Deed Restrictions Prohibit Fireworks

The Board asks that residents refrain from celebrating the holidays with the use of fireworks and firework displays. This not only poses a nuisance and disturbance to your neighbors, it also leaves a messy aftermath to be cleaned up. Thank you for helping to keep Legends Ranch community firework free!

The LIVING LEGENDS of Legends Ranch

This year has been a bit unusual so far, both for the weather and for the members of The Living Legends. Some of us have had medical issues, some have had family issues, and some have just been traveling. The result has been a slow down in meetings and fun times.

One thing we have always kept is our Game Night on the first Friday of each month. We have changed the date some times, but never cancelled. Recently we have enjoyed the evening at the homes of the Ayre's, the Daniel's, and others. We also enjoyed a luncheon at the Sander's home, watching a Pampered Chef representative cook lunch for us while demonstrating their products. Last week, we enjoyed the entertainment of Duane Vincent at the Crescent Moon Wine Bar. We will be going there again on June 21st because we enjoyed his music so much. Recently, several ladies drove to Galveston for lunch, visiting the Strand, and riding the ferry to Bolivar and back.

We have some new members, and would welcome any others who have not joined us in attending local restaurants, local entertainment venues, or for our Game Nights. Please join us at any time. You may call Barbara Ellsworth @ 281-419-7586, or Jerrie Sanders at 281-651-2593 for information. Or you may attend our regular business meeting at the clubhouse on the third Friday of each month at 1:30 p.m.

We look forward to having you join us!

FACTS YOU NEED TO KNOW ABOUT DROWNING

DROWNING ALERT!!!

**Typically more children
drown in JULY than in
any other month!**

Download a
QRcode App
on your phone
& scan me!

NO ONE is "drown
proof" - no matter
their level of
swimming ability.

Falls, entrapments,
and injuries lead to
drowning regardless
of swimming level.

DROWNING IS QUICK AND SILENT

Drowning can
occur in less
than 2 minutes.

Irreversible brain
damage can
occur in 4
minutes or less.

Most children are out of sight
or missing for less than 5
minutes and usually in the
presence of 1 or both parents.

Most children die
who are submerged
for as little as 6-10
minutes.

Children who drown may not **scream, splash, or struggle**. They can silently slip beneath the water, even with adults & lifeguards present.
