Official Publication of the Shadow Creek Ranch

Volume 3, Issue 6

Greetings Residents!

It's summer, it's pool time, it's hot and the grass is growing! I'll start out by saying to all, enjoy the warmth of the sun, the tempting smell of the neighbor's barbeque and the laughter of children in the pools.

Now, many of you have had many question/s and concern/s. I'm going to address a few of your concerns in this issue.

1. **Yard Maintenance** – During the spring, summer and beginning of fall your lawns should be mowed and edged weekly in order to maintain a manicured look. You want the homes in your neighborhood that are for sale to be sold – do your part in making your neighborhood attractive. Keep your property looking its best. You can't let the weeds take over your lawn, your shrub beds, your tree beds etc. Take pride in your home. Weed, edge, and please trim your hedges. If your trees are hanging over – a little snip will bring them right back to looking sharp. When you've got a pile of trash bags filled with lawn clippings please treat them the same as you would regular trash. Put them out no earlier than 7pm the night before pick up. Some of you have some dead spots on your lawn. In this issue there are some tips on how to bring your lawn back to life. Remember, the lack of maintenance to your home is against deed restrictions.
2. **Mildew** – also against deed restrictions. You can rent a power washer or hire a professional.
3. **Inoperative vehicles** parked in your driveway or on the street are also against deed restrictions.
4. **Boats, Jet Ski's and trailers** as well as commercial vehicles stored in public view – against deed restrictions.
5. **Building** a shed, play structure, painting your fence, house, and or changing out major plantings in your front yard without submitting an *Architectural Review Application* (may be downloaded at www.shadowcreekranchhoa.com) – against deed restrictions.

6. **Parties** – hey – it's the summer! Enjoy the fellowship of your friends, the beauty of your homes and the breeze of a summer eve. Just be courteous to your neighbors. Keep the noise level down and encourage your guests to park their cars in a manner that is respectful to others. Don't block sidewalks. Leave room for your neighbors to get home.

7. **Lakes** – The lakes in Shadow Creek Ranch are strictly for your visual enjoyment. There is absolutely no fishing, boating or swimming allowed. Misuse of the lakes can be considered trespassing.

8. **MOST IMPORTANT** – if you receive a letter from us, or if you know that there is something on your property that is not in accordance with the deed regulations and you have a problem tending to it right away please do not hesitate to contact us. We do understand that things come up and there are extenuating circumstances that sometimes prevent us from getting “right to it”. However if we do not hear from you and have sent correspondence with no reply or correction then we will assume that you are ignoring the issue and in that case we will proceed to our fullest allowance.

OKAY, the pools are open. Here's the deal! Yes you must have an access card to get in. Four (4) people are allowed with one card or fob. If you slide in behind someone and are asked to show a card and are unable to provide one, you will be asked to leave the pool area. Parties are allowed however, parties during normal operating hours may not entertain more than 10 people and you must call Poseidon Pool Company at 281-338-7665 at least 2 weeks prior. After hours private parties must also notify the pool company. All forms, available dates and further information on Clubhouse Rentals and pool schedules can be found at www.shadowcreekranchhoa.com.

DUES – many of you ask what your dues pay for. Some of you are unaware of the village breakdown. Your assessment receipt/statement shows the village you live in. SCR is made up of four villages with separate associations and an “umbrella” maintenance association.

You either live in – Village of Emerald Bay, Village of Diamond Bay, Village of Biscayne Bay and the Village of Reflection Bay. A portion of your dues goes toward the specific village you live in. The rest goes towards the Shadow Creek Ranch Maintenance Association, referred to as SCRMA. What does your money pay for? Common area maintenance such as the fountains which come with electric and water bills, your landscaping, trees, flowers, mowing, edging, fertilizing, irrigation etc, the lake maintenance, your recreational center amenities, park benches, pool management, your homeowners association management, taxes, general maintenance, administration to maintain daily business operations etc. If you have any questions regarding this or anything else please email me – Bobbie Lopez at blopez@amitx.com. I will be happy to assist you.

What is the role of the HOA – your managing agent? AMI, as your managing agent, collects homeowner assessments and makes disbursements as instructed by the Board of Directors of your association. By working with your contractors we ensure that the plans of the Board are carried out, both for the day to day running of the Associations, and also for the long term future of the Association. Greetings Residents - (Cont from Page 2)

What is NOT the role of the HOA? To tend to wildlife in SCR; to assist homeowners with personal politically motivated issues; to plan or implement privately run events and functions; to interfere with neighbor to neighbor conflicts that are not against deed restrictions. While we are happy to point you in the right direction when we can, there are limits to our role in Shadow Creek Ranch. Please understand that if we are unable to solve an issue for you, it is only because it is not within our power to do so.

We hope you have found this information help and please do not hesitate to contact us!

NO FIREWORKS IN SHADOW CREEK RANCH!

Deed restrictions in Shadow Creek Ranch prohibit the use of all kinds of fireworks. The City of Pearland, by ordinance, also prohibits fireworks use. PLEASE DO NOT BRING FIREWORKS INTO Shadow Creek Ranch. The upcoming Fourth of July holiday is a great time to celebrate your patriotism, but not with illegal fireworks. All fireworks are hazardous and can cause serious injury and major property damage. They are rated as the "RISKIEST" of all consumer products and the illegal use of fireworks is a matter of public safety.

The safest way to enjoy Independence Day is to attend a professional fireworks show that's staged well out of the way of spectators, rooftops and dry brush. In Pearland, both the Police and Fire Marshal will be patrolling all areas of the city to prevent and stop illegal fireworks in our communities. Please help all residents by reporting illegal fireworks use in Shadow Creek Ranch. Call the Police Department at 281-997-4100 or the Pearland Fire Marshal's office at 281-997-4316. Please be as accurate as possible in the location of the illegal fireworks including the address of the property in question. Your name will not be used in the investigation of fireworks violations.

Violators of the fireworks ban will receive criminal citations and fines as high as \$2,000. Appearance in front of a judge may be expected and other judgments may be rendered based on the seriousness of the offense.

Shadow Creek Ranch deed restrictions are meant to protect all of our residents. However, they only work well if they are obeyed and enforced. Please support our Homeowners' Association by becoming familiar with all of the deed restrictions so that we can have a safe and beautiful community. Please call the numbers listed in the newsletter for any questions you may have regarding the fireworks ban or other issues.

CODE OF ORDINANCES, CITY OF PEARLAND

ARTICLE IV. FIREWORKS

Sec. 10-78. Illegal fireworks as nuisance; seizure and destruction.

The presence of any fireworks within the city and within the area immediately adjacent and contiguous to the city limits extending for a distance outside of the city limits for a total of five thousand (5,000) feet, in violation of this article, is hereby declared to be a common and public nuisance. The fire marshal is directed and required to seize any fireworks found in violation of this article and any authorized

deputy of the fire marshal, or any police officer of the city or any other duly constituted Texas peace officer is empowered to stop the transportation of and detain any fireworks being transported illegally or to close any building where any fireworks are found stored illegally until the fire marshal can be notified in order that such fireworks may be seized in accordance with the terms of this article. Notwithstanding any penal provision of this article, the city attorney is authorized to file suit on behalf of the city, the fire marshal or both for such injunctive relief as may be necessary to prevent unlawful storage, transportation, keeping or use of fireworks within the city or such five-thousand-foot area. It shall not be necessary to obtain injunctive relief as a prerequisite to the seizure of fireworks. This section shall not apply within any portion of such five-thousand-foot area which is contained within the territory of any other incorporated city, town or village.

The Do's and Don'ts of Summer Lawn Care

Whether you want a lush, green lawn to show off at your backyard barbeque or simply to walk around on barefoot when it's just you, a great summer lawn is part of a great summer in general. So how do you get the lawn you're looking for? Let these summer lawn care do's and don'ts be your guide. Please visit www.allaboutlawns.com for further information.

Your summer lawn care and maintenance choices will make the difference between a healthy green lawn and a scraggly brown one.

- **Tip #1 -- Don't Misapply Fertilizer**

Fertilizing is one of the best lawn maintenance choices you can make. But misapply it, and things turn ugly. The nitrogen in fertilizer can burn your lawn, and when temperatures soar, the likelihood of burning goes up. To prevent damage, go for a slow-release fertilizer with a lower nitrogen content than usual and follow the directions carefully.

- **Tip #2 -- Do Water Your Lawn**

One of the most common summer lawn care pitfalls is inadequate watering. You may be watering your lawn like normal, but the evaporation that results from the heat means that less of that water

is getting to your lawn's roots. Water until the moisture gets about six inches into the soil, and consider increasing the number of times per week you turn on the sprinklers.

• **Tip #3 -- Don't Slip and Slide**

If your kids are just dying for a Slip and Slide, giving one to the neighbors is the way to go. Your lawn has done nothing but provide you with a soft green all-purpose summer surface. Don't even think about smothering it with plastic in return.

• **Tip #4 -- Do Get in Some Good Barefoot Time**

Nothing beats wiggling your toes on your hard-earned green.

Iron Fence Maintenance

Iron fences represent some of the most beautiful and ornate fences in the world. They come in a variety of colors and style, but they all have one thing in common, and that is their need for maintenance. Knowing how to maintain your iron fence can provide you with fencing that will last a lifetime.

AVOID RUST

- Not many real iron fences exist today because it is far more costly to erect an iron fence than one that is made of galvanized steel. If you have the real thing, you know the worth of your fencing by virtue of the price you paid for it. This is all the more reason to invest the time and effort to ensure that you do regular maintenance. One of the major culprits is rust. Any part of an iron fence that has not been properly coated with protection will rust. A brand new iron fence can show rust in two years or less, depending on the climate. Avoid rust by making sure your iron fence is properly maintained and protected. This means keeping your fence painted with weather-resistant paint. Check the fence annually for any areas that need to have the paint touched up. If a touchup is needed, sand the area down to bare metal to removal all rust before painting the area.

SOLICITING IN SHADOW CREEK RANCH

Shadow Creek Ranch is unable to enforce a no soliciting rule on public streets. All streets within Shadow Creek Ranch are public with the exception of the gated communities and are therefore governed by the City of Pearland. According to the City of Pearland you may place a small sign near your front door, perhaps in your shrub beds, that says "No Soliciting". This puts a solicitor on alert that they are trespassing. If you still find unwanted items on or near your doorstep you can contact the distributor and let them know that you will pursue a trespassing charge if you find their materials on your property again. Again, according to the City of Pearland – small signage is your best option.

Soliciting is legal providing they do not knock on your door to engage in conversation with you. If they do that, they need to have a city issued license. Please contact City of Pearland Non- Emergency for further information at 281-997-4100.

SHADOW CREEK RANCH

DO NOT FEED DUCKS IN SHADOW CREEK RANCH!

Ducks you see at the park are hopefully wild. They have wild instincts to migrate and the ability to forage for their own food. Domesticated ducks were bred by man for specific needs and derived from wild mallards and Muscovy ducks. Some breeds are specifically designed for egg production, others for meat production, and still others are ornamental. They range widely in size, shape, and color. Some lay white eggs, others brown, and still others rainbow colors.

HOWEVER, REGULAR FEEDING CAN CAUSE THE FOLLOWING:

- *Poor nutrition
- *Spread of disease
- *Unnatural behavior
- *Pollution
- *Overcrowding
- *Delayed migration

THEIR HEALTH

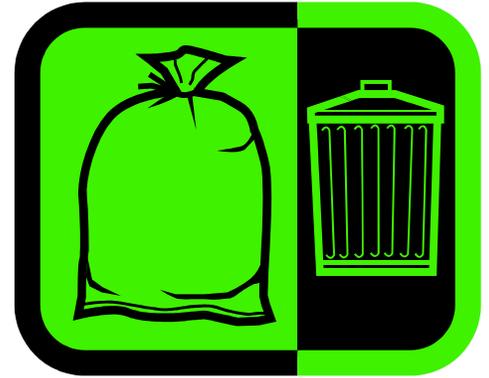

When wild ducks are fed human food (especially bread or crackers) their organs become engorged and fatty, which can cause them to suffer from heart disease, liver problems and other health complications. Bread also has very few nutrients, and can get compacted in a bird's crop. Many rehabilitators see "bread-impacted crop" in sick and distressed park ducks.

Many people enjoy feeding ducks, but the effects of this seemingly generous act can be harmful. If you are about to feed a duck, please stop feeding them...allow them to return to their natural habits.

Keep wildlife WILD!

PLEASE REPORT ANY STRAY OR MISSING ANIMALS TO CITY OF PEARLAND ANIMAL CONTROL.
