Volume 6, Issue 4

Official Publication of Riata Ranch Homeowners Association

Hi Everyone,

Happy Spring! I hope everyone enjoyed their Spring Breaks and is getting back into the swing of their routines.

I'm looking for anyone out there that loves to write? I really need someone to contribute to our newsletter with any interesting articles or anything they would like their fellow neighbors to hear.

I'm also interested in any business owners that live in Riata Ranch. I would like to start promoting Riata Ranch business owners to our neighborhood to encourage people to use companies that live right here. If you are a business owner and would like to participate in this please go to www.riataranch.net and go to contact us.

Lastly, Riata Ranch has a Facebook page. Go into Facebook and 'like' it! This Internet connection page is for the purpose of connecting with the residents of Riata Ranch, and the promotion of a safe and secure neighborhood, as well as connecting neighbor to neighbor.

CELL PHONES FOR SOLDIERS

CUB SCOUT PACK 438 NEEDS YOUR HELP!

To a military family, a phone call home is priceless. The Armed Forces Services Exchange operates telephone call centers in Iraq, Kuwait, Afghanistan, and other countries and aboard ships – anywhere service members are deployed. All of these locations stay busy around the clock to keep up communication between deployed troops and their loved ones. But these phone calls are expensive.

How You Can Help Our Soldiers...

By donating your old cell phones and/or accessories, you not only eliminate electronic waste, you help our deployed troops stay in touch with their loved ones. Your old cell phones and cell phone accessories (gladly accepted, but not required) are recycled and their recycled value is used to purchase calling cards for our deployed soldiers.

How You Can Help Our Earth...

Approximately half of the phones collected will be reused – considered the ultimate form of recycling. Functional phones are reconditioned and reprogrammed before being sold to wholesalers from more than 40 countries. Phones that cannot be resold are dismantled and recycled. It's easy to protect the planet and our environment by simply collecting obsolete cell phones and recycling them.

- The average person upgrades their phone every 16 months.
- An estimated 130 million phones will be retired this year in the United States.
- Approx. 202,000 ounces of gold could be recovered if these phones had been recycled.

Call to Action...

Bring your old cell phone(s) and/or cell phone accessories to Post Net located at 12320 Barker Cypress Road #600 Cypress, TX 77429 in the Randall's parking and deposit them in the collection box now through January 31st. Cub Scout Pack 438, in conjunction with Cell Phones for Soldiers, will take care of the rest. If you have questions, please contact Beth Patterson at 281-304-6036 or bethpatterson@gmail.com. For your donation receipt, please visit http://cellphonesforsoldiers.com/media_docs/CPFS_Donation_Reciept.pdf.

Please help our troops by donating your used cell phones and/or accessories today. cellphonesforsoldiers.com rennellpack438.com

Stone Gate Gators *Swim Team*

We would like to invite all young swimmers to come join us for the 2011 spring season. Registration is March 5th-6th from 1-5:00 PM, and late registration on April 6th from 6-9:00 PM. Our 1st practice will begin on April 18th. We practice 4- times weekly, and have (5) inter-divisional meets and 1-final end of season Divisional contest. Registration is open to all of the following subdivisions; Stone Gate, Riata Ranch, Canyon Lakes, Canyon Lakes Villages, Canyon Lakes West, Copper Grove, Copper Lakes, Copper Stone, Copper Village, and Wheatstone.

So bring your kids out for some fun, competitive swimming, as well as meet new friends, (for children ages 6-18). This is a great place to take your child beyond the "water-safe" swim level, with a very low cost.

Please look for a download of our registration information on our website; www.stonegators.org.

Volunteers Needed!

If you would like to volunteer in your neighborhood please go to www.riataranch.net and go to contact us. Without volunteers many of our special functions we hold for our neighborhood cannot take place. The next scheduled event is the BBQ event which needs many volunteers. At this time we have zero volunteers so at this time this fun event might not take place.

If anyone is interested in heading up a special events committee please contact us and you can take the lead on many of these events. You plan the fun and the events.

Sections 6 and 7!

We have picked Stewart Doors to replace section 6 and 7 gates. Estimated completion date should be end of April 2011. By the time you are reading this you should start seeing the removal of the current gates and them being replaced with new ones. If you have any comments or questions please go to our website of www.riataranch.net and go to contact us.

FACTS YOU NEED TO KNOW ABOUT DROWNING

Drowning is the leading cause of unintentional injury-related death in children ages 1-4

DROWNING WILL AFFECT YOU OR SOMEONE YOU KNOW

Drowning is the 2nd leading cause of unintentional injury-related death ages 1-14.

For more information, check out our website at www.colinshope.org

DROWNING CAN STILL OCCUR EVEN IF YOU KNOW HOW TO SWIM

NO ONE is "drown proof" – no matter their level of swimming ability.

Falls, entrapments, and injuries lead to drowning regardless of swimming level.

A majority of people overestimate their own and their child's ability to swim, especially in a panic event.

DROWNING IS QUICK AND SILENT

Drowning occurs in as little as 2 minutes.

Irreversible brain damage occurs in as little as 4 minutes.

Most children are out of sight or missing for less than 5 minutes and usually in the presence of 1 or both parents.

Most children die who are submerged for as little as 6-10 minutes.

Children who drown do not **scream, splash, or struggle**. They silently slip beneath the water, even with adults & lifeguards present.
