles upon which freedom can securely stand." It's time to make a choice America, fight for what is rightfully yours, or watch our great nation slip away. In the words of Samuel Adams; "It does not require a majority to prevail, but rather an irate, tireless minority keen to set brush fires in people's minds." Will you join us as we stand for the truth? CypressTexasTeaParty.org
