#### OUR HISTORY:

Over these past ten plus years we've taken over a hundred trips. The Fairfield Gazette's web-site has back issues available from September, 2004. In order to go back to our beginning, we must thank Kelly Peel of Peel Inc. for locating all our articles from their archives and sending them to us. We now have every article submitted, which enabled us to put together Our History, and a complete listing of all our trips. Just go to Our History in our weekly email to read about our begging and the trips we've taken.

### OUR UPCOMING CRUISE SCHEDULE:

We have put together a cruise aboard the Carnival Magic from Barcelona to Galveston, October 28 – November 13, 2011. This will be a really great trip. Check our web site for details.

### OUR MAY ACTIVITIES PLANS:

**Thursday, May 12:** The Monthly Planning Committee meeting is at 1:00 p.m. at the Lakeside Trails Club House. Everyone is invited to attend these meetings and participate in our upcoming trip plans. We really need to see more participation, especially from those that are taking trips. In fact, without more participation we may be forced to cut back on some trips, possibly one every other month.

Then later, around 6:30 p.m. that evening, we have our Monthly Pot Luck. It is also at the Lakeside Trails Club House. However, plan on being there early. Doors open around 6:00 p.m. for socializing and fellowship. Then stay and join many of our members that stay to play games after the meal and to finish up the deserts.

**Tuesday, May 17:** Game Night at the Cooks' House. It starts around 6:30 p.m. Just bring a little snack and a healthy appetite.

This is always a fun evening with great fellowship. The directions are in the Activity details page on our website and will also be in our April 15 weekly newsletter.

**Thursday, May 26:** Game Night at Lakeside Trails Club House. It starts around 6:30 p.m., and we have plenty of room at the club house. We would like to see you there to enjoy an evening of games and fellowship with us. Just bring a little snack and plan on having lots of fun. There are some card games, some games that the members bring and of course dominoes.

## From the White House

### FRIDAY IS RECYCLE DAY IN FAIRFIELD-

Do you recycle? Homeowners can load their red or green recycle bins with paper products, plastic items and various forms of metals. Not all of Fairfield homeowners seem to be engaged in the recycle process. My block has very active participation in this worthwhile endeavor while a couple streets over there seem to be very little participation. I would encourage anyone interested in participating to call Waste Management (713-686-6666) to request a recycle bin.

### ANNUAL HOMEOWNERS MEETING-

The 19th Annual Fairfield Homeowners Meeting is scheduled for 7:00 to 9:00 PM on Thursday May 19 at Ault Elementary School in the cafetorium. (Enter the west side of the building.) Homeowners will hear the latest updates from AMI, Friendswood Development and other groups involved with Fairfield activities. In past meetings, we have heard from CyFair ISD, the MUD Districts, the Houston Premium Outlet Mall, and other various Fairfield organizations. The annual meeting provides an excellent opportunity for homeowners to become knowledgeable about our community. AMI and the board of directors are diligently working to encourage developers to share at this meeting their latest updates on some of their new projects around Fairfield. Attendees will have the opportunity to win one of

the many door prize drawings so generously donated by our many vendors. Please make an effort to attend this meeting.

### SUMMER VACATIONS-

Have you planned a summer vacation? For those spending the summer at home, several of our neighborhood pools have been replastered and updated with new shade structures. A new splash pad and dog walk is under construction in the center of the area between Mason Road and Fairfield Place and north of Cumberland Road. If your plans are to leave town, there are many choices within a driving distance. A cruise out of Galveston with either Royal Caribbean or Carnival Cruise Lines is an option. In 2012, Disney will also cruise out of Galveston to destinations in Grand Cayman and Mexico. Another really great suggestion is a road trip to Branson, Missouri. This town of 6,500 has 120+ theatres with live shows for all the family. Silver Dollar City amusement park and many large lakes surround this area providing other activities. Branson has many restaurants, motels and hotels to support the best shows outside of Las Vegas at a much more reasonable cost. Have a super summer no matter whatever you choose.

## Fairfield Book Club

The Fairfield Book Club is a terrific way to meet other women in our community, enjoy great conversations, and develop new friendships. We meet the third Wednesday of each month (rotating homes) from 7 to 9:30pm. Book Club members share food and drinks while discussing the book selection for that month. We read all kinds of books suggested by our members - classics, contemporary fiction, non-fiction, biographies, romance, sci-fi, etc. There are no book snobs in our group - we read it all!

If you are a book lover or simply want to expand your reading and social network, please consider joining us. We invite you to attend one of our meetings as a guest or a member. We currently have openings; however, because we hold meetings in our homes, membership is limited. For membership inquiries, please contact Linda Locke by email ([linda15226@yahoo.com](mailto:linda15226@yahoo.com), subject heading "Book Club") or by phone (713-298-6514, evenings only).

### \*REVIEW OF MARCH BOOK SELECTION\*

Delta Girls: A Novel by Gayle Brandeis

Brandeis' latest novel follows the stories of two women. Izzy and her young daughter, Quinn, roam the country as migrant fruit pickers, constantly running from Izzy's secret past. Meanwhile, emerging 17-year-old figure skater Karen becomes romantically involved with her charming skating partner, Nathan, as together they pursue their Olympic dreams. The Fairfield Book Club gave this "light summer read" mixed reviews. As the rather predictable connection between the two story lines reveals itself, the plot of *Delta Girls* becomes increasingly far-fetched. While entertaining, Book Club members agreed that the rather contrived ending of *Delta Girls* left much to be desired.

## TEAM TIARA AND FAIRFIELD SPORTS ASSOCIATION

*Build First Girls' Softball Field Dedicated to Breast Cancer Awareness*

Team Tiara Foundation (<http://www.teamtiara.net>) has teamed up with Fairfield Sports Association to build the first ever girls' softball field dedicated to breast cancer awareness. Opening Day Ceremonies for the field were Saturday, March 26.

"Hope Field" is located at the back of the of the baseball and softball complex formerly known as the "Hill." Fairfield Sports has 230 girls ages Kindergarten through 5th Grade in the softball league. Last spring, the Hope Field Committee asked Team Tiara to partner with them in this venture, giving the field a breast cancer awareness theme.

Sarah Costigan, a second grade student at Swenke Elementary, threw out the first pitch. Sarah lost her Mom Lora to breast cancer on February 12. Lora was only 43.

"Hope Field definitely has a pink theme," says D'Lyn Biggs, Team Tiara Founder. "We have a pink scoreboard, pink ribbons in the outfield and pink bases."

"This partnership has been a timely one," Biggs continues. "Recently the news reported a link that tied childhood obesity to early puberty and a higher incidence of breast cancer. Researchers are working to determine if there is a link between the three.

Early puberty can affect a girls' self-image and behavior."

Hope Field's mission is to help parents begin an age-appropriate line of dialogue with their daughters -- about how important it is to stay healthy, to take care of their bodies and to be aware of any changes. It's not an easy discussion to have, but it is a necessary one. While breast cancer is traditionally seen as a disease that affects older women, that isn't always the case. Girls as young as five years old have been treated for breast cancer.

It doesn't stop there. The Women's Sports Foundation ([www.womenssportsfoundation.org](http://www.womenssportsfoundation.org)) has some great information on the benefits of team sports for girls. Team sports help build self-esteem. They keep kids healthy. And strong. Staying healthy and incorporating daily exercise comes around to decreasing the instance of breast cancer.

•As little as four hours of exercise a week may reduce a teenage girl's risk of breast cancer by up to 60%; breast cancer is a disease that afflicts one out of every eight American women. (Journal of the National Cancer Institute, 1994)

"We need Hope Field," says Suzi Bruin, Fairfield softball parent and Team Tiara

member. "We need the lasting impact it will have on our children. We need it here, and we need it in neighborhoods across the country. We think this is the start of something big. And we know that many times Something Big starts out small."

Hope Field has truly been a neighborhood effort. Neighbors joined together to support snow cone stands and bake sales. A poker tournament, triathlon, individual and corporate donations also help fund the field.

"We came together as a community and in doing so taught our children a valuable lesson," says Brian Roberts, Chairman of the Fairfield Sports Association, "That when you see a need, it's up to you to make it happen."

You can find out more about Team Tiara and their mission of breast cancer research, awareness, education and direct support of men and women battling this disease at [www.teamtiara.net](http://www.teamtiara.net).

### HELP BUILD HOPE FIELD, CONTINUED

**About Team Tiara** - Team Tiara began in 2006 as D'Lyn Biggs and Lisa Harrelson walked in the Susan G. Komen 3-Day for the Cure, in honor of D'Lyn's Mom, Sue Stephens. In 2007, Team Tiara walked in her memory. The team has raised over \$450,000 in six years. Team Tiara's goal for 2011 is to raise \$250,000 with 100 walkers. Team Tiara is operating as a tax-exempt corporation under section 501(c)(3) of the United States Internal Revenue Code. For more information, visit [www.teamtiara.net](http://www.teamtiara.net).

## Local Bluegrass and Old Time Music Jamming

Bluegrass music jamming in Cypress (Fairfield Subdv.) is growing. We are just about to out-grow our house. We enjoy the Jamming and camaraderie so much that we don't mind being a little crowded. All pickers are invited to get that instrument out of the attic, clear your throat, get some songs you want to play/work-on, and come, join the circle and have fun. If you would like to just listen, we would be happy to see you also.

The typical format for the jam is, after everyone tunes their instrument, each person in the circle, in turn, may either suggest a tune for the group to play or pass to the next person. The person that suggests the tune may either lead the singing or ask someone else to lead the singing if they are not comfortable leading. The lead singer gets to select the musical key for the song. If the tune is an instrumental, then the person that suggests the tune announces the key and starts (kicks-off) the playing. Other instruments take turns playing a portion of the tune (called taking a "break" or a "ride"). Sometimes the tune is ended by all playing the tune together. The signal used by the leader to communicate the approaching end of the song is to kick up one foot. To ensure a good time is had by all, being considerate of each person in the jam is very important. For example, a considerate jammer will try to blend in with the others by keeping the established tempo, not singing or playing too loud, and giving others adequate space and a chance to play.

In our jam, players may bring their song lyrics, chords, and music stands. In some more advanced jams, the players typically know their tunes "by heart" and music sheets aren't used. However, as tunes are repeated over a period of time, many of our jammers have memorized them, and that is a good thing. If you listen close you will hear "that was a good lick," or "boy you nailed that one."

Most of the time our trips are based on when and where Tony can find a Bluegrass Jam or Festival. He manages to find them all. Even our professor son will accompany him when we are in Arizona. I guess that is a little togetherness.

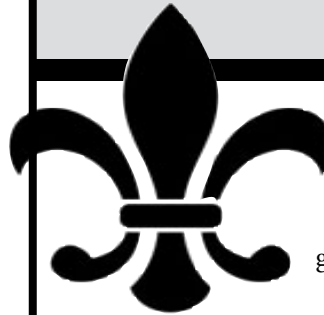

We have added an interesting new venue for our Jammers. The Jam will be at Spring Creek BBQ in Cypress on the 2nd and 4th Monday of April and May at 6:30 to 9: pm and we will meet in Fairfield on the 1st and 3rd Monday, from 7: to 9:30 PM of April and May. We will give you the rest of the dates for 2011 later. For more information please call: 281-373-1777. Come a little early and have some great BBQ with us.

## The MOMS Club® of Cypress / NW-Fairfield

*Moms Offering Moms Support  
Welcomes all Stay-At-Home Moms in Fairfield and Lakes of Fairhaven*

MOMS Club® is an international organization with a neighborhood feel! We are teachers, business women, counselors, chefs, CPA's and artists who have put those careers on hold and have made the choice to stay home with our kids.

MOMS Club® is a place to find friendship, support, playmates and sisterhood!

ALL events include our children and we believe there is something for every mom out there! Are you looking for park days, coffee breaks, lunch outings, (free) babysitting co-op, craft projects, time to sit and chat, cooking club, book club or someone to share dinner with when your husband is traveling or working late? We even find the time to meet once a month for a mom's night

out for a great time to unwind. Or are you interested in helping within the community with service projects? We have that! (And a whole lot more!)

Here we are again...it's almost summer already! The kids are going to be out of school before we know it. The MOMS Club has lots of fun summer time activities in the making. Do you have young children and are looking for some fun things to do? Come join other moms and kids in many great outdoor and indoor activities. Are you new to the area or a new mom and need a friend or support; we are here for you. Don't let yourself feel isolated being a stay at home mom. You can attend two events before joining. Our membership fee is only

\$20 a year. The MOMS Club is a great opportunity for you and your kids to make new friends in our area. Come visit our next all-member meeting and see for yourself! There is a lot of fun and support just waiting for you! Our next meeting is Tuesday, May 10th at 10AM at Fairfield Baptist Church, Room 208, located at 27240 Highway 290 in the front of Fairfield. We provide snacks and toys, and often have a guest speaker at our meetings discussing topics like finance, health, organization and other popular topics. As always, children welcomed!

## SWIM SEASON & POOL NEWS

### IMPORTANT NEWS About Fairfield Pool Usage For The 2011 Season

This season the Fairfield swimming pools, dog park, pavilion and splash pad will have card access entry with cameras. There will be no pool tags at Fairfield this year. If you have obtained an access card for the Fairfield Athletic Club in the past, this can be used at the pools this year. Lakeside Trails pool will be a swim at your own risk pool this year with NO lifeguards. In order to obtain access to Lakeside Trails pool waivers must be signed at the Fairfield Athletic Center. If you do not have an FAC access card, an application for pool access must be filled out by adult residents and turned into the FAC. Please note that both association dues must be in good standing. No payment plans will be accepted for pool usage. When submitting the application, proof of residency must be presented. If renting the home, please bring a copy of your lease agreement. New access cards can be picked up at the FAC on the following times: Monday through Friday 3:30 p.m. to 8:00 p.m., Saturday 11:00 a.m. to 5 p.m. and Sunday 1:00 p.m. to 5:00 p.m. The FAC is located at 16055 Mason Road. Swimmers under 18 years must be accompanied by an adult.

### What's New for the 2011 Swim Season?

The Fairfield Pool Committee has been very busy preparing for the 2011 swim season. We would like to thank all of you who returned the surveys that were sent out last year. After review of the survey results and comments, the Fairfield Pool committee is excited to announce a couple of changes for 2011.

In response to the community requests for a SAYOR (Swim at Your Own Risk) pool, we are happy to implement this change at the Lakeside Trails pool. Lakeside Trails SAYOR pool will be open for extended hours this summer. The exact hours will be announced in the near future. Please note that there will be NO lifeguards on duty at the Lakeside Trails pool for the 2011 swim season. We will require a separate waiver before pool access will be granted.

As a result of this change and the safety of the community, we will also implement a new electronic access card system to use for entrance to this pool, as well as all other Fairfield community pools, FAC weight room and new park opening in spring/summer 2011. The cards will replace the old swim tags and will be issued to property owners who are up-to-date with Fairfield and Neighborhood Association dues. It could take up to two weeks from receipt of final payment to issue cards. There will be more information to follow on the access levels and method of issuing these cards. Residents who currently have a card for the FAC weight room will be able to bring their card into the FAC to have the cards activated for the pools. A waiver will need to be filled out for access for the SAYOR Pool.

The Fairfield Pool Committee wishes the community a safe, fun 2011 swim season!

## OVERCOMING BARRIERS TO EXERCISE

*Enjoyment, Time, & Know How*

*By Sarah S. Jordan, MS*

We live in a busy world where creating and sticking with a regular exercise routine can be challenging. Many obstacles can stand in the way of our routine, including the enjoyment factor, time, and exercise know-how. But with a little creativity, planning, and dedication, the rewards can be oh so sweet! (Not to mention life changing.)

### **1st Barrier - I don't enjoy exercise.**

For some people, exercise is simply not enjoyable. Think about what you did as a child as "play." Most likely, you enjoyed doing it. See if you can weave that into your workouts to make them more fun. Or make it social by exercising with a workout buddy or in a group setting.

Whenever I have people tell me that they just don't find exercise enjoyable, I work hard to find a mode of exercise that they do enjoy in order to get them started. Once they are moving more, eating smarter, and feel their hard work and activity paying off, it is much easier to find other modes of exercise to challenge them and help them see results. And I love watching exercise become fun for them and the thing that they look forward to in their day!

### **2nd Barrier - I just can't find the time.**

If there is one thing that I have learned about my workouts since becoming a mother, it is that they will not happen if I wait for the time to open up in my day. I have to create, devote, and stick to the time I make for them. Here are some tips for making more time for exercise:

- ANY exercise is better than none. Even if you just have 15 minutes, take it. Your body and mind will be glad you did, and 15 minutes a day can add up to great things over time!
- Put exercise on your calendar and treat it like you would a mandatory meeting.
- Find a reliable workout partner. This not only makes workouts more fun, but it holds you accountable to show up.
- Invest in a personal trainer. They can create an individualized workout plan that fits your lifestyle and goals, and equip you with an incredible amount of education on healthy living.
- Make use of the early hours. Getting workouts in before the busy

## Overcoming Barriers - (Continued from Page 50)

day kicks off ensures that they happen, and the entire day will be so much better because of it!

- Make it a family tradition. What a cool thing to expose our kids to - families moving together!
- Find what works for YOU. For some people, joining a gym is the most convenient option. If that is not realistic for you, find other activities, classes, and opportunities in your area.
- Don't give up. If you are not reaching your goals, determine what is not working and create a roadmap to resolve it. Remember that fitness is a lifestyle and it goes through ups and downs, but always benefits us if we persevere.

The other important thing is to make the time we do have count in the biggest ways possible. If we have just thirty minutes three days a week to exercise, it is essential that we step up the intensity of those workouts to get the most we can for our time. If duration is short, we need to increase intensity. Add intervals and hills to your routine, or find a fitness class or DVD that offers a combination of cardio and strength training.

### 3rd Barrier - I don't know how to exercise.

In today's world, exercise videos and how-to's are literally at our fingertips online. We also have options for FitTV, DVDs, and opportunities at gyms, studios, and parks around town. Finding

what works for your schedule and lifestyle is essential, so test a few things out before you commit.

Here are some options for gaining exercise know-how:

- Talk to your doctor to get recommendations and approval when starting an exercise program.
- Use credible online resources. One that I use often is the "ACE Get Fit <sup>TM</sup>" section at [www.acefitness.org](http://www.acefitness.org).
- Put it in the hands of a professional and take out the guesswork by hiring an experienced personal trainer, or get involved in some group fitness classes.
- If you have a friend that is very fit and knows a lot about exercise, ask him/her if you can join them for their next exercise session.

*We all know that it is not easy to make time to exercise. But we have the power to make choices that can shape our future based on how much we move now. Sometimes all it takes is one step in the right direction.*
