*We realize you have a choice so we appreciate the opportunity to earn your business.
Building clients for life while giving back to the community in order to make a difference!*

EXIT STRATEGY.....DO YOU HAVE ONE?

You are about to sign a contract to purchase your next home. It could be a resale or a new construction home. This is one of the largest purchases and decisions you may be making in your life. It is love at first sight, the one you had to have, just the right fit. In your mind you plan to stay 5-10 years. **What's your exit strategy?**

As a Realtor, I have seen many situations in which there was an urgent need for an exit strategy. The following are some reasons that have been discussed with me where an exit strategy may be needed, consisting of the planned and the unexpected.

- Work hours cut back with employment or job loss
- Relocation
- Unexpected medical issues
- Death
- Divorce
- Marriage
- Children going off to college
- Growing family or new family
- Parents move in with you

As your Realtor, my job is to always think exit strategy or resale. I take the emotion out of the buying process and help clients look at their decision while keeping an exit strategy in mind, because you never know when life changes will occur. By taking this approach, my clients are given quite a bit of details so they can make an informed decision.

My job is to focus on the following items as I have a fiduciary responsibility to you, my client. When we focus on these items, it's important to purchase a home that has mass appeal when you elect to sell your home at some point in the future. The value of resale cannot be under estimated.

Location – is the home on a busy street, if it backs up to woods or greenbelt what is the area zoned for, does it back up to water lift stations, sewer treatment plants, railroad tracks, power lines, drill sites, commercial, etc.?

Layout – does the layout fit what the majority of the population will purchase? For example all bedrooms up with a swimming pool will have a very limited list of potential buyers because generally a buyer that purchases all bedrooms up has small children, so they usually do not want a swimming pool.

Price point – in our local market price point is important because property doesn't appreciate as much as it does in other parts of the country. If you overpay for a property, more than likely you will take a loss when you sell it if not held for a specific amount of time. In order to confirm you are paying fair market value, be sure to review a comparative market analysis of sold properties within a 3-month period prior to the time you are purchasing your home. Sold price data provides a buyer with a snapshot of what the buyers are paying in the current market. I provide my clients with this information on every purchase. Generally there are sufficient comps within the same neighborhood to provide supporting documentation.

Other factors to consider: neighborhood amenities and school districts. With new construction, I am with you every step of the way along the transaction. From lot selection, plan selection, design, forms, slab pour, framing, electrical, plumbing, sheetrock, flooring, finish out, and beyond; I am there to assist you and be your advocate if an issue arises.

At the end of the day, it's your decision on what you want to purchase. As a Real Estate Professional, my job is to provide you with as much information as possible so you can make an informed decision. When I do my job correctly on the front end with assisting you on the purchase of a home; you will then have a pretty good exit strategy in place. Please give me a call to discuss how I may be of assistance to you with your next home purchase or selling experience! Building clients for life is my commitment to you! I realize you have a choice, so I appreciate the opportunity to earn your business.

ES Board of Directors Announces New Online Reservations System

You may have noticed we have a New Online Clubhouse Reservations System located on the Eagle Springs website. All reservations (Private, Committee, Group, Club, etc.) should now be made online using our new system. You do need to be logged in as a registered user to access this new system.

We also now have part-time On-Site Management located inside the Clubhouse at 17821 Eagle Springs Parkway – between the Fitness Center and Athletic Club Pool. Please check the calendar on the front page of this newsletter for current hours of operation. On-Site hours are also located online at: www.OutsideEagleSprings.com, on the homepage under the Community Events Calendar. Please check online for the most up-to-date information.

We are asking all Committees, Clubs, and Groups who currently utilize the Clubhouse on a recurring basis for meetings, that have not yet reserved their time slots using the New Online Reservations System, to go online at: www.OutsideEagleSprings.com and do so as soon as possible. Once approved, you will be asked to come in and sign a new Key/Facility Use Agreement, pay any deposits, if applicable, and be issued a new set of keys.

Your utilization of this new online reservation system is strongly encouraged. On September 1, 2011, any Committees, groups, and clubs with prior recurring time slots who have not re-reserved and signed a new Key/Facility Use Agreement will forfeit those days/times and they will be made available on a first come, first serve basis to all Eagle Springs residents and groups. Private Party Reservations are exempt from these changes.

We thank you for your help, cooperation, and patience as we make this transition. If you have any questions, please contact the On-Site Management Office at: 281-812-8194.

REMINDER! - NO PETS

Pets are not allowed at community events, on the baseball fields, or inside the tennis courts, with the exception of guide dogs or pets that are actual participants of an event. This is to ensure the safety and enjoyment of all residents in our community. As a courtesy to your neighbors and fellow residents, please remember to pick up after your pet!

Your cooperation is appreciated!

Fall is approaching! Call me today and I will provide you with some helpful tips on preparing your home and yard for the arrival of "Old Man Winter."

Do you know the difference between a home warranty plan and homeowner's insurance? Home warranties are *service contracts* that cover the failure of home systems and appliances due to normal wear and usage. Homeowners insurance *indemnifies* the homeowner against *damage or liability* arising from some unknown or contingent event. Both offer valuable budget protection for the homeowner, and they can work in conjunction with one another. For example, if a water heater leaks and floods the home, the home warranty will replace the water heater, while homeowners insurance may cover the secondary water damage.

For complete budget protection, I recommend that all my clients include an Old Republic Home Protection Plan in their home transaction. Call me today for more information about how a home warranty can benefit you.

I am dedicated to ensuring a home purchase is a smooth and positive experience for you, and for your family, friends, and acquaintances. Please tell them how much I will do for them!

Health & Safety

Cold or Allergy...which is it?

You're stuffed up, you're sniffing—but do you have an allergy or is it a cold?

Colds, which are viruses, hit suddenly and usually leave in three to five days, although symptoms can linger longer. Additional signs can include mild fever, enlarged lymph nodes, muscle aches and coughing.

Allergies are an overreaction of your immune system. They come on slowly and linger as long as the allergen is around. Allergies are more characterized by sneezing and an itchy or runny nose.

Doctors generally recommend common treatments for both cold and allergy sufferers: eight hours of sleep, eight glasses of water daily, sinus rinses, humidifiers and warm chicken soup. All of these measures

can lessen the symptoms and help you bounce back sooner.

With colds, you may also want to take acetaminophen for mild fever and muscle pain, and rest for a week to 10 days: your immune system may be low, making you more vulnerable to infection.

For allergies, the best defense is a good offense—avoid what you are allergic to. If you can't, and over-the-counter allergy medications don't help, your doctor may want to prescribe stronger allergy medications or discuss allergy shots, which can decrease sensitivity to allergens over time for some people.

Helpful Hints

New Uses for Coffee Filters

Coffee aficionados value coffee filters simply for what they're designed to do. But check out these practical and creative uses for this kitchen basic:

- Strain wine from a bottle with a broken cork. Place the filter over a pitcher or a carafe and slowly pour the wine through it.
- Serve popcorn or other snacks. The filters act as disposable bowls, so there's no dishwashing!
- Heat up leftovers in the microwave. Use a filter as an alternative to plastic wrap over a bowl or a plate.
- Prevent soil from draining out of flower pots. When repotting, place a filter over the drainage hole, then add the soil.
- Prevent scuffs and scratches on fine china. Use flattened basket coffee filters as spacers when you stack your dishes.
- Protect hands from ice pop drips. Slide the stick or handle of an ice pop through a coffee filter so your hands stay mess-free.
- Make sachets for closets and drawers. Place dried flowers and herbs in a coffee filter and tie with string or yarn.

STERLING CREEK

ASPEN GLEN, STERLING CREEK & YUKON FOREST

The Sterling Creek Neighborhood is made up of three villages, Aspen Glen, Sterling Creek, and Yukon Forest, each with its own special highlights. Aspen Glen is the newest area of the group. The village just recently completed build-out and is now 100% complete. Aspen Glen is located in the very back of Eagle Springs and is home to the Wetlands Park area, which is located near its entrance.

Sterling Creek is located off of Eagle Springs Parkway directly across from the Island Club Pool, which is only one of its great features. The pool is so close most residents merely walk over. The other feature is Butterfly Park. The park is a beautiful area that hosts a playground for the neighborhood children to play on and was planted with flowers and shrubs specifically designed to attract butterflies. Families can come to sit and enjoy the butterflies. Yukon Forest is located in the eastern most corner of the neighborhood and is highlighted by the large bronze eagle statue in Eagle Wind Park. Those passing by can see the monument, as it is visible from the busy intersection of Eagle Springs Parkway and Timber Forest Drive. Eagle Park is surrounded by paths leading up to it and is filled with pine trees that provide a tranquil and shady setting for residents to enjoy.

With Sterling Creek's proximity to the Island Club Pool and its three very diverse parks, it's a great neighborhood for families with children. Your Neighborhood Voting Representatives are: Tory Western and Gene Garner, both encourage the residents of Sterling Creek to contact them with any concerns or issues.

CONSTABLE'S CORNER

by Sgt. Bloomfield, Harris County P-4 Constable

WHAT YOU CAN DO TO HELP FROM BECOMING A VICTIM OF BURGLARY OF A MOTORVEHICLE (BMV)?

Take. Lock. Hide.

The Basic Crime Fighting Tool for Preventing BMV.

- Lock your vehicle. Yes, it takes seconds to break a window, but doing so makes noise – and criminals hate making noise. Also, officers report that in many instances where a victim left their vehicle unlocked (to prevent windows from being broken); the suspect broke the window anyway, expecting the vehicle to be locked.
- Hide valuables from sight, or even better, take items with you. If a criminal doesn't see anything, they're less likely to break in, and will go to the next vehicle and window shop. Remember to hide valuables BEFORE you park in the place you're leaving your vehicle.
- If a criminal sees you put a laptop in the trunk, they'll just break into the trunk when you leave. The same advice goes for putting property under a seat. If a criminal sees you reaching under a seat, they'll assume something is under there, and break in, looking for property.
- Park in areas that are NOT secluded, well-lit parking lots with good "sight lines", make it more likely your vehicle is visible to the general public. Attended parking lots, monitored by uniformed or easily identifiable legitimate parking attendants, are ideal. Remember, criminals don't like witnesses.
- After market car stereos; consider models with removable faceplates. Take the faceplate with you when you leave your vehicle.
- Record serial numbers of property you may leave inside your vehicle. If stolen, it makes it more likely the suspect, if he tries to pawn, will be

identified.

If you wish to report any incidents of Motor Vehicle Burglary within the community contact the Harris County Pct. 4 Constables Office dispatch line at: 281-376-3472, you may remain anonymous if you wish.

CRIME STATS

At last month's meeting our Constable's reported an increase of BMV's (Burglary to Motor Vehicles). However, only ONE was to a locked vehicle! The rest of the vehicles that were broken into had been left UNLOCKED with items in view. Please remember to LOCK your vehicles and to remove items from view, or better yet, do not leave them in your vehicle at all.

ONLINE SURVEY

Every year the SAC puts out a survey to the residents of Eagle Springs to gauge how we're doing as a committee and to generate

resident feedback on programs they would like to see us offer or topics they would like to see addressed. Watch for this year's survey to be posted on the homepage of our Eagle Springs website. You do not need to be logged-in as a registered user to participate and all answers remain anonymous. Your input is appreciated!

CRIME STOPPER SIGNS

Have you noticed the new Crime Stopper signs at the entrances to Eagle Springs? Eagle Springs is now a "Crime Stoppers Safe Neighborhood." Watch for additional signs to be added to our community early next year. Crime Stoppers encourages us all to get involved in a Neighborhood Watch Program. You may contact the Safety Advisory Committee for more information on Neighborhood Watch. Please remember to always report suspicious persons or vehicles by calling: 281-376-3472.

ANNUAL COMMITTEE ELECTIONS – OCTOBER 27TH

Next month our annual committee elections will be held. Anyone interested in being a part of our committee is welcome to run for one of the positions that will be coming up. All residents in good standing are eligible to run. Upcoming positions include: Secretary, Voting Member 1 and Voting Member 3. If you are interested in one of these positions, just come to the meeting and add your name for nomination. Or, come and vote for one of your neighbors! Light refreshments will be available. Please contact the committee for questions.

SAC meets in the Clubhouse from 7:00 to 8:30 p.m. on the 4th Thursday of the month. Our Constable Patrol Supervisor is in attendance to go over current crime trends and answer any resident's questions or concerns. For immediate questions or concerns, please contact us at: SAC@SafetyAdvisoryCommittee.com

EAGLE SPRINGS

JOIN CUB SCOUTS!

Eagle Springs Cub Scout Pack 926 and Pack 912 invite you to come join in all the fun we are having! We are having our annual membership drive this month, and encourage you to come check us out!

WHY CUB SCOUTS?

It's fun! The boys are grouped into dens by grade level, from 1st thru 5th grade, and activities are geared for each age group. The boys are constantly learning new things, playing games, and most of all having fun. We take field trips to places like radio stations, fire stations, museums, historical landmarks, and sporting events. We also go on two or three weekend family camping trips during the year.

It's good for the boys! Cub Scouts has always been known as a place where boys learn respect, good morals, good ethics, and how to work as a part of a team. The Cub Scouting program focuses on twelve Core Values: Citizenship, Compassion, Cooperation, Courage, Faith, Health and Fitness, Honesty, Perseverance, Positive Attitude, Resourcefulness, Respect and Responsibility. As a parent, you will appreciate seeing your son molded with only the best character traits.

It's family friendly! Your son, and your family, will have fun doing all sorts of activities together. Cub Scouts is geared to the entire family. Dads, Moms, grandparents and siblings get to participate in many activities, including Pack campouts, field trips and special events (like the Pinewood Derby!).

Join Cub Scouts now! For more information, call one of our local Cub Scout volunteers:

LITTLE TENNIS TOURNAMENT

The Eagle Springs Tennis Program held their first ever Little Tennis Tournament on Saturday, July 16th. There was a great turn-out and the kids had a great time. This was also the first tournament for all 12 participants who played in two divisions, the 10 & UNDER and the 8 & UNDER divisions. Six children participated in each division and played a double-elimination, round robin format, so that each child was guaranteed to play at least two matches. The kids played 4-point games and 4-game matches, so whoever reached to 4 first, won.

The tournament began at 8:00 a.m. and the weather cooperated with overcast skies until about 11:30 a.m. when it began to rain. At that time, the 10 & UNDER division still had 3 matches remaining, which were finalized on Wednesday, July 20th. Sebastian Falquez (7) and Bilal Hasan (9) played in the finals and Bilal pulled out the win with a 4-0 win. The 8 & UNDER division only had the finals to play by the time it began raining and that match was finalized on Saturday, July 23rd. Aaron Aldridge (7) and Sydney Taylor (7) played in the finals and Sydney pulled out the win with a nail-biter, winning 4-3.

The Eagle Springs Tennis Program looks forward to holding future tournaments, so please watch for our next tournament in the fall. Eagle Springs 1st Tennis Tournament

EAGLE SPRINGS HELD ITS FIRST OPEN
ADULT TENNIS TOURNAMENT ON
JUNE 25TH & IT WAS A HUGE SUCCESS!

We had fifteen players sign up for the two-division singles tournament. All fifteen players did a great job and had a lot of fun. It turned out to be very competitive even though ninety percent of the players in the Recreational Division were playing their first tournament. There were four players in the Advanced Division that battled it out in a round robin, where the players had to play each person in their draw. *Congratulations to our Winners!*

ADVANCED DIVISION
Champion: Daniel Watson
Runner Up: David Zalensnik

RECREATIONAL DIVISION
Champion: Miguel Morales
Runner Up: Luis Rodriguez

*We would like to thank all the players
who came out to play and all those who came out
in support our first tournament in Eagle Springs.*

We successfully achieved our goal of getting players out to compete and have fun while meeting other players in our community. We are currently working with the Sports Fields Committee to hold a Doubles Tournament this fall. So... find yourself a partner and start practicing! Please contact one or both of your Eagle Springs Pros, Fernando Mateu or Vern Swisher, when you are ready to work on your tennis game.
