CY-WOODS KEY CLUB

Key Club is prominent service club at Cy-Woods High School and has several hundred dedicated members that frequently volunteer in the community. Recently, we had many enthusiastic students volunteer with the Copperfield Women's Club at their "Shop Till You Drop Arts and Crafts Market". Our volunteers helped a multitude of vendors unload their cars and set up or take down their booths. We are always looking to help in any way that we can. If you have an event, big or small, and are in need of volunteers, just let us know and we will be sure to help make your event a success! Contact us at cywoodskeyclub@gmail.com

JUST IN FROM THE NORTH POLE

Santa will be visiting the Cypress Mill Park Community on Saturday, December 11, 2010. Remember...he knows when you've been good or bad so be good for goodness sake!

Value Averaging - A Discipline for Saving

Some have asked, "When the stock market is in a downturn, would it not be a good practice to increase contributions to your investment accounts, thus buying more shares at a lower price? And when the market has provided a high return, would it not make sense to scale back contributions, buying fewer shares at the higher price?"

Yes, and of course this is the essence of what investors wish to do, namely buy low and sell high. But what is an actual practice which will force you to do it? After all, putting money into the market when the market is down can give a person a queasy feeling. Yet it is that very behavior which investors need to cultivate if they are ever to sell high. Enter value averaging (also known as dollar value averaging). VA refines the practice of dollar-cost averaging, which is more widely known. Either technique helps you reduce risk because you are buying shares at a variety of prices throughout the year instead of buying all the shares at a single price. When prices are dear, you buy fewer and when they go on sale you buy more.

VA is good because you start with a goal in mind of how much you can invest and an expected rate of return. Example: You wish to accumulate \$450,000 over the next 20 years. If you figure you can earn an annualized 8 percent, then you would need to put away about \$820

per month. You can then chart your progress month by month towards that goal. Now let's look at the "value" part of value averaging. Assume at the end of the first year, instead of having the \$9,840 you should have to be on track toward your goal, a downturn in the markets leaves you with just \$9,500.

That would mean that the next month, instead of investing your usual \$820, you would invest an additional \$340 to bring your portfolio's value to where it should have been to remain on track toward your goal. In fact, you would go through this process each month. In months where you fall behind, you would add to the amount you invest each month. And in months where your returns are higher than expected and your portfolio's value gets beyond where it needs to be, you would scale back your monthly investment, or even possibly end up selling some shares and removing money. The VA discipline forces you to buy when low and buy less (or sell) when high. While it's not perfect the approach makes sense for many families. The biggest benefit to VA is that it provides a reason and a discipline for saving. Most families are not saving enough to cover their future needs. School is underway and so is the planning for Project Prom 2011! In April 2010, the newly elected Executive Committee was chosen and they quickly began planning what is expected to be one of the best Project Proms ever. Here's the inside skinny for what is about to unfold. Be sure to mark your calendars!

MONTHLY MEETINGS THIS FALL

Join us on September 27th, October 25th and November 29th. All general meetings are held at Cy-Fair HS Cafeteria and begin at 7pm. You'll have a chance to learn about Project Prom Points. Earn Project Prom Points just for attending!

FUNDRAISERS

Project Prom relies solely on the efforts of Senior Parents and the surrounding community for funding and resources. The Executive Committee has decided to continue to use the same methods and events that have proven to be successful in the past. We hope that you will consider joining us in our efforts to raise money for this event. There are a number of opportunities for parents, seniors, and folks from the community to join in on!

- We will be working an Aramark concessions booth at all the Texans Football games. For more information, contact Brett Bidinger at brett@bidingerdesign.com.
- Homecoming is October 2nd. We will be selling Homecoming Mums & Garters. A limited number will be sold so be sure to submit your order! Order forms can be found at www.cyfairprojectprom.org.
- Casino Night is a fun filled night of fellowship, dancing, and best of all gambling! Mark your calendars and save the date for Nov. 14th – You definitely won't want to miss out! This is a major

fundraiser and we are in great need of volunteers to help make this night a success. For more information, contact Karen Geisler at cfprojectprom@yahoo.com.

- The holidays will soon be upon us. We would appreciate your support in our annual Christmas Wreath Fundraiser. For more information, contact Michelle Leech at cfprojectprom@yahoo.com.

S.I.T = STAY IN TOUCH

The best ways to keep up with the fast moving train of CF Project Prom 2011 are to subscribe to our newsletter and by visiting our website. Please complete a Parent Information Form (located on the Forms page) on our website at www.cyfairprojectprom.org or simply send an email with your name, your student's name and your telephone no. to cfprojectprom@yahoo.com.

Project Prom is not financially supported by CFISD. It is a private non-profit event run by concerned parents supported in effort by the staff of Cy-Fair HS. The purpose of Project Prom is to provide a drug and alcohol-free overnight lock-party for the graduating seniors and their guests after their prom. private non-profit event run by concerned parents and supported in effort by the staff of Cy-Fair HS.
