Committee Invitation

The Village Creek Homeowners Association is inviting homeowners to volunteer their time and talents to help make a difference in the community. The Social and Landscaping Committees need volunteers who can work alongside the Board, so if you are interested in making a difference in Village Creek just respond via the contact us form on the web site.

The Social Committee is responsible for planning and executing events such as the Luau, Fourth of July, cookies with Santa, Easter parade and the fall festival. Currently the Social Committee is just a handful of hard working residents and they would welcome some new members.

The newly formed Landscaping Committee is now accepting applicants. This Committee will be led by one of our board members and will consist of several residents, the actual number has not yet been determined. The Board of Directors is excited about these committees and we look forward to hearing from you.

Back To School

Now that the kids are back in school, it's time for drivers to pay closer attention to the school zones in Steiner Ranch. We want to remind you that the speed limit in a school zone is 20mph and traffic fines double!

Other changes to be aware of include;

- Children behaving unpredictably
- School Bus Stops
- Crossing Guards – please obey the guards! Remember, they are there for the safety of you and your children
- New areas of traffic congestion
- Be prepared for delays
- Use of cell phones in schools zones is illegal!

Please give yourself extra time in the mornings and mid-afternoons and remember if you are traveling in a school zone to slow down.

AMERICAN HEART ASSOCIATION'S NORTHWEST HARRIS COUNTY HEART WALK

The American Heart Association will hold its annual Heart Walk for the Northwest Harris County area on Saturday, October 22, 2011 at Lone Star College in CyFair. This fun, family-friendly event promotes physical activity as part of a heart-healthy lifestyle, and raises funds for research and programs to fight heart disease and stroke - our nation's number one and number three killers.

Each year, nearly 865,000 Americans die from some type of cardiovascular disease – more than the next four leading causes of death combined. But we can make that change! This fun-filled non-competitive 5k walk will include approximately 2,000 local residents and 30 businesses and organizations from the Northwest Harris County area dedicated to promoting healthy hearts.

Registration for the event will begin at 8:30AM, and walkers will begin their walk at 9:30AM from Lone Star College-CyFair through the neighborhood of Towne Lake. Join us for the American Heart Association's Northwest Harris County Heart Walk as we walk for heart-healthy futures!

Immunizations: Not Just for Kids

By- Concentra Urgent Care

Although most toddlers in the United States have received all recommended vaccines, many adults and adolescents have not. These missed vaccinations increase their risk for infection, hospitalization, death, and disease spread, and they contribute to the estimated \$10 billion that is spent annually on vaccine preventable diseases in the United States.

Evidence shows that currently approved vaccines are safe and effective. However, coverage rates for persons of all ages vary nationwide. Reasons cited include lack of health insurance, unfamiliarity with vaccine recommendations, limited access at physicians' offices, or the perceived cost of vaccines.

What you need to know is that obtaining recommended vaccines in a timely manner can prevent disease. The Advisory Committee on Immunization Practices (ACIP) recommends the following immunization schedule for generally healthy adults and adolescents:

VACCINE

Influenza:

Meningococcal:

RECOMMENDED SCHEDULE *

Yearly, especially if at risk

One dose, age 11-12 or 13-18 if not previously immunized

Tetanus-Diphtheria/Tetanus: One dose, age 11-12, then booster every 10 years
Diphtheria-Pertussis: every 10 years
Human Papilloma Virus: (Females only) Three doses, age 11-26
Measles - Mumps - Rubella: If born after 1956, one or two doses if never immunized up to age 65
Pneumococcal: One dose, at or after age 65
Varicella (chicken pox): Two doses if no prior infection or immunization received
Zoster (shingles): One dose, at or after age 60

* Specific recommendations for individuals may vary depending on age, prior immunization history and the presence of other existing conditions; please see the Centers for Disease Control (CDC) Web site at: <http://www.cdc.gov/vaccines/recs/schedules/default.htm>. For more information about immunizations and where to get them, contact your health care provider, your Concentra health specialist, or visit the CDC's Web Site at: www.cdc.gov/vaccines.
