*Resident Sean Claes

*Saturday, April
23, 2011 from
9:30 am - 11:30 am*

Come on out to the Annual Plum Creek Easter Egg Hunt at McNaughton Park on Saturday, April 23rd! It is important for you to have your children present by 9:30 am, as not to miss the fun! The hunt starts right on time! Feel free to hang out after the hunt and enjoy the bounce house.

With plenty of eggs to hunt, the park will be divided into four, color-coded sections by age group,

as indicated below. Also, kids must bring their own basket to collect their tiny treasures.

AGE GROUPS:

- 0 - 3 years : pink section
- 4 - 6 year olds: green section
- 7 - 9 year olds: orange section
- 10 & up: yellow section

As always, volunteers are needed to help set up on event day. If you are interested in helping, please contact Brandee Otto at 512-557-2728 or recreation@plumcreektxhoa.com

Plum Creek Development Partners Purchase Plum Creek Golf Course

In early March, Plum Creek Development Partners closed on the purchase of the Plum Creek Golf Course from OneWest Bank in a foreclosure-related auction. The original owner of the course was Middleton Properties, Inc., a Missouri-based company.

"Dedicated open space like the golf course is a huge asset to the neighborhood, Kyle and surrounding areas," said Peter French of Plum Creek Development Partners. "Purchasing this central amenity is an example of our commitment to the vision that guides us."

The 18-hole, approximately 200-acre public course has the distinction of having a layout where no two fairways touch. A new club house, including a pro shop, locker rooms, a grill room and a banquet room accommodating up to 360 people, opened at the Plum Creek course in 2009.

More information about the golf club is available at <http://www.plumcreekgolf.com/>.

SMALL FEE FOR USING INFLATABLES AT THE COMMUNITY CENTER

In an effort to keep the Community Center free for all residents, a small fee of \$15 has been enacted for residents using an inflatable (water slide, bounce house, etc.) when renting the community center. This fee helps cover the costs of the additional water and electricity used by the inflatable. Please make checks out to Plum Creek HOA and use separate checks for the security deposit and inflatable fee. Thanks!

Neighborhood Watch: *Beaver Damage Threatens Safety*

Traps Being Set by Texas Wildlife Services in April

The beaver population in Plum Creek has grown substantially over the years, and their dams have created potential flooding hazards in Plum Creek's drainage channels, ponds, and lakes.

Texas Wildlife Services, part of the USDA-APHIS program, will be in our community in the first part of April to help control the beaver population in the lake and drainage areas of Plum Creek. Personnel will be here at various times during the week.

They will be setting traps and posting signs in the trapping areas. Please be careful to not venture into these areas as the traps pose a very dangerous situation when set. Please pay close attention to your children and pets to ensure no one is hurt. Earlier attempts were made to live capture and relocate the beavers, but they proved unsuccessful.

Unfortunately, to ensure the safety of Plum Creek residents, this step had to be taken. It's not an easy decision but a necessary one. Please call HOA office at 512-262-1140 or email Chris at plumcreekmanager@goodwintx.com with any questions.

Helpful tips for your family during flu season

Dr. Tim Kay

- Get your yearly flu shot.
- Wash your hands with soap frequently.
- When using an alcohol-based sanitizer, apply to all surfaces of the hands, including nail areas and between the fingers.
- Cover your mouth and nose with a tissue when you cough or sneeze and clean your hands afterwards. If you don't have a tissue or cloth, cough or sneeze into the inside of your elbow or upper arm.
- Get plenty of rest and drink lots of fluids.
- Disinfect objects that you share with others - such as keyboards and telephones.

PLAYSCAPES AFTER DARK:

Some folks, presumably teens, have exhibited some inappropriate behavior and activity at the playscapes after dark. If you see anyone using the playscapes late at night or damaging them in any way, please contact Kyle PD at 512-262-3232. The HOA is exploring options for added security, including motion lighting and private security.

POOL MONITORS AND REC TAGS:

Once again, the Safety Committee is organizing has organized a group of residents to act as pool monitors during this early spring season. The pool monitors will ensure that children under 16 years old have adult supervision and that all residents have a Rec Tag in addition to their pool key. The Committee's goal is to keep the pools a fun and safe place for all Plum Creek families to enjoy. So REMEMBER... grab your REC TAG and your pool key before heading to the pools. Are you interested in being a pool monitor? For more information, please contact Safety Chair Wyana Eddleman at safety@plumcreektxhoa.com or wyana1@yahoo.com for more information.

POOLS AND LIFEGUARDS:

Remember, lifeguards do not come on duty until late May. During this time, children under the age of 16 are not allowed at the pool without supervision. If you see any underage children at the pool with supervision, please ask them to leave and return with proper supervision. Residents 15 & under must be accompanied by a responsible Plum Creek HOA member, or appointed guardian, 16yrs or older. It is the responsibility of all residents to abide by and enforce the rules fairly when lifeguards are not present. If you see an individual in violation of the rules, politely ask them to stop, or they will be asked to leave. If at any time you feel threatened by another resident or their accompanied guest or if their behavior may cause harm to themselves or others, please report it immediately to Goodwin Management/Plum Creek HOA at 512-262-1140

Deed Restriction Reminders: Weeds, Mildew, & Garage Sale Signs

Spring is here! Grass is green, flowers are blooming, and everything is growing...including weeds! As always, Goodwin Management will be monitoring yards for compliance with the DCCR's. The most common violation notices this time of year are for un-mowed yards and yards that are overgrown with weeds. Please remember to keep your yard and landscaping maintained by trimming, edging, watering, and weeding. Also, if you have mildew on your mailbox or fence, please remember to give them a good cleaning, too. Lastly, garage sales signs may not be placed in the entrances or common areas. Remember, garage sales, lost pets, found items, and more can be placed in the Plum Creek eNews by emailing announcements@plumcreektxhoa.com. With everyone's compliance, Plum Creek can continue to be a beautiful and desirable neighborhood for those of us who call it home!

Status of the Dog Park

It has been exciting to see the response of residents and their dogs trying out the Dog Park! From the looks of the dogs, they are enjoying it, and the residents are visiting and getting to know other dog owners. That's what it is all about...dogs playing with other dogs, and their people visiting and sharing tales about their pets.

As I write this article, the **Dog Park is not officially open**, and some modifications will be made to the layout of the small dog section with more secure latches on the gates of the Park. When the park is complete, we will have a formal opening and blessing of the Dog Park and all its happy critters. That will be announced either in e-news or in the PC Press, so stay tuned.

If you are interested in being a part of the committee and helping us secure the equipment/furnishings for the DP, email us at dogpark@plumcreektxhoa.com with a copy to iscott@austin.rr.com.

Need to Reserve the Community Center?

To make a reservation, please login at www.plumcreektxhoa.com via Login>Residents Login OR request a username and password via Login>Login Requests. Depending on holidays and weekends, it will take 24 to 72 hours for you to receive your login information. Once you obtain your username and password, please enter a valid email address into your profile. You must have a valid email in the Address Book to receive email notifications from the Reservations Calendar.

Once you have your username and password, please login and select Reservations from the top of the menu on the left. At the Reservations Calendar, you can view the available dates and times. To reserve a time slot, simply click on the time requested. Fill out the online request form and all required information. Then, the request will be submitted to Brandee Otto, the Reservations Coordinator. Before being approved, you must submit the required documentation, which can be found under

Documents - Reservations Information. The documentation must be completed and submitted to Brandee Otto, Reservations Coordinator, with your \$75 deposit to cover any mishaps or damages and your \$15 check for an inflatable, if used. If you use an inflatable, an additional \$15 is charged to cover extra water and electricity used. Please make checks out to Plum Creek HOA and use separate checks for the security deposit and inflatable fee. Once your paperwork and checks have been submitted and reviewed, Brandee will approve your reservation, and you will receive a verification email with any additional information and your access code. If no damages occur and the facility is left clean, your check will be destroyed.

If you have any questions about the process or the facility, please email reservations@plumcreektxhoa.com. Again, reservations for the community center will no longer be handled via this email address. Enjoy the new component on the HOA website! Thanks!

Snake Season Approaches

As our gardens awaken, so do the critters, including snakes. As always, please be very careful gardening, playing in the yard, or using the trails and lake, especially in the evenings. Check your porch and backyard before letting your kids or dogs outside. Examine your yard, porch, garage, and driveway, especially near the golf course, a drainage channel, natural area, or construction area. In addition, you may want to discuss the rattlesnake venom vaccine for your dog with your vet. If you spot a snake, leave the area immediately. If you find a snake or other critter and need assistance, you can call PC Resident Kirk Ferguson at 512.709.0442. His assistance is free, but donations are appreciated. Please don't kill snakes other than rattlers, as many of them are non poisonous and keep the rat and rattlesnake population under control. It is always better to retreat from any snake than engage it.
