GET READY FOR THE 2010 *CHRISTMAS LIGHTS DECORATING CONTEST*

Do you and the kids like to drive around looking at Christmas Lights during the holiday season? For most of us the answer is a resounding YES! What a great way to get everyone in the Holiday Spirit. You could even walk and get yourself a little exercise too!

Once again this year, LOE will have a Christmas Lighting Decoration Contest. We hope to have lots of good neighborly competition to light up the neighborhood on these short December days.

We will present awards for three (3) Village Categories. The awards for the decorated homes & yards will be judged on their design, layout and overall flow of the decorations. In the past years, LOE residents have done a tremendous job with Christmas Decorations and we look forward to seeing the whole neighborhood sparkle in Holiday Cheer!

A team from the Social Committee will tour LOE during the evening of December 7th & 8th to choose the 3 Winners.

Let's all get out and "Light up our Neighborhood! Winners will have a Sign placed in their yard showing Best Christmas Decorations 2010. The signs can be displayed until the end of January 2011.

LOE'S SANTA'S TOY DRIVE & PARTY

*Friday, DECEMBER 10,
2010 - 7 PM to 9 PM*

MARK YOUR CALENDARS!!! Santa will arrive in LOE on Friday, December 10th at 6:30 p.m. at the clubhouse.

Santa has made his list and checked it twice and knows that the LOE children have all been nice!!! So bring your little ones over to take a picture with Santa, and take a hayride around the neighborhood to see the Christmas lights. There will be hot chocolate, apple cider and Christmas cookies to share as well as other special holiday activities such as storytelling, crafts and coloring.

We also want to help Santa share the magic of the holiday with needy children. So don't forget to bring a new, unwrapped toy to be donated to Toys for Tots while you get your picture with Santa for free. You may also make a cash donation to this very worthy cause.

We can always use volunteers to help with pictures, coordinating, serving as well as cleanup. This would be a great opportunity for that high school student looking to do some volunteer work to put on their resume. If you would like to help with this event or want more details, please contact Georgia Shotwell at 281-460-8505 or gshotwell@sbcglobal.net

NATIONAL NIGHT OUT

Pictured from left to right is Steve Hardcastle, Georgia Shotwell, Melissa Hunzeker, Clive Gardner, Karen Parker, and Nancy Gardner.

Our National Night Out on October 5 was a tremendous success! As many of you know, National Night Out is promoted by the Sheriff's Department as a way for community members to organize and join together to fight crime. Because of the weather, Texas celebrates National Night Out in October as opposed to August, when the rest of the country gets together. Indeed, we had a beautiful evening this year. As in 2008 and 2009, we had one big party for the entire neighborhood at the Clubhouse. Everyone seemed to have a good time socializing, eating, drinking, and exchanging phone numbers. We even had residents who have lived here for 10 years attend as first-timers! All in all, over 100 residents attended this event.

A tremendous thank you goes to our realtors that live in LOE for helping host this event with the Social Committee and for shopping (and more importantly paying) for all the goodies!! Georgia Shotwell, Clive and Nancy Gardner, Steve Hardcastle, Melissa Hunzeker, and Karen Parker provided all the food and drinks.

A big thank you goes to Deborah Dunaway, Rosa Clay, Clive and Nancy Gardner, Angela Hammond, Melissa Hunzeker, Georgia Shotwell, Carrie Loid, Friedel Liptay, Steve Hardcastle, Karen Parker, Tom and Carolyn Mohr, and Heather von Sternberg for helping plan this event as well as set up and/or clean up afterwards.

As a reminder, the Harris County Sheriff's Department wants LOE residents to have quick access to the following numbers in their homes. The number to call for an emergency is 911. The non-emergency number for the Sheriff's Department is 713-221-6000. The number for alarm assistance is 713-221-6000, and this is the same number that should be given to your alarm company for alarm calls. You can call the Crime Prevention Department at 713-225-3273 for a home inspection. A Deputy Sheriff will come out to inspect your windows and door locks, entitling you to a 5% discount on some homeowner's insurance policies (verify with your insurance company). There is no fee; this service is free.

If you missed the 2010 event, you might want to mark your 2011 calendar for Tuesday, October 4 so you won't miss the fun next year!

Oktoberfest Fun

On October 22 the Lakes on Eldridge Social Committee hosted the third annual Oktoberfest. Over 130 residents came out to sample beers from Houston's local brewery, Saint Arnold. The event was a huge success and everyone had a really great time. Quoting one resident, "Good job on the great Oktoberfest! It was a lot of fun." Another of our neighbors said: "It was a great night to get a sitter and enjoy time with other neighbors. We had a great time."

Each resident attending got to take home a souvenir tasting glass. It was fun for everyone to sample beers they might not ordinarily try and taste a little German food. People were even a little surprised about how much they liked different styles of beer! For more information about the brewery or their weekly tours visit their website www.SaintArnold.com.

Thanks to everyone who attended. A special thanks to Melissa Hunzeker on the Social Committee for coordinating the event. Cecilia Freeman, Kirby & Carrie Loid, Auggie & Jane Campbell, and Friedel Liptay provided lots of help setting up, cleaning up, and serving! We couldn't have done it without our servers either: Angela Hammond, Jerry von Sternberg, David Liney, and Tommy Mohr.

We hope everyone can join us for this event next year!

Dachshund Rescue of Houston

Thanks Community Volunteer

The Dachshund Rescue of Houston expresses its sincerest appreciation to Grace Craven, LOE resident. Grace is an amazing girl of 14 with a big heart and volunteer spirit. She is a freshman at Houston Christian High School. As her volunteer project she chose to help DRoH by assisting with the Sable & Dolly Challenge fund raising event held in October.

Grace created the beautiful "Sable & Dolly Challenge Board" displayed at the event, made up the "I gave to the Sable & Dolly" stickers for donors, helped with loading and setup, spent the whole day dog-sitting, and assisted with the silent auction. And then this young girl signed her name to donate \$50 of her own dog-sitting money to DRoH!

The early word is that \$15,000 was raised during the event! For more information about Dachshund Rescue of Houston, please visit www.dachshundrescueofhouston.org.

WELCOME BACK SERGEANT DAVIS!

We welcome the return to our community of Sergeant Davis, with ISSC, who has recently finished a tour of duty in Iraq with the U.S. Army. Next time you pass through our main gate, please welcome him back and take a moment to thank him for his service to our country.

Local Industrial Plant To Implement Noise Reduction Measures

Many residents have been complaining about noise coming from an industrial facility north of LOE. The facility producing the noise, Specialized Pipe Service, was contacted by AMI in early October. At that time the V.P. of Operations agreed to implement the following noise control measures:

- Change hours of operation to 7 a.m. to 7 p.m. (instead of 5 a.m. to 9 p.m.).
- Keep bay doors closed except when trucks are being loaded or unloaded.
- Install sound dampeners around the processing machines.
- Install plastic hanging door covers to assist when doors have to be opened.

Recently AMI was informed that the business has found a new location on FM 529. The owner indicated that the new facilities would be ready by approximately the end of November.

AMI will continue to monitor the situation until the move is confirmed. While we can't expect the noise to stop entirely until the business moves, it should be reduced. If you do hear noise prior to 7 a.m. or after 7 p.m., please contact AMI.

Patrol Statistics on Website

Are you interested in what the Patrol has been up to? Patrol statistics will be available on the community intranet starting in December and will be updated monthly. Beloved and hated, venerated and reviled, Andrew Jackson was an orphan who fought his way to the pinnacle of power, bending the nation to his will in the cause of democracy.

Bible Study

The Lakes on Eldridge Bible study group resumed on August 31 and will continue through next spring.

The fall study by Sharon Jaynes examines what the Bible records to be God's thinking about women. The study takes us from Genesis through the New Testament, to show that women were created for a divine purpose; are blessed through radical obedience; were commissioned to go and tell; and are loved as God's daughters. Also that women were valued in Jesus' teachings; were restored through Jesus' ministry, welcomed into God's presence, and invited into Jesus' classroom; are affirmed in God's family; called out of the shadows; highlighted in the Old Testament; empowered by the Holy Spirit; and chosen for such a time as this.

This thirteen-week study elevates the women of ancient times who were treated as possessions and slaves to the position of value and importance to the progression of humankind. God's plan for women to play a significant role in history becomes clear through the teachings of the Bible.

It is never too late to start learning more about God's plan for you! Please join us every Tuesday morning at the Beach Club (swimming pool club house) at 9:15 for fellowship, study and prayer.

December Gardening *from Calloway's Nursery*

Working in your garden is an excellent escape during the holidays. It is a perfect time to plant trees and shrubs so they can develop a strong root system for next Spring. Cool weather color such as Pansies, Snapdragons, Cyclamen, Flowering Cabbage and Kale add splashes of color to your landscape. Spring flowering bulbs can be planted now once they have been properly chilled.

Prune summer flowering shrubs and vines now. They will bloom on new growth. Remember-do not top your Crapemyrtles! Simply prune to remove seed heads and shape. Trim evergreens only to reshape.

Prepare for the cold weather before it hits! One of the best things you can do for your landscape plants is to provide a 2-to 3-inch layer of mulch. Mulching is necessary year

round but during the colder periods it provides a layer of insulation for the roots. Secondly, water your landscape well before a cold spell. A drought stressed plant is more susceptible to freeze damage. Thirdly, for more tender plants, purchase frost cloth for extra protection. Frost cloth is a fabric which adds 3 to 4 degrees of warmth. Cover the plant completely allowing the edges to come all the way to the ground. We are utilizing the heat which radiates from the ground.

Become a member of our Garden Club and you will receive email notices prior to any weather crisis. Visit www.mytexasgarden.com to join. *This is also an excellent time to start planning changes or additions to your landscape. Bring a sketch or photo and let our Texas Certified Nursery Professionals assist you!*

You lean over to whisper something to your friend and you can tell by the look on your friend's face that something is up. Could it be your breath? Maybe you shouldn't have put extra onions on your hamburger at lunch. What's a kid with smelly breath to do?

The good news is that bad breath happens to everyone once in a while. Let's find out how to detect it, prevent it, and even treat it.

What's That Smell?

Bad breath is the common name for the medical condition known as halitosis (say: hal-uh-toe-sis). Many different things can cause halitosis — from not brushing your teeth to certain medical conditions.

Sometimes, a person's bad breath can blow you away — and he or she may not realize there's a problem. There are tactful (nice) ways of letting someone know about bad breath. You could offer mints or sugarless gum without having to say anything.

If you need to tell a friend he or she has bad breath, you could say that you understand foods can cause bad breath because you've had it before yourself. By letting someone know that bad breath isn't something unusual, you'll make the person feel more comfortable and less embarrassed about accepting your piece of chewing gum.

If you suspect your own breath is foul, ask someone who will give you an honest answer without making fun of you. (Just don't ask your brother or sister — they just might tell you your breath stinks even when it doesn't!) Although everyone gets bad breath sometimes, if you have bad breath a lot, you may need to visit your dentist or doctor.

What Causes Bad Breath?

Here are three common causes of bad breath:

- foods and drinks, such as garlic, onions, cheese, orange juice, and soda
- poor dental hygiene (say: hi-jeen), meaning you don't brush and floss as you should
- smoking and other tobacco use

Poor oral hygiene leads to bad breath because when you

leave food particles in your mouth, these pieces of food can rot and start to smell. The food particles may begin to collect bacteria, which can be smelly, too. Plus, by not brushing your teeth regularly, plaque (a sticky, colorless film) builds up on your teeth. Plaque is a great place for bacteria to live and yet another reason why breath can turn foul.

Preventing Smelly Breath

So what's a kid to do? Don't smoke or use tobacco products, of course. And take care of your mouth by brushing your teeth at least twice a day and flossing once a day. Brush your tongue, too, because bacteria can grow there. Flossing once a day helps get rid of particles wedged between your teeth. Also, visit your dentist twice a year for regular checkups and cleanings.

Not only will you get a thorough cleaning, the dentist will look around your mouth for any potential problems, including those that can affect breath. For example, gum disease, also known as periodontal (say: per-ee-uh-don-tul) disease, can cause bad breath and damage your teeth.

If you're concerned about bad breath, tell your doctor or dentist. But don't be surprised if he or she leans in and take a big whiff! Smell is one way doctors and dentists can help figure out what's causing the problem. The way a person's breath smells can be a clue to what's wrong. For instance, if someone has uncontrolled diabetes, his or her breath might smell like acetone (the same stuff that's in nail polish remover).

If you have bad breath all the time and the reason can't be determined by your dentist, he or she may refer you to a doctor to make sure there is no other medical condition that could be causing it. Sometimes sinus problems, and rarely liver or kidney problems, can cause bad breath.

Usually, there's a less complicated reason for a kid's bad breath — like what you had for lunch. So keep up with your brushing and flossing and you should be breathing easy — and odor free!
