# 10U AAYBA World Series TEAM MIZUNO VS TEXAS BARRACUDAS

*By Robert Thomas*

The top half of the 10 and Under Platinum 'A' Division semifinals provided plenty of excitement between Team Mizuno Houston (Texas) and the Texas Barracudas (Cypress, Texas), with the Barracudas capping an amazing comeback in their last at-bat for a 7-6 win at the AAYBA World Series at Bakersfield Park.

The Barracudas trailed 6-0 after two-plus innings, but would score the final seven runs of the game to reach the Platinum 'A' Division title game. They will face SIII All Out (Corpus Christi, Texas) in the finals, set for 8 p.m. on Saturday.

"Our guys didn't get their heads down after being down early and we just kept fighting," said Texas Barracudas coach Mark Baker. "These kids have done such this summer and we're happy to be playing in the championship game."

Getting to that title game nearly forced extra innings, as Team Mizuno relied on some trickery to keep the Barracudas off the board in the last inning.

With the score tied at 6-6, the Barracudas appeared to have the game in hand with a leadoff double by Cowser to start the bottom of the sixth inning. However, Team Mizuno pitcher Cade Longmire, infielder John Gilbert and outfielder Logan Kiafius executed a perfect "Hidden Ball" trick to tag Cowser out at third base.

Despite the bad break, the Barracudas rallied with a two-out walk and a stolen base by Kyle Gough (2-for-3) to set up the winning run. Jacob Crawford then punched a single to right, with Gough beating the throw home to end the game.

"Jacob got the job done at the plate and Kyle just kept coming around the bases." Baker said.

While the Barracudas won at the end, it didn't look good early as Team Mizuno scored six straight runs in the opening three innings for a 6-0 edge.

John Clay drove in Ryan Neu with a groundout in the first inning for Team Mizuno, with two more runs coming in the second on a booming home run by Daniel Valderama and an RBI grounder by Logan Mostert to score John Gilbert.

The third inning saw three more score for Team Mizuno, with two of those coming on a single by Chance Canizaro to plate Ruben Aguirre and Neu.

But back came the Barracudas in the bottom of the third, cutting the deficit to 6-1 when Garrett Grier was hit with a pitch with the bases loaded to force in Cole Blanton.

Three more runs followed in the fourth inning, with Cowser and Gough ripping RBI singles to carry the frame. Cowser then scored from third on a wild pitch to cut the Team Mizuno lead to 6-4.

In the fifth inning, a Blake Wilson groundout and a sacrifice fly by Jason Michaels knotted the score at 6-6 and helped set up the wild final inning.

Wilson also got the win on the mound in relief, retiring 11 of the final 12 batters he faced and striking out three in four innings.

## 5th Annual Cy-Fair VFD Fire Fest Sat Oct 9th

The Cy-Fair Volunteer Fire Department would like to welcome the community to our fifth Annual "Fire Fest" on Saturday, October 9th, 2010 from 10:00 to 02:00 p.m. The event will be held at Cy-Fair Station 11 (18134 West Road, Cypress, TX 77433) behind Lone Star College just west of Barker Cypress. Fire Fest allows the community a glimpse into the life of a fire fighter by providing demonstrations on vehicle fires, vehicle extrications, landing the Life Flight helicopters, and even canine search and rescue. Children can get an up-close look at the fire trucks, play with an actual fire fighting hose, and help put out simulated fires. Families can see some history about each station through story boards depicting the evolution of our fire department. Want to take a picture with a firefighter? No problem, we have that too. New this year will

be demonstrations extinguishing fires using home fire sprinklers and fire extinguishers.

For those interested in joining the ranks of volunteer firefighting we will have a booth set-up to provide details and answer questions on what it takes to be a volunteer firefighter. We will also be showing a short video, providing applications, and giving directions to one of our twelve stations.

The Cy-Fair VFD provides emergency services to residents in the Harris County Emergency Services District #9 located in Northwest Harris County. We currently operate from twelve community based fire stations covering 156 square miles and over 385,000 citizens.

For more information on Fire Fest visit us online at [www.cyfairfirefest.org](http://www.cyfairfirefest.org). For more information on joining the Department please visit us at [www.cyfairbravest.org](http://www.cyfairbravest.org).

## SOUNDS OF CYPRESS BAND

*Wanted! A Few Good Musicians!*

The Sounds of Cypress Band, formerly known as the Cy-Fair Community Band, is producing beautiful sounds, having fun as a group, and seeking new members who just love to play music. So dust off your musical instrument and come out for practice on Tuesday nights at 7 p.m. at the Lone Star College College-CyFair campus in the Fine Arts Building.

The Cy-Fair Community Band was initiated about three years ago, with approximately five or six musicians coming together to explore their common interest in music and their enjoyment of playing together. They have grown to 33 members who just love to play music and share their talents for the enjoyment they get from playing. They have evolved into an accomplished group of band

members and have recently changed their name to Sounds of Cypress. DeeDee Flores is director of group. By day she is a band director at Plummer Middle School. Her ability has led the group to develop polished performances which they are anxious to share.

This accomplished group is ready to perform for group events. They have a great programme of musical selections. Also, they can tailor their selections to the interests age of your group. Children, teens, and adults will enjoy the music of the Sounds of Cypress Band. For more information, email the director, DeeDee Flores at [ddftex@aol.com](mailto:ddftex@aol.com) or call her at 713-410-8051.

## Local Bluegrass and Old Time Music Jamming

The Fairfield Bluegrass Jammers are sponsoring Bluegrass music jamming at Kleb Woods Nature Center and Preserve where the fun begins on the 4th Saturday of each month at 12 noon and where everyone is invited to pick, sing, listen, fellowship, or walk the trails and watch the beautiful birds. You will find folks with their guitars, banjos, fiddles, mandolins, bases and dobros warming up to do a little picking and singing. When the music and singing begins so does the foot tapping and fun.

The musicians from beginner to pro are having a great ole time playing this old-time music of Bill Monroe and Ralph Stanley. There are 3 types of music played – Bluegrass, Gospel, and old-time country. The listeners are so captivated by the joyful energetic music and musicians they are hearing that they also cannot help but do a little toe tapping and clapping themselves. When 4 PM arrives you find the musicians just as enthusiastic and reluctant to leave as at the beginning. The energy comes from the deep love that everyone has for the music.

Pickers and listener are welcome. No charges. Just fun Jammin or listening.

Kleb Woods Nature Center and Reserve (Draper Rd.) is located about 15 to 20 minutes away and is located on Draper Rd., off Mueschke Rd. in Tomball area. The Reserve is a Harris County Park and a bird watchers paradise and museum. From the parking lot you will walk about 200ft to the center. No selling, soliciting, alcohol, or drugs permitted. Check out Kleb Woods web-site at: [www.pct3.hctx.net/parks/klebwoodsnaturepres.aspx](http://www.pct3.hctx.net/parks/klebwoodsnaturepres.aspx).

The Cypress/Tomball Area Bluegrass Jam (Northwest Harris County) 4th Saturday Jam is sponsored by The Fairfield Bluegrass Jammers and is being held at the nearby Kleb Woods Nature Center and Reserve outside Tomball, 12 Noon to 4 PM. ## MOWING ALONG HIGHWAY 290

As you've probably noticed throughout the summer, the grassy areas along 290 approaching the Mason Road exit has been looking pretty bad; certainly not in keeping with Fairfield Village's desired appearance. This area is maintained by Texdot with your tax dollars. However, Texdot has recently cut back the mowing to three times per year, which during the growing season isn't nearly enough to keep the area looking acceptable. Since this is Fairfield's front door we have, time and again, requested that Texdot mow this area more frequently, especially during the growing season, which they will not do.

Please feel free to contact Texdot at 713.934.5900 to voice your disappointment, concerns and expectations. Fairfield is such a beautiful community, it's a shame the 290 approach is less than welcoming.

## What Can You Do About Soliciting In The Neighborhood?

Many communities are ripe targets for solicitors – for a variety of reasons. While the Association has no real control over soliciting activities, we have tried to discourage solicitors from marketing in our community by placing "no soliciting" signs in common areas.

The reason that we cannot prevent soliciting is that the streets and roadways within the community are public access ways owned and maintained by the county. This means that no person or persons may be prevented from entering the community. Of course, if an individual or individuals are in the process of breaking the law, the Sheriff or other law enforcement officer can take immediate action.

Your Association recommends the following actions that every owner can take to discourage unwelcome soliciting in the community:

- Report all suspicious persons to the Sheriff's Department and request the deputies on duty be made aware of your concerns.
- Promptly remove all flyers left on your front or garage door.
- Promptly report to the Post Office all flyers left on the mailboxes.
- Refuse to make use of solicitors' offers and refuse to patronize any company being marketed in this manner.
- Notify the managing agent of any companies presently soliciting so that letters can be sent advising them of this policy of not permitting door to door soliciting (they will be reminded of the community newsletter and/or the Green Sheet as marketing options).
- Individual homeowners have the ability to place a small "No Trespassing/No Soliciting" sign at the entry to their homes. Should a solicitor continue to leave flyers, the homeowner then has the authority to file charges against the Solicitor/Company for trespassing on private property.

## GOLF CARTS, ATVS, DIRT BIKES

As you are aware, there has been a great deal of vandalism within Fairfield Village, all repaired at a cost to you, the homeowner. As the vandalism continues, and as the cost to make the necessary repairs and replacement increases, it also becomes necessary to increase your assessment.

Vandalism includes the operation of a *Golf Cart, ATV, or a Dirt Bike* on common areas (including sidewalks) or greenbelts. The Sheriff will be notified of anyone seen driving these vehicles. ***Should the person(s) be under age, the Association will legally pursue the legal guardian for all damages incurred.***

Your Association has spent thousands of dollars, your dollars, repairing sidewalks, gazebos, entry markers, irrigation, ruts, etc., and now it's time to make this stop.

If you see anyone suspicious, by all means contact the Sheriff on the non-emergency number (713-221-6000) and report the incident. Thank you.

## FLASHING RED LIGHT

As you have probably noticed the street light on Mason Road at Maple Village and also Mason Road at Chappell Knoll have been flashing red pretty frequently. These lights are maintained by a division of Harris County who are notified each time the light begins flashing.

If you see the light flashing please take a moment to call Harris County at 713-881-3210 and advise them of the location and cross street. The telephone is manned 24/7 either by a real person or an answering machine and the message is then relayed to the technician.

Thank you for your assistance in this matter.

## A Friendly Reminder ...

Friendly reminder to keep dogs on a leash and out of the lakes around Fairfield. Not all homeowners are comfortable with loose dogs. Please be courteous to your neighbors and follow the leash law.

## CY-FAIR ISD & VOLUNTEERS IN PUBLIC SCHOOLS (VIPS):

### *"iVolunteer"*

"iVolunteer"! Do you? Or a better question would be "Do you want to volunteer?" And if the answer is "yes" or even "maybe", here's the perfect group for you. VIPS (Volunteers in Public Schools) in Cy-Fair ISD center the attention of their service on supporting students and staff and making a significant contribution to the education of children. These dedicated individuals, who give freely of their time and resources, impact the academic and personal development of Cy-Fair ISD students. Cypress-Fairbanks ISD is fortunate to be able to draw from a diversity of skills and knowledge in its community.

The district VIPS Executive Board spearheads the business of the VIPS. This board is comprised of volunteers elected to take on specific responsibilities offering support, guidance, and training to all volunteers in the district. School is underway and so is the planning for Project Prom 2011! In April 2010, the newly elected Executive Committee was chosen and they quickly began planning what is expected to be one of the best Project Proms ever. Here's the inside skinny for what is about to unfold. Be sure to mark your calendars!

## MONTHLY MEETINGS THIS FALL

Join us on September 27th, October 25th and November 29th. All general meetings are held at Cy-Fair HS Cafeteria and begin at 7pm. You'll have a chance to learn about Project Prom Points. Earn Project Prom Points just for attending!

## FUNDRAISERS

Project Prom relies solely on the efforts of Senior Parents and the surrounding community for funding and resources. The Executive Committee has decided to continue to use the same methods and events that have proven to be successful in the past. We hope that you will consider joining us in our efforts to raise money for this event. There are a number of opportunities

for parents, seniors, and folks from the community to join in on!

- We will be working an Aramark concessions booth at all the Texans Football games. For more information, contact Brett Bidinger at [brett@bidingdesign.com](mailto:brett@bidingdesign.com).
- Homecoming is October 2nd. We will be selling Homecoming Mums & Garters. A limited number will be sold so be sure to submit your order! Order forms can be found at [www.cyfairprojectprom.org](http://www.cyfairprojectprom.org).
- Casino Night is a fun filled night of fellowship, dancing, and best of all gambling! Mark your calendars and save the date for Nov. 14th – You definitely won't want to miss out! This is a major fundraiser and we are in great need of volunteers to help make this night a success. For more information, contact Karen Geisler at [cfprojectprom@yahoo.com](mailto:cfprojectprom@yahoo.com).
- The holidays will soon be upon us. We would appreciate your support in our annual Christmas Wreath Fundraiser. For more information, contact Michelle Leech at [cfprojectprom@yahoo.com](mailto:cfprojectprom@yahoo.com).

## S.I.T = STAY IN TOUCH

The best ways to keep up with the fast moving train of CF Project Prom 2011 are to subscribe to our newsletter and by visiting our website. Please complete a Parent Information Form (located on the Forms page) on our website at [www.cyfairprojectprom.org](http://www.cyfairprojectprom.org) or simply send an email with your name, your student's name and your telephone no. to [cfprojectprom@yahoo.com](mailto:cfprojectprom@yahoo.com).

*Project Prom is not financially supported by CFISD. It is a private non-profit event run by concerned parents supported in effort by the staff of Cy-Fair HS. # "Am I Crazy?"

## I am offering my \$129 Furnace Super-Tune-Up™ for only \$69.

**... AND I guarantee your furnace won't break down this Winter or my service is FREE!"**

Kenneth & Roxanne Stanley - DominAir Heating & Air

I must be crazy! When the temperature drops, I can get pretty busy. So, why am I offering such a drastic discount on my my Super-Tune-Ups? It's very simple. I want you as a client for life! So, I call this my INVESTMENT IN YOU!

I know that I run the tightest service company in the business. I belong to a National Organization of highly motivated and technically competent heating and air-conditioning contractors. We are professionally and continually trained in the skills of service, repair, system replacement and All-Star Team Building business management and marketing systems. **Check our 20+ years of credibility through our A+ Rating with the BBB.**

I am serious about my profession; proud of my entire staff; and completely dedicated to each and every one of my clients ... new and old.

Now, how am I going to prove all this to you if I can't get your attention? Right! I make you a spectacular offer you can't refuse and win you as a new client for life.

### \$129 Super-Tune-Up for only \$69

My *Super-Tune-Up* is far more than the simple clean and checks or basic tune-ups you see advertised.

My *Super-Tune-Up* includes a painstaking and thorough examination of more than 50 potential problem area in your furnace. Over the years the inside of your furnace expands and contracts every time it goes on or off. This causes "micro-cracks" to develop and lets carbon monoxide (the deadly gas) seep into your house.

### End of Summer Equipment Blowout!

**Hurry ... Expires October 15, 2010**

## Save up to \$3,000

on High Efficiency Complete Systems

**Plus ... Fantastic Financing Available W.A.C.**

Savings includes \$1,500 instant end of summer rebate and \$1,500 in Federal Tax Credits. Call for complete details/qualifying equipment, and Federal Government guidelines. Federal Tax Credits expire 12/31/10.

### Infrared breakthrough gives you peace-of-mind

My *Super-Tune-Up* includes a FREE Hydroskan test on your heat exchanger using infrared technology developed by an inventor in the Gulf War. It allows me to get an almost "X-ray" like image of the inside of your furnace. This will help to detect any dangerous cracks that could lead to carbon monoxide poisoning or a dangerous fire in your home.

### One more thing

Since you haven't used my company before, I've decided to take all the risk out of your decision by giving you a ...

### Double Money-Back Guarantee

I'm so confident that my break-through *Super-Tune-Up* will save you substantial money and double the remaining life of your furnace that I'm offering the following bold guarantee:

1. If your furnace breaks down for any reason this winter, I will cheerfully refund 100% of your money ... no questions asked.

2. If you do not save at least \$69 on your gas bills (the cost of your *Super-Tune-Up*), I will also refund 100% of your money.

I don't know how to be more fair than that.

This is a \$129 value for only \$69 and it's limited to first-come, first-served callers. Don't miss this opportunity to meet the Best In The Business! *Each additional unit \$59 each.*

We're open 24 hours a day, seven days a week, 365 days a year. We are a free-standing emergency room, which means we provide all the same services as a traditional emergency room; we're just not physically attached to a hospital. ### **PYRO-AN HOUR OF PRAYER**

ALL are invited to come pray in the Sanctuary on the second Monday of every month from 8-9pm. Informally we will gather to sing a few worship songs, disperse for individual prayer or prayer stations, then come together in the last few minutes to give anyone an opportunity to share praises or concerns. This is for children and adults of all ages. PYRO is Greek for "fire," which symbolizes God's purifying presence so as we pray we seek God's presence, power and hope. ## Harvest Bible Church

They stumble because they disobey the word, as they were destined to do (1 Peter 2:8)... Those who reject Jesus are the ones who stumble. They disobey the word, and the word is the gospel—that which brings new life (cf. 1:23-25; cf. 3:1). Those who do such simply refuse to submit to Christ's Lordship. And all those who would stumble over Christ will by default disobey the gospel message which demands submission to Christ. So because of sin, all the disobedient are destined to stumble over the Stone (Jesus) put in front of them to stumble over. Confusing?

The verb destined often refers to what God has appointed to occur in Scripture (Acts 1:7; 13:47; 20:28; 1 Cor. 12:18, 28; 1 Thess. 5:9; 1 Tim 2:7). It is not, however, the same root word from predestined, chosen, or elect. God does not actively destine people to reject Christ as He predestines some to receive Christ. Nowhere in Scripture is this said. He does, however, appoint judgment on all unbelievers (John 3:18, 36; 8:24; 2 Thess. 1:6-9; Heb. 3:19; 4:11). And He judges them as a consequence for failing to love Christ and for rejecting him. As Paul told the Corinthians, "If anyone does not love the Lord, he is to be accursed" (1 Cor. 16:22).

Although the Bible teaches that God chooses some for salvation, it never teaches that God chooses the rest for condemnation. On the

contrary, unbelieving man knows about God but has suppressed the truth of God which He has given to all humans to know right and wrong (cf. Rom. 1:18-32; 2:14-16). Thus, unbelievers are responsible for their own demise and cannot blame God. The antithesis of God's election for salvation is not election for condemnation, for condemnation is what all humans rightly deserve for their sins. God's election of some is merely a demonstration of His mercy towards those whom He foreknew. Thus, God will be glorified for both His mercy toward the elect and His justice toward those who reject Him. His is all in all.

It should be mentioned here that God is the cause of all things. Note some OT passages on this issue: "Is it not from the mouth of the Most High that both calamities and good things come?" (Lam 3:38). "When a trumpet sounds in a city, do not the people tremble? When disaster comes to a city, has not the Lord caused it?" (Amos 3:6). "I form the light and create darkness, I bring prosperity and create disaster; I, the Lord, do all these things" (Isa 45:7). But God is never said to be responsible for someone not choosing Him.

The Bible clearly reveals that God is sovereign and thus in control of all things. From the decrees of kings (Prov. 21:1) to every turn of the dice (Prov. 16:33; cf. Isa 46:9-11). Even the most heinous and

sadistic act in human history—the murder of Jesus of Nazareth, was an act predestined by God Himself to save those who believe in Him (Isa. 53:10; Acts 2:23; 4:27-28).

Many claim to be Christians today, but with so many versions of Christianity today, we must discern through two inseparable ways: by whether you have trusted in Christ first and foremost, and secondly by how you love Christ. Some become Christians similar to the way they get married. They marry each other without truly knowing each other, and they fail to know each other because they don't ask enough meaningful questions about each other or spend enough time together. So too with some professed Christians. They place their lives in God's hands (seemingly), but they don't really know God at all. They don't know that bad things will indeed happen to "good" people. They don't know about all the difficult doctrines of Christ or that in the end unbelievers truly do go to hell for unbelief. So, they divorce Christ by punting the faith. True Christianity entails truly knowing Christ and then loving him unconditionally. Have you examined Christ from the Scriptures and not according to your man-made rendition of him? If you haven't you will be very disappointed in the god of your own making.

## Tools for a Healthy Lifestyle: Part I

by Sarah S. Jordan, MS

### Tool #1: Commitment... A Rhyme & A Reason

Have you ever sat back and wondered why “commit” rhymes with “fit?” I truly believe that there is a rhyme and a reason. For someone to experience success... whether in raising a family, rising to the top at the workplace, starting a business, or deciding that now is the time to improve personal health and fitness, lasting success simply will not come without commitment.

Living a healthy lifestyle is similar to being a partner in a marriage. It goes through good times, challenging times, times of plenty, and times of very little. It takes hard work, planning, and prioritizing. To make it last, you need to find ways to keep things fresh, fun, and realistic. But through it all, there is always commitment.

In my twelve years of personal training and overseeing fitness programs, the most common barrier to fitness that my clients and participants face is “time.” And I would venture to say that is true for most of us. Everyone has heard the quote; “We all get the same 24-hours in our day. What differs is how we choose to spend them.” Although I do believe that, I also believe that drastic differences exist between the time demands and 24-hours in the day of an 18-year old college freshman versus a 32 year-old mother of 3 young children.

And now that I am a mother myself, working full time, and starting a few other ventures, I understand that even more. However, with a strong commitment and setting realistic goals, I believe that most people could move a lot more, feel much better, and benefit greatly from it.

Even in the busiest of lifestyles, fitness can happen if we truly commit to it.

### Here are a few tips:

- **Put exercise on your calendar and treat it like you would a mandatory meeting.** That way you purposely designate time for it, you value its importance, and you are more likely to actually stick with it.
- **Find a reliable workout partner.** Knowing that person is waiting will hold you accountable to show up.
- **Invest in a personal trainer.** Although countless online resources regarding health and fitness are literally at our fingertips, many times, trying to get fit is like walking onto an airplane and trying to fly it. Too many uncertainties and way too much guesswork.

## Tools for a Healthy Lifestyle - (Continued from Page 52)

Finding an educated and experienced personal trainer cannot only remove the guesswork for you, but they can educate and empower you. Also, you will see more results than going it alone.

- **Get out of bed.** Sleeping in is a luxury and should be enjoyed, but if it is 100 degrees by 10am, something has to give. Pack the baby in the stroller in the stroller on a Saturday morning and hit the beautiful trails. Many times, the hardest part of a workout is just getting it started. Once started, you feel accomplished, proud, and you know that you are taking a great step toward reaching your goals. And the best part is - you still have the whole day in front of you!
- **Make it a family tradition.** What better thing to get your spouse and/or children used to than your family moving together and working toward wellness as a team?
- **Believe in yourself and all that your body can accomplish.**

Making time to move more as an individual and/or family and truly committing to long-term health goals can result in benefits beyond number and comprehension. And what better thing to invest in than our own health and the health of our loved ones? Commit to be fit. There is a reason for that rhyme.
