## Pool Committee Updates *Do You Still Need a Pool Card?*

The last day that the Pool Committee will be processing Pool Cards for residents is Thursday, June 2, 2011 from 6:30 PM to 8:30 PM. If you have not gotten your Pool Card or 2011 Validation Stickers by then you have the following two options:

- 1) You may do so by going to C.I.A. Services' Humble Office. CALL FIRST to verify the days/times that they process pool cards. (281-852-1700)
- 2) You may go to the Clubhouse during one of the days/times that a representative will be there to assist you. See pg. 14 for details.

Whichever option you choose, please remember that you will still need to meet the same criteria in order to get a new Pool Card or validate an existing one. Please review all information on obtaining your 2011 Pool Cards and/or Validation Stickers online at: [www.INSIDEEAGLESprings.com](http://www.INSIDEEAGLESprings.com).

All family members who need a new Pool Card must be present in order to have their photo taken. This includes: new residents, additions to the family since last year, and those who turned 13 years of age in 2011. This applies to either location.

## CONSTABLE'S CORNER

by Sgt. Bloomfield, Harris County P-4 Constable

**During the summer months property crimes  
INCREASE especially auto burglaries!**

*This month I have included an excerpt from the  
University of Oklahoma's Police Department which  
provides some very useful tips for preventing auto burglaries.  
Let's all have a Safe & Crime Free Summer!*

### AUTO BURGLARY PREVENTION TIPS

Auto-burglary prevention, like all crime prevention, involves limiting the criminal's ability and/or opportunity to commit the crime. With very little time and effort, you can make a huge difference in your vulnerability to auto-burglary.

It generally takes a mere few seconds to secure your valuables, but it will take only a few seconds more for a thief to break in and steal valuables left in plain sight.

The first thing you can do: *Don't leave valuables in your car* - particularly not in plain sight!

#### Are your valuables **VISIBLE**?

*Don't be the next car burglary victim!*

The last thing you need is to find your vehicle's window broken or items missing. We suggest taking these simple but important steps to maintain your car's safety:

**Don't leave valuables in your car.** That sounds like "common sense", but drivers/passengers do leave items of value in plain view every day. If you leave valuable items visible in your car, your car is automatically a target.

If you must leave valuable items in your car while out and about, place items out of sight before reaching your destination or move them inconspicuously. This includes packages, backpacks, gym bags, GPS units, MP3 players, and so forth. Someone may be watching when you put items under a seat or throw something over them. An opportunistic thief is on the lookout for trunk-packing, and can break into your car the minute you're out of sight.

If you can't take them with you, at least lock the items in your glove compartment (if capable of locking and large enough) or your trunk (if you have one).

One reason SUVs and pickups are common auto-burglary targets is because they don't have a "trunk" to hold valuables — the driver/

passenger generally just "hides" their valuables "out of sight." The thieves know this, and do check glove compartments, behind seats, and under seats. It only takes a few seconds to check all the "usual" hiding places.

Unobtrusively locking everything valuable "in the trunk" (if you have one) may be difficult when you're combining errands at multiple destinations. Certainly avoid leaving packages or shopping bags visible in your car — lock them in the trunk out of sight if you have to leave packages in your car unattended. Plan your shopping/errands so that you don't load your trunk until you are ready to drive to another destination; never open a trunk, fill it full of valuables, close it, and then just walk away.

Taking advantage of free home delivery offered by many merchants is one way to protect your purchases while making your shopping far more enjoyable.

Keep your car in good operating condition and always have plenty of gas to get "there and back" (it costs no more to keep the top quarter of the tank filled than to keep the bottom quarter-tank filled!); you don't want to have to leave your car (and valuable contents) sitting along the side of the road if that can be avoided.

Once home, unload your valuables immediately. Do not store valuables in your car any longer than necessary, and certainly never overnight.

If your trunk can be opened from inside your car without a key, lock this feature when you are not in your car or have it disabled, if possible.

**Leave no trace.** Don't leave any "sign" that there might be valuables "out of sight" in your vehicle, such as docking stations or connector cables. Leave nothing in "plain sight" that might make your vehicle worth "investigating" by a thief; not even loose coins or a CD.

Just leaving an empty docking station in plain sight, even if you've taken the high dollar component with you, may end up costing you hundreds of dollars to replace a broken window because the thief

## Happy Fathers Day Eagle Springs SURPRISE DAD

### WITH SOME HOUSTON ASTROS TICKETS!

As we head into June, I'd like to take this opportunity to wish all the Fathers a Happy Father's Day. A father's role is very important to the family so make this a special day for him. My thoughts and prayers are with those that no longer have their Father or have a Father that may be ill or in harms way.

This year in honor of all Eagle Springs Fathers, I am offering a drawing for 4 tickets to the Houston Astros game on Saturday July 2, 2011. The Astros will be playing the Boston Red Sox. Send an email to [rsnipp@century21outstandinghomes.com](mailto:rsnipp@century21outstandinghomes.com), include in the subject box (Astros-Red Sox tickets) and your name, phone number and address in the body of the email to be entered into the drawing. Only one entry per household will be accepted and there will only be one winner. The drawing will be held on June 20, 2011 at the office of Century 21 Outstanding Homes and the winner will be notified so they can pick up their tickets. Please note, your contact information will be kept confidential and we will not spam you.

Summer time is one of the peak times when buyers and sellers come into the market. As A Buyer Agent, I can sell any listing or new build, at no cost to the Buyer. If you have a home to sell, please allow me the privilege of speaking with you about listing your home for sale. I offer a FREE local move to my clients, "restrictions apply" call for details. We realize you have a choice and appreciate the opportunity to earn your business. Take time to make some great memories this summer with family and friends.

# EAGLE SPRINGS

## Constable's Corner - (Continued from Page 4)

wanted to check your car for "hidden" valuables. Very few auto break-ins are "random" — the thieves see "something" in plain sight that's valuable, or hints of possible hidden valuables.

If you have an after-market stereo/CD-player with a removable faceplate, remove it. Without the faceplate, the unit is less attractive/useful to many thieves, and harder to "fence." If the unit can be pulled, pull it! Take it with you. Just covering a valuable radio (or ANY valuables in your car) with something (like a blanket or towel) to hide it will probably only draw thieves' attention.

**Try to park in busy, well-lighted areas.** Try to park in well-traveled areas. Large anonymous lots are hit by thieves much more often than parking immediately adjacent to residential housing or other occupied buildings. On a busy campus, day or night, "picking" your parking spot is easier said than done — but try to choose a well-lighted, visible, parking spot where there is lots of vehicular and pedestrian movement when possible. Auto-burglars prefer breaking into cars where they will not be observed or attract notice, and choose their targets accordingly.

**Lock ALL your vehicle's doors.** Even if you plan to be gone for only a brief time, lock them. Every year, we have items stolen from unlocked vehicles where the owner was only going to be gone "just for a second". It only takes seconds to steal your stuff! It's not at

all uncommon for thieves to walk down a row of parked vehicles and check vehicle doors to see if they are unlocked. Don't leave any window open or even cracked open, including vent/wing windows and sunroofs.

**Set any alarm or anti-theft device.** If you have one, use it! Many people believe that car-alarms no longer make a difference, but they can be an effective deterrent to an auto-burglar, who most often chooses the easiest target. If a burglar has two cars to choose from one with an alarm and one without, they will likely burglarize the one without an alarm (unless you've left out valuables just too good to ignore!)

Locking your car and setting your alarm is just part of the solution. Even if locked and alarmed, if you leave valuables (or the hint of valuables) in plain sight, a thief may target your car, even knowing it's locked and alarmed. But, without a clear prize in sight, a locked/alarmed car will likely be bypassed for an easier "target of opportunity".

Don't think your dark tinted windows will hide your valuables. Thieves often use flashlights to see through tint, and after-market tint is handy to keep all the broken glass in one "sheet" when they break out your window (and toss the broken window into your back seat or passenger seat to hide the evidence of the break-in from passersby.)

**Constable's Corner - (Continued from Page 6)**

Don't use "hide-a-keys". Thieves know the best places to hide those. But remember, just "locking" isn't enough. Keep your car OFF the target list of the thieves by keeping all hints of valuables totally out of sight. If they see something tempting, they certainly can break in.

**What Items are Most Commonly Stolen from Vehicles?**

- Backpacks, gym bags, briefcases, day-planners
- Cash/coins, checkbooks and credit/debit cards
- Wallets and purses (even when hidden under a seat or in an unlocked glove compartment)
- Laptop computers, iPods and MP3 players, (and docking stations)
- Cell phones (and chargers)
- Portable GPS navigation systems
- Stereo/CD players (and faceplates), amps, speakers (even when bolted down!)
- Jewelry, keys, mail (identity theft), tools
- Anything of obvious value

**Mark your valuables!**

As a last line of defense (not really to prevent theft as much as to aid in recovery), mark your valuables. Recording serial numbers is dandy, but nowadays many serial numbers are on removable "labels" rather than "engraved" into valuable items. Also, a serial number doesn't "directly" link you to your stolen property. We'd suggest inscribing/engraving a "personal identifier" on all valuables.

Don't use your social security number (identity theft) — use your driver's license (DL) number, prefaced by your DL "state". With that marking, any police officer can trace your valuable back to you, wherever it's recovered, and the chances of being reunited with your stolen valuables is dramatically increased.

## Safety Advisory Committee Updates

### RadKIDS

We will be hosting the RadKIDS program again this June 13th – 16th at the Clubhouse. The program is FREE, however registration is required! Online registration is available at: [www.INSIDEEAGLESprings.com](http://www.INSIDEEAGLESprings.com). Space limited. LAST DAY TO REGISTER IS JUNE 5th or when class is full. We are in need of a few volunteers to help, if interested please contact: [help@INSIDEEAGLESprings.com](mailto:help@INSIDEEAGLESprings.com).

### Speeding in Eagle Springs

With school out for the summer, our kids are out playing throughout the day and into the evening hours and our pools and recreation areas are busier than ever! Please remember to SLOW down and drive safely through our streets and neighborhoods and watch for pedestrian and bike traffic.

### Neighborhood/National Night Out

It's not until October 1st, but our committee is already busy planning for this year's celebration. Please join us and share your ideas on making this year's event a huge success or volunteer to be a community leader by organizing your street/block party this year. It's a great way to get to know your neighbors!

For the most up-to-date information about the Safety Advisory Committee, please log-on to: [www.INSIDEEAGLESprings.com](http://www.INSIDEEAGLESprings.com) and go to the Safety Advisory Committee's page (under the Groups Tab).

We meet in the Clubhouse from 7:00 to 8:30 p.m. on the 4th Thursday of the month. Our Constable Patrol Supervisor is in attendance to go over current crime trends and answer any resident's questions or concerns. For immediate questions or concerns, please contact us at: [SAC@SafetyAdvisoryCommittee.com](mailto:SAC@SafetyAdvisoryCommittee.com)

# Harris County Burn Ban

**There is currently a burn ban in effect for the unincorporated areas of Harris County.**

Harris County Commissioners Court enacted a burn ban on April 19, 2011, effective for 90 days, due to an increased threat of wildfires across Harris County. There are now 202 Texas counties with burn bans, including Harris, Chambers, Grimes, Liberty, Montgomery, and Waller counties.

No outdoor burning is allowed except in an enclosure which contains all flames and/or sparks, outdoor burning activities authorized by TCEQ, approved ceremonial fires, non-commercial cooking, and prescribed "hot work". Backyard cook-outs and barbecues are also allowed, as is welding and other "hot work" performed in accordance with county fire code requirements.

Violation of the ban is a Class "C" misdemeanor, punishable for up to a \$500 fine. In addition, any person who starts a fire that causes damage to property without the consent of the owner may be charged with Reckless Damage or Destruction, a Class C misdemeanor, or Arson, a felony.

# EAGLE SPRINGS

## FROM YOUR MANAGEMENT TEAM *Those Pesky Mosquitoes!*

Mosquito season is upon us - Cypress Creek Pest Control started regular fogging for Eagle Springs in April.

Please remember to turn over buckets or other items that may collect water to avoid mosquito breeding. Also, clean out rain gutters. Dirty rain gutters can hold water and are a prime location for mosquitoes to breed. Empty and refill bird baths, pet water bowls, etc... at least every other day to prevent breeding.

Not only do mosquitoes bite, but they can carry disease, primarily West Nile and Saint Louis Encephalitis, which can affect both humans and pets.

**ARE YOU RAISING MOSQUITOES IN YOUR YARD?**

Clear out rain gutters.

Keep tight fitting screens on doors and windows.

Properly maintain swimming pools, wading pools and spas.

Stock ponds with mosquito-eating fish.

Avoid over-watering plants and lawns.

Don't feed the storm drain. Sweep up lawn clippings, leaves and trash from sidewalks and driveways.

Birds can carry West Nile virus & Saint Louis Encephalitis. Report dead birds to (713)-440-3036.

Change bird bath water weekly.

Repair leaking faucets.

Eliminate standing water from tires, pet bowls, etc.

Wear long sleeves & pants at dawn & dusk when mosquitoes are active. Use mosquito repellants.

## REPRESENTATIVE AT CLUBHOUSE

A representative will be available at the Clubhouse again this year, on Saturday mornings and Monday afternoons, during the dates and times below to assist new residents and those who still need Pool Cards, Validation Stickers, or Electronic Access Devices. Please see criteria necessary to obtain these items. All information is located under 2011 Pool Information at: [www.INSIDEEAGLESprings.com](http://www.INSIDEEAGLESprings.com).

**Checks, Money Orders or Exact Change Only - No Credit/Debit Cards  
(Rep does NOT carry cash and is NOT able to make change)**

The representative will be able to answer questions, or direct the resident to the correct person to help them, and will be able to take care of validating or issuing Pool Cards, Guest Cards and Key-Fobs/Electronic Access Devices.

Residents may also go to C.I.A. Services' Humble office for this service; however they do charge an additional fee for this service. Please call 281-852-1700 for the dates and times C.I.A. Services processes pool cards.

**\*All dates and times listed are subject to change as necessary\***

**\*Every effort will be made to keep the Online Schedule current\***

*Online Schedule is located at:*

*[www.INSIDEEAGLESprings.com](http://www.INSIDEEAGLESprings.com) under Pool Information*

Should lines become long, the Representative reserves the right to close the doors to additional residents in order to complete the processing of those that are already in line and exit the Clubhouse as scheduled.

## SMART METERS COMING TO EAGLE SPRINGS!

*You may have noticed, smart meters being installed around Eagle springs!*

CenterPoint Energy recently installed its one millionth electric smart meter, a Milestone which marks the midpoint in the Houston-area smart meter deployment

Less than two years after beginning the installation of smart electric meters in the Houston area, Centerpoint Energy has installed its one millionth meter. The company began installing Itron Open Way smart meters in March 2009 and is on schedule to complete the installation of more than 2 million system-wide by mid-2012.

Electric smart meters are part of Centerpoint Energy's system of integrated smart technologies, designed to give consumers more control over their energy consumption while improving electric reliability and power restoration.

Smart meters are read remotely, minimizing the need to go house-to-house. Smart meters

will also automatically notify Centerpoint Energy about outages to help the company restore power more efficiently. In addition, consumers who have already received their smart meter no longer have to wait for their bill to access their electric consumption information. After a two-month acceptance period following the installation of a smart meter, consumers can get detailed information on their electric usage by visiting [www.SmartMeterTexas.com](http://www.SmartMeterTexas.com). Consumers also will have the option of purchasing an in-home display energy monitor, providing them with up-to-the-minute usage information and allowing them to change their consumption behavior to save electricity and money.

**To receive e-mail updates on the Energy InSight program and to get monthly energy efficiency tips, visit: [www.CenterPointEnergy.com/insights](http://www.CenterPointEnergy.com/insights).**

*Information provided by Centerpoint Energy.*
