#### **OUR MARCH BUSTRIP PLANS ARE FOR: Wednesday, March 9, for a tour of the Heights.**

The Heights is a diverse small-community located in the heart of Houston where neighbors and businesses thrive and history continues to live. In 1891, 1,765 acres of land located four miles north of Houston was bought and chartered as the Omaha and South Texas Land Company. In 1892, the land was cleared and a "first class residence and manufacturing locality" was begun. Seventeen Victorian style houses were built and three remain standing today.

The Heights has continued to thrive and grow since that time with its unique shops, museums, and galleries. It remains a community unlike any other in the Houston area and has become a tourist attraction for Houston.

Our first stop will be at the Alabama Furniture Store, where our tour guides Cheri and Rion Enroth will join us. They have been long-time business owners in the Heights and know the area well. We will be visiting sites such as Buchanan's native Plants, the Art Car Museum, the World War II memorial, noble Manor, the spice shop and other unique shops in the area. There will be plenty of time to shop at these stops.

We will enjoy lunch at the Shade, a Mediterranean and American restaurant. The cost for lunch will be between \$10 and \$20. We will be putting more information in our weekly newsletter.

The cost for this trip is \$3.00, plus the cost of your lunch. You can get your name on the trip list by calling:

Peggy Presnell at 281-304-7127

Make checks out to: Fairfield 50 Plus. The departure time will be 09:30 a.m. from the Fairfield Village parking lot. Please be there by 09:15 a.m.

#### **OUR APRIL BUSTRIP PLANS ARE FOR: Thursday, April 21, a Radio Music Theater trip.**

Our trip for this month will be to the Radio Music Theater, the home of a very popular, long running "trio" which will be closing this April. These very talented entertainers have decided to retire after many years. This will be their final production.

*"A Fertle Farewell"*

The Fertles, and all of the citizens of Dumpster, come together for a final time. It is a brand new Fertle Family show, and it's sure to please Fertle fans everywhere. Say goodbye to Ned and

### **OUR MARCH ACTIVITIES PLANS:**

Thursday, March 10: The Monthly Planning Committee meeting is at 1:00 p.m. at the Lakeside Trails Club House. Everyone is invited to attend these meetings and participate in our upcoming trip plans.

We really need to see more participation, especially from those that are taking these trips. In fact, without more participation we will be forced to cut back on the trips, possibly one every other month.

Then later, around 6:30 p.m. that evening, we have our Monthly Pot Luck. It is also at the Lakeside Trails Club House. However, plan on being there early. Doors open around 6:00 p.m. for socializing and fellowship. Then stay and join many of our members that stay to play games after the meal and to finish up the deserts.

Tuesday, March 15: Game Night at the Cooks' House. It starts around 6:30 p.m. Just bring a little snack and a healthy appetite. This is always a fun evening with great fellowship. The directions are in the Activity details page on our website and will also be in our March 13 weekly newsletter.

Thursday, March 24: Game Night at Lakeside Trails Club House. It starts around 6:30 p.m., and we have plenty of room at the club house. We would like to see you there to enjoy an evening of games and fellowship with us. Just bring a little snack and plan on having lots of fun. There are some card games, some games that the members bring and of course dominoes.

# Around Fairfield

## FROM THE WHITE HOUSE

*Have you looked around the neighborhood?*

New or improved streets – If you have not noticed the new streets in or around Fairfield, you are missing an opportunity for quicker and easier routes than those you have been using. The completion of Cumberland Ridge Drive makes for an easy drive between Fairfield Place Drive and the Mason Road / Schiel Road intersection. This completes the four lane segment that is close to a parallelogram around the center of Fairfield. This rectangle consists of Cypresswood Drive on the south, Fairfield Place Drive on the west, Cumberland Ridge Drive on the north and Mason Road on the east. These routes make for much easier travel to your destinations than zigging and zagging through the neighborhoods. During the first half of 2011, Harris County should complete an extension of Cypresswood Drive. The existing two lane Cypresswood Drive from Good Shepherd Methodist to the end of the current road behind Fairfield Baptist will be expanded to a four lane road. From the current east end of Cypresswood Drive in Fairfield, contracts have been awarded to extend the four lanes to complete the connection to Mueschke Road. Construction has already been completed on

Cypresswood Drive past Cypress Lakes Golf Course connecting Mueschke Road to Cypress Rosehill Road. When completed, Cypresswood Drive will provide Fairfield residents a four lane back door route to the Walmart / Walgreens / Lowes shopping areas without having to use US290.

We are Fairfield! - Keying in on the famous Marshall University slogan, I want to encourage you to be sure you have the Fairfield decal on the back windows of all of your automobiles. This decal will enforce

our Fairfield pride to others in the metro area. It is helpful to our patrolling sheriff's deputies to let them know you are a Fairfield resident. This is especially important during the late evening hours when the deputies would not expect a lot of non-resident travel in the subdivision. A copy of the Fairfield decal can be picked up at the Fairfield Information Center on Mason Road at Cypresswood. When you stop in to pick up the decals, take a look around to see the large mockup map of Fairfield. You will find it quite interesting.

## Fairfield Book Club

The Fairfield Book Club is a terrific way to meet other women in our community, have great conversations, and develop new friendships. We meet the third Wednesday of each month (rotating homes) from 7 to 9pm. Book Club members share food and drinks while discussing the book selection for that month. We read all kinds of books suggested by our members - classics, contemporary fiction, non-fiction, biographies, romance, sci-fi, etc. There are no book snobs in our group - we read it all!

If you are a book lover or simply want to expand your reading and social network, please consider joining us.

We invite you to attend one of our meetings as a guest or a member. We currently have openings; however, because we hold meetings in home, membership is limited. For membership inquiries, please contact Linda Locke by email (Linda15226@yahoo.com, subject heading "Book Club") or by phone (713-298-6514, evenings only).

*\*Book Review by Krista Lewis Abedrabbo\**

The Fairfield Book Club selection for January was *The Girls* by Lori Lansens. This remarkable novel depicts the moving life journey of 29-year-old conjoined twins, Rose and Ruby Darlen. It was well-received by our Book Club and inspired vigorous discussion. Members were especially charmed by the author's depiction of the two very distinct personalities of the girls: Rose, bookish, verbose, and motherly; and Ruby, pretty, carefree, yet practical. Growing t o love these extraordinary characters, readers will truly forget they are reading fiction.

## Local Bluegrass and Old Time Music Jamming

Bluegrass music jamming at Kleb Woods Nature Center and Bird Reserve is growing and getting better and better. The fun begins on the 4th Saturday of each month at 12 noon and all pickers are invited to participate. The folks with their guitars, banjos, fiddles, mandolins, bases and dobros are in full swing warming up to do a little picking and singing. Some new musicians and some are the same ole bunch getting in full swing. Some of the younger bunch have joined us to share their skills on the fiddle, the mandolin, or both. When the young-uns start fiddling or playing the hot mandolin or the banjo the rest of the group goes crazy and it gets even more exciting and if you look our direction and there is smoke over the Center it is probably the instruments are on fire.

Just to zero in on one of our young-uns (a little older now and I am sure would rather be referred to as young adult) has won a number of contest on the banjo and mandolin. Of course he also plays Fiddle, Dobro, and is a

great guitarist besides being the most humble and sweet intelligent young man we have ever met. Everyone loves him and are watching him grow. Come on out and you can meet him.

Just recently we have encountered another young lady, 14 years old, who is a good fiddler. We believe she will go far and we will be watching her also.

If you want to see an old picker get really excited just watch him when he hears a young picker coming along to take his/her place. There are 3 more young people that we have our eye on that play instruments in this 'good ole way.' Watch for our article in the coming months to hear of their progress as well as the 'old' young ones or - - you could just come and see for yourself.

We also have some good violinist who are converting to fiddlers. Talk about some sweet music, wait until you hear them.

When 4 PM arrives you will find the musicians just as enthusiastic and reluctant to

leave as at the beginning. The energy comes from the deep love that everyone has for the music. What more could you want? How about the fact that all of these folks are just the best folks you could ever meet. Great camaraderie with all the pickers and each person they meet.

At this time we do not have a stage show. Maybe someday. We have ample space for multiple jams at the same time. Just fun Jamming or listening. Pickers and listeners are welcome. No charges.

By-the-way, the Humming birds are not back yet but, they will be out again this Spring and they are beautiful. There are many other birds around the Center that you can see and photograph on the many trails, here now.

Kleb Woods Nature Center and Reserve (Draper Rd.) is located about 15 to 20 minutes from Hwy 290 at Muschke and is located on Draper Rd., off Mueschke Rd.

## Cy-Fair Volunteer Fire Department 2011 Spring Recruiting Drive

The Cy-Fair Volunteer Fire Department will host a series of recruiting open houses at three of our fire stations this month to educate and inform those interested in joining one of the largest volunteer fire departments in the nation.

The volunteer fire service was started in this country by Ben Franklin. For more than 250 years the volunteer fire service has continued this tradition of “neighbors helping neighbors”. But over the past two decades the number of volunteer firefighters nationally has decreased by around 8%. The Cy-Fair Volunteer Fire Department has almost 400 volunteers today. The Cy-Fair VFD provides community based fire, EMS, and rescue services for 156 sq miles of Northwest Harris County using 12 fire stations. We provide all the necessary training and equipment needed. We have members from all walks of life including doctors, lawyers, bankers, realtors, career firefighters, teachers, mechanics, welders, nurses, and stay at home parents. The only requirements are to have your high school diploma or GED, be 18 yrs old, and pass a drug and background check. The volunteers

of the Cy-Fair Volunteer Fire Department save the tax payers of our area over \$28 million each year.

For anyone interested in volunteering there are a number of reasons to join:

- The satisfaction of helping others in your community especially when they are in need
- To gain experience and education in a wide variety of topics including - firefighting, emergency medical services, hazardous materials, fire codes, sprinkler systems and alarm systems
- Meet and work with others in your community, gain a sense of camaraderie with others by working together

Whatever your age or physical abilities there is something you can do at your local fire house to help out! While firefighters are needed, there are many other jobs where you could help:

- Drivers and pump operators are essential to all emergency operations (you can't get there without a driver!)
- Support personnel at the scene to move hoses, get equipment, etc.
- EMS personnel are needed for both first

responders and ambulances

- Fire prevention teachers, people to help with truck maintenance and fire station maintenance are also needed.
- IT personnel to assist with our computers, network, website, and printers
- Help with fundraising and other fire company functions

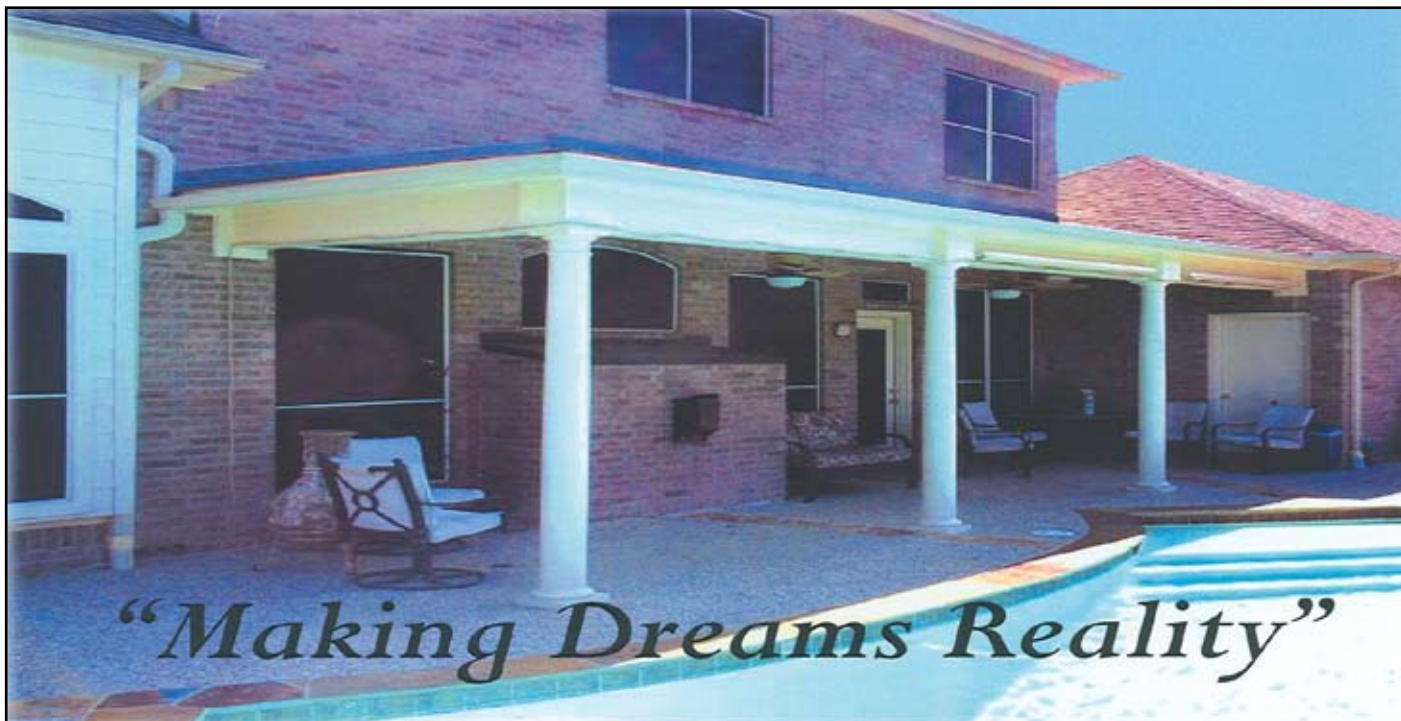

Please attend one of our open houses and find out how you can help out at your local fire station. If you cannot make one of the dates please call us at 281-550-6663 to speak with a Public Information Officer.

### **Recruiting Open House Dates and Locations:**

- April 3rd at 6:30 pm at CFVFD Station 9 at 7922 N Hwy 6, near Hwy 6 and Longenbaugh

## Neighborhood Scout earns BSA National Honor Medal

Life Scout Gabriel Roberts, Senior Patrol Leader of Troop 1907 of the Fairfield Baptist Church has been awarded the Boy Scouts of America National Honor Medal for "demonstrating unusual heroism and skill in saving or attempting to save life at considerable risk to self". The incident

happened in August 2010 when Gabriel saved the life of a drowning person even though he was twice pulled under by the panicked swimmer. He remained calm and pulled the person to safety, made sure he was breathing normally, then swam back across the river to retrieve an inner tube in order to ferry him across to help waiting on the bank.

In order to receive an honor of this type, all the facts and witness accounts must be reviewed by two separate independent committees at the council and national level before approval is given. This medal was awarded only 37 times in 2010 and 2,271 times since 1923 when the medal was first awarded. In comparison, over 56,000 boys attained the rank of Eagle Scout during 2010. It is one of the highest honors of heroism a scout can receive from the national office of the BSA. He is to be commended for his bravery and calmness in the face of what could have been a life-threatening situation for both himself and the survivor.

## Access Cards for the Athletic Center/ Pools/ Dog Park

Yes, Fairfield Village will soon have a dog park and access cards!

Your Fairfield Village maintenance assessment and your neighborhood assessment must be paid in full for you to use the facilities. Fairfield Village will still accept payment plans for assessments but will not allow use of facilities until the balance is paid in full. Please plan for the upcoming Fairfield Village assessment (due in July). You can pre-pay in installments if you wish, whatever works for your budget!

More information will be coming regarding access card distribution in the future.

## Clover/Weeds

Dear Residents,

It is that time of year again, when the clover and weeds pop out in the yards. There are very good products on the market that effectively treat for clover and fertilize at the same time. Borrow your neighbor's fertilizer spreader if you do not have one and treat your yard or check with a local gardening center for guidance .

## GOLF CARTS, ATVS, DIRT BIKES

As you are aware, there has been a great deal of vandalism within Fairfield Village, all repaired at a cost to you, the homeowner. As the vandalism continues, and as the cost to make the necessary repairs and replacement increases, it also becomes necessary to increase your assessment.

Vandalism includes the operation of a **Golf Cart, ATV, or a Dirt Bike** on common areas (including sidewalks) or greenbelts. The Sheriff will be notified of anyone seen driving these vehicles. ***Should the person(s) be under age, the Association will legally pursue the legal guardian for all damages incurred.***

Your Association has spent thousands of dollars, your dollars, repairing sidewalks, gazebos, entry markers, irrigation, ruts, etc., and now it's time to make this stop.

If you see anyone suspicious, by all means contact the Sheriff on the non-emergency number (713-221-6000) and report the incident. Thank you.

## Dear Residents,

Concerns have been received regarding raccoon sightings near the greenbelts and perimeter areas, particularly near the Ten Acre Park in Inwood Park. Due to construction around the perimeter areas, the raccoons and other varieties of wildlife have been displaced. Although cute, raccoons can be very destructive and will continue to inhabit an area if there are food sources. Please do not feed wildlife – please be certain to secure your waste receptacles and do not leave cat or dog food outside providing a food source for them. If we all work together, they will move on to other locations outside Fairfield Village.

Thank you.

## A Friendly Reminder ...

Friendly reminder to keep dogs on a leash and out of the lakes around Fairfield. Not all homeowners are comfortable with loose dogs or cats. Please be courteous to your neighbors and follow the leash law.

## SPECIAL EVENING FOR *a Special Boy*

Rosehill Christian School held their annual Sadie Hawkins dance on Saturday, January 29th. In following tradition, the girls asked the boys to be their dates for the evening and the theme was "Cowboys and Indians". This may sound like any other school having just another school dance but something quite remarkable happened at RCS that night. Senior cheerleading squad co-captain, Kaitlyn Burke, asked a very special friend to be her date for the dance, Joshua Wright.

Joshua would not have been the typical choice for a popular, outgoing young lady trying to make every moment special her senior year but that is exactly the choice Kaitlyn made. Joshua is not your average 16 year old boy; he has autism, mental retardation, cerebral palsy, water on his brain and extreme speech delay. He has good days, but he also has not so good days.

Kaitlyn not only gave Joshua a chance to experience a high school dance but also gave his parents the opportunity to share the experience. Lonnie and Beth Wright had the joy of getting their only son ready for a dance. They were overwhelmed with emotion when Kaitlyn thanked them for letting her take Joshua. Mr. and Mrs. Wright wrote a letter to Dean Unsicker, Head of School at Rosehill Christian, to

let him know of the amazing student he has on the campus. Unsicker couldn't wait to share the story and hopes it will reach beyond the Tomball, Cypress and Houston areas.

Kaitlyn first met Joshua when her sister, Kristen, was giving him tumbling lessons. The families became fast friends and spend a lot of time together. When asked why she chose to ask Joshua to the dance, Kaitlyn replied, "I knew he loved to dance." Kaitlyn has a place in her heart for special needs kids and knew Joshua was the one she wanted to take to the event. She said he danced with lots of people and got those not dancing to join in. "He did a lot of hugging, too", said Kaitlyn with a smile in her voice. A lot of teenagers might have

thought it would be a big hassle to attempt such an undertaking but Kaitlyn said it was no big deal. Well it certainly was a big deal to Joshua and his family!

Kaitlyn is the daughter of Kevin and Bertha Burke. She is following her older sister, Kristen, by also graduating from Rosehill Christian School. The Burkes have a son, Kraig, who is currently in 9th grade at RCS. Lonnie and Beth Wright have three children: Joshua, Jaycee and Jessica. Their two girls also attend RCS. Rosehill Christian School is located at 19830 FM 2920, Tomball, TX.

## Harvest Bible Church

*Otherwise, what will those do who are baptized for the dead? If the dead are not raised at all, why then are they baptized for them? (1 Corinthians 15:29).*

The Mormon church uses this passage to justify their practice of baptizing people on behalf of deceased family members who did not know God. They are attempting to save them through their own baptisms and good works. Although a straightforward reading seems to promote the practice of baptism for the dead, the entire concept is actually contradicted throughout the whole of Scripture. Salvation does not come to anyone as a result of works (like baptism) but by God's grace alone (Rom. 4:5; Gal. 2:16; Eph. 2:8-9). So being baptized on another's behalf who has passed away is worthless. Each person must make that choice on their own while they live after God compels them to

trust in Jesus Christ (cf. John 1:12; 6:44).

Having already made the case for Jesus Christ's resurrection from the dead in vv. 1-11, the Apostle Paul now asks the question about those who are baptized on behalf of the dead in v. 29. Apparently those who took part in that practice were the very ones who denied the bodily resurrection of the dead prompting the resurrection topic in 1 Corinthians 15. There are at least three possibilities for what Paul is talking about in this passage. First, when Paul says, "What will those do who are baptized for the dead" he could be using "baptized" the same way Jesus used it in Mark 10:38 and Luke 12:50 (referring to Christ's enduring God's wrath). This interpretation means that v. 29 should read, "What will those do who are dying the deaths of martyrs and joining the ranks of the dead?" The answer to those people would be that those dying as martyrs were dying in vain if there was no resurrection.

Though their motives were pure in dying for the Christian cause, they would be deluded people for doing so.

A second possibility is that those who are baptized simply refers to Christians, and the "dead" refers to deceased believers. The Greek preposition "for" is then rendered "because of," and the passage would read, "Otherwise, what will Christians do who come to know Christ because of the testimony of saints gone before?" This refers to people who were being saved as a result of the lives of the faithful Christian martyrs. With no resurrection and no hope of life after death, then why are people coming to Christ through of the witness of dead saints?

The third and best possibility is that Paul was sarcastically referring to the cultic practice of baptisms for the dead (i.e., "If you don't believe in the resurrection, then why engage in the practice of baptizing people for

the dead?”). The pagans might have been outwardly ridiculing the concept of resurrection, but inwardly they didn't want to take any chances. So they baptized themselves for the dead. Paul's sarcasm reveals that the practice was so twisted it needed no comment. Furthermore, he does not say “we” practice such a baptism but “they” as he refers to the pagans who did such. This is the best interpretation since it does no injustice to the text, AND throughout 1 Corinthians Paul emphasizes his familiarity with the readers by using first person pronouns (“I” and “we”). Yet in v. 29, he switches to the third person plural pronoun “they.”

Any way you slice it the Bible never teaches that baptism saves a person. Water baptism always follows one's conversion to Christ in the Bible, but it isn't necessary for salvation. Salvation comes by God's grace, through faith in Christ, apart from works. Baptism inevitably follows, and although it isn't necessary for salvation, it is commanded in Scripture for Christians.

## River of Praise

By Bethany K. Scanlon

Now as they were eating, Jesus took bread and, praising God, gave thanks and asked Him to bless it to their use, and when He had broken it, He gave it to the disciples and said, Take, eat; this is My body. And He took a cup, and when He had given thanks, He gave it to them, saying, Drink of it, all of you; For this is My blood of the new covenant, which ratifies the agreement and] is being poured out for many for the forgiveness of sins. I say to you, I shall not drink again of this fruit of the vine until that day when I drink it with you new and of superior quality in My Father's kingdom. Matt 26-29 AMP

**Salvation: (Greek) sōtēria-** *deliverance, preservation, safety, salvation, deliverance from the molestation of enemies.*

Have you ever struggled with hearing the voice of God? Every Christian has at one time or another. But I know two specific ways to help you discern the leading of the Holy Spirit. The first one is praise and worship. Many of the times that God has led me dramatically has been during times when I am singing (out of tune) my heart out to the living God, letting Him know how grateful I am for all that He has done for me. I remember one day when I was thirty years

old, Luke was working on our neighbors car and suddenly I heard the Holy Spirit say: "Go inside and worship to Third Day's King of Glory." This song was played at my wedding. Leaving Luke outside, I went inside and turned on the song. As I began to worship, the Father said. "Quit your job and write a book about how I placed you and your husband together for the purpose of marriage." When I went back to work, I put in my two weeks notice. Exactly one year later, to the day from my last day of work, Where's my mate? was published and for sale on Amazon.com. Another night after being frustrated about trying to hear God's voice for myself on a particular matter, and feeling like an utter failure, God spoke this to my spirit: "If you take communion everyday you will hear my voice better. Communion was meant to take everyday. Part of my new covenant is hearing my voice." I was only used to taking communion once a week or once a month as my church served it. Not everyday. I asked God to confirm his word to me and he did. Look at this scripture:

*And day after day they regularly assembled in the temple with united purpose, and in their homes they broke bread [including the Lord's Supper]. They partook of their food with gladness and*

*simplicity and generous hearts, Constantly praising God and being in favor and goodwill with all the people; and the Lord kept adding [to their number] daily those who were being saved [from spiritual death]. Acts 2:46-48 AMP*

Not only did the early church take communion everyday, but they also had favor with all of the people and God was adding to their church. Does this mean taking communion daily is tied to favor with people and people added to the Kingdom because of the favor? Not sure, but scripturally, it's possible! And, one of the many covenants in the NT is that we will know Jesus' voice and follow it! I know in the OT only certain priests, prophets and kings that God annointed could hear his voice. The Catholics still practice that OT principle and that is why they teach only an ordained Priest can forgive you of your sins and hear from God for the people. But...in the NT Jesus said this:

*My sheep hear My voice, and I know them, and they follow Me. And I give them eternal life, and they shall never perish; neither shall anyone snatch them out of My hand. John 10:27-28 NKJV*

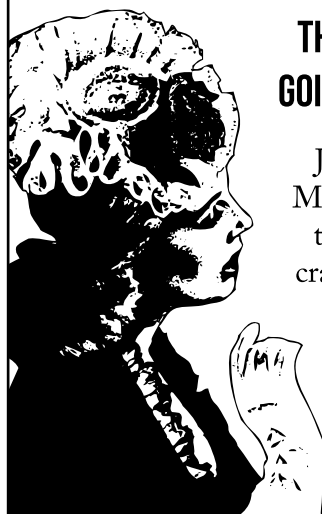

I looked up the word salvation from Romans 10:

*Because if you acknowledge and confess with your lips that Jesus is*

*Lord and in your heart believe (adhere to, trust in, and rely on the truth) that God raised Him from the dead, you will be saved. For with the heart a person believes (adheres to, trusts in, and relies on Christ) and so is justified (declared righteous, acceptable to God), and with the mouth he confesses (declares openly and speaks out freely his faith) and confirms [his] salvation. The Scripture says, No man who believes in Him [who adheres to, relies on, and trusts in Him] will [ever] be put to shame or be disappointed. [No one] for there is no distinction between Jew and Greek. The same Lord is Lord over all [of us] and He generously bestows His riches upon all who call upon Him [in faith]. For everyone who calls upon the name of the Lord [invoking Him as Lord] will be saved. Rom 10:9-13*

After Jesus rose from the dead, he came back and took the Lord's Supper with his disciples. After he did the disciples eyes were supernaturally opened:

*And it occurred that as He reclined at table with them, He took [a loaf of] bread and praised [God] and gave thanks and asked a blessing, and then broke it and was giving it to them. When their eyes were [instantly] opened and they [clearly] recognized Him, and He vanished. (departed invisibly). Luke 24:30-31 AMP*

# News You Can Use

## Foundation for Foreign Study

Families from all over the Houston area are opening up their homes and lives to foreign exchange students through the EF Foundation for Foreign Study.

EF Foundation is a leader in high school foreign exchange, bringing more students to the United States than any other exchange program. A nonprofit committed to promoting global awareness for over 30 years, EF Foundation leverages a committed network of local coordinators to connect thousands of students with caring American families each year.

EF exchange students come from more than 30 countries around the world and are between the ages of 15 and 18. The majority of students stay for a full high school year. In the past, exchange students have come to live in Texas from as far away as Germany, Hong Kong, Australia and Norway, to name a few.

I am an International Exchange Coordinator for EF Foundation. I will be working with the community to secure host families for a number of students this year.

In order to raise awareness of this life-changing opportunity, we need the community to see local narratives of the wonderful families and students who have had unforgettable experiences through the program.

Eleven-year-old Cait was trying to fall asleep when her 8-year-old brother, Doug, came into her room. He looked around a bit, but seemed really out of it. Then Doug went back into the hallway and stood there staring up at the hall light. Little brothers can be weird, but this was really strange. Cait didn't know what to do. Just then, Cait's father appeared and explained that Doug was sleepwalking.

## WHAT IS SLEEPWALKING?

Not all sleep is the same every night. We experience some deep, quiet sleep and some active sleep, which is when dreams happen. You might think sleepwalking would happen during active sleep, but a person isn't physically active during active sleep. Sleepwalking usually happens in the first few hours of sleep in the stage called slow-wave or deep sleep. Not all sleepwalkers actually walk. Some simply sit up or stand in bed or act like they're awake (but dazed) when, in fact, they're asleep! Most, however, do get up and move around for a few seconds or for as long as half an hour.

Sleepwalkers' eyes are open, but they don't see the same way they do when they're awake and often think they're in different rooms of the house or different places altogether. Sleepwalkers tend to go back to bed on their own and they won't remember it in the morning. Researchers estimate that up to 15% of kids sleepwalk regularly. Sleepwalking may run in families and sometimes occurs when a person is sick, has a fever, is not getting enough sleep, or is stressed.

## IS SLEEPWALKING A SERIOUS PROBLEM?

If sleepwalking occurs frequently, every night or so, it's a good idea for your mom or dad to take you to see your doctor. But occasional sleepwalking generally isn't something to worry about, although it may look funny or even scary for the people who see a sleepwalker in action. Although occasional sleepwalking isn't a big deal, it's important, of course, that the person is kept safe. Precautions should be taken so the person is less likely to fall down, run into something, or walk out the front door while sleepwalking.

## WHAT WILL THE DOCTOR DO?

There's no cure for sleepwalking, but the doctor can talk to you about what's happening and try to find ways to help you sleep more soundly. Most kids just grow out of sleepwalking.

For kids who sleepwalk often, doctors may recommend a treatment called scheduled awakening. This disrupts the sleep cycle enough to help stop sleepwalking. In rare cases, a doctor may prescribe medication to help someone sleep.

## HERE ARE SOME TIPS TO HELP PREVENT SLEEPWALKING:

- Relax at bedtime by listening to soft music or relaxation tapes.
- Have a regular sleep schedule and stick to it.
- Keep noise and lights to a minimum while you're trying to sleep.
- Avoid drinking a lot in the evening and be sure to go to the bathroom before going to bed. (A full bladder can contribute to sleepwalking.)

## HOW DO I TAKE CARE OF A SLEEPWALKER?

One thing you can do to help is to clear rooms and hallways of furniture or obstacles a sleepwalker might encounter during the night. If there are stairs or dangerous areas, a grown-up should close doors and windows or install safety gates.

You also might have heard that sleepwalkers can get confused and scared if you startle them into being awake. That's true, so what do you do if you see someone sleepwalking? You should call for a grown-up who can gently steer the person back to bed. And once the sleepwalker is tucked back in bed, it's time for you to get some shut-eye, too!
