ANNUAL ASSESSMENTS DUE!

With Annual Assessments due, your Board of Directors would like to remind all homeowners that payment arrangements are offered by the POA. As soon as you receive your annual assessment bill please look in your bill for the included memo page that gives specific directions on setting up a payment plan for the 2011 assessments.

Payment via credit card/e-check can be made online only at www.pcmi-us.com. In order to pay online, you must have your POA account number provided on your statement.

The LIVING LEGENDS *Seniors Group of Legends Ranch*

If you are 50 or older, please come join us. Not only do we have fun and enjoy the company of wonderful friends and neighbors, we care enormously about the neighborhood. We are active with our POA member representatives and make suggestions or report problems when needed. Some events planned for 2011 are to visit George Ranch, the Houston Observatory, the Brenham area, plays, museums, and other events we can find. We invite you to share these things with us.

Regular meetings are the third Friday of the month, 1:30 p.m. at the clubhouse.

Please Control Your Pets!

If you happen to come across vicious dogs, or ANY loose dogs, please contact Animal Control at 936-442-7738. If you are familiar with the property address the pets belong to, please feel free to submit that information to PCMI – Brandi Leal at bleal@stes.com – to pursue the deed restriction violation. Notification and ample time must be given to the owner to correct the violation prior to any further pursuit by the Association.

It is a deed restriction violation if your pets are not confined to a fenced backyard or within your home. They must not be allowed to bark all night or cause a nuisance to your neighbors. They must also be on a **leash at all times** when not in a contained environment. It is also the pet owner's responsibility to keep ALL areas of the community FREE from pet debris when walking your pets. ***Please remember that cats must also be confined.*** Animal Control can be reached at 936-442-7738.

FACTS YOU NEED TO KNOW ABOUT DROWNING

DROWNING CAN STILL OCCUR EVEN IF YOU KNOW HOW TO SWIM

A majority of people overestimate their own and their child's ability to swim, especially in a panic event.

Falls, entrapments, and injuries lead to drowning regardless of swimming level.

NO ONE is "drown proof" – no matter their level of swimming ability.

Drowning is the leading cause of unintentional injury-related death in children ages 1-4

DROWNING WILL AFFECT YOU OR SOMEONE YOU KNOW

Drowning is the 2nd leading cause of unintentional injury-related death ages 1-14.

DROWNING IS QUICK AND SILENT

Drowning occurs in as little as 2 minutes.

Irreversible brain damage occurs in as little as 4 minutes.

Most children are out of sight or missing for less than 5 minutes and usually in the presence of 1 or both parents.

Most children die who are submerged for as little as 6-10

**Children who drown do not scream, splash, or struggle.
They silently slip beneath the water, even with adults & lifeguards present.**
