## *"Teamwork is Key"* *With Cy-Fair ISD Volunteers*

Hey! Grab your keys, unlock your hidden talents and join our Volunteer Team this fall in the Cy-Fair Public Schools! The name of the team is "VIPS" (Volunteers in Public Schools).

VIPS in Cy-Fair ISD center the attention of their service on supporting students and staff and making a significant contribution to the education of children. These dedicated individuals are just like you, they give freely of their time and resources; and they have an impact on the academic and personal development of our students. Cypress-Fairbanks ISD is fortunate to be able to draw from a terrific diversity of skills and knowledge in its community.

If you are interested in being a part of an exciting group of volunteers and making a difference in your Cy-Fair Schools, or would like more information, please feel free to contact Pam Scott, Partners in Education Director at 281-894-3950.

## VOLUNTEER

### Opportunities Available

#### CY-FAIR ISD & COMMUNITY VOLUNTEERS - A WINNING TEAM!

The Cy-Fair ISD volunteer theme for this year is "Teamwork is Key" in recognition of the combined effort that it takes to ensure student success. Our school district fully understands and appreciates that it takes district administration, teachers, school staff, parents, community partners and volunteers each doing their part to give our children every possible opportunity to reach their full potential.

We are looking for community members who want to become Global Volunteers in order to be a part of our "team" and make a difference in the lives of children. If you are not the parent, grandparent or legal guardian of a student enrolled in the school at which you volunteer, you would be considered a Global Volunteer.

We have many volunteer opportunities available at a school near you. Individuals are needed to perform a full range of activities and we have training available for specific tasks such as vision and hearing screening, tutoring, mentoring, Junior Achievement, and other instructional presentations.

*If you have some free time and would like to learn more about becoming a Global Volunteer, please contact Kim Nash at [krnash1@sbcglobal.net](mailto:krnash1@sbcglobal.net) or call the CFISD Partners in Education Office at 281-894-3950. And remember: "TEAMWORK IS KEY"*

WRAP 2012 planning is underway! WRAP is Cy-Woods High School's parent-driven Project Prom organization. The purpose of WRAP is to provide a drug- and alcohol-free all-night party for the graduating seniors and their guests after their prom. Have you filled out your Parent Information Form yet? We need this to get you on our e-mail list!

## PEOPLE PROTECTING OUR PARKS

### *New Fire Safety Campaign for City of Houston Parks*

People Protecting Our Parks calls on all Houstonians to proactively protect the City's parklands during the ongoing drought. The campaign has two main goals: fire prevention education and the protection of public parklands. The first step in this campaign is the issuance of a temporary ban on all barbecue pits in City of Houston Parks.

The temporary ban on barbecue pits will remain in effect until further notice. Signage notifying the public about the ban will be placed in the parks. To allow for a period of public education, warnings will be issued to violators until City Council adopts a permanent enforcement mechanism next week.

*Houston Fire Department recommends the following safety tips during this drought:*

#### BARBEQUE SAFETY

- Portable barbecue pits, charcoal grills and other open-flame cooking devices outside of a building should not be operated on combustible balconies or located within 10 feet of combustible walls or roofs or other combustible materials.

- When igniting the barbecue charcoal, use a charcoal lighter, not gasoline. Gasoline can flash violently in and around the pit causing serious injuries to anyone in the area of the flash. A fire extinguisher or charged garden hose should be handy while the fire is burning. Check the pit frequently to ensure that it is okay.
- Hot ash and coals from barbecue pits and charcoal burners should be placed in a non-combustible container until cooled or thoroughly saturated with water, before being disposed.

#### OPEN FLAMES

- The City of Houston Fire Code prohibits all open-burning within the Houston city limits at all times. The burn ban in unincorporated areas of Harris County also prohibits any outdoor open-burning, including the burning of: a bonfire, rubbish fire, campfire, trench fire, or other fire in an outdoor location when not contained.

*Protecting Our Parks... - (Continued from Page 10)*

## VEHICLES, TRAILERS AND TOOLS

- Park vehicles so that the exhaust system does not come in contact with dry grass, leaves, or weeds.
- Adjust the safety chains on trailers to ensure they don't drag and create sparks that can cause roadside starts.
- Keep lawn mowers and agricultural equipment in proper working condition and avoid rocks and other materials which might cause a spark.
- Do not weld or cut without a spotter, a water source and a shovel.
- Notify the electric power company when dead trees or overhanging limbs endanger the electric wires. The wires may touch each other or the ground, causing sparks that start fires.

## CIGARETTES OR OTHER SMOKING MATERIALS

- Another cause of accidental fires is carelessly discarded cigarettes or other smoking materials. They can smolder for hours and should be completely doused with water before being discarded in a safe manner, rather than tossed out a window or on the ground.

- Texas' arson law includes felony punishment for anyone whose cigarette recklessly sets fire to a building or injures anyone. Arson is a second-degree felony in Texas, punishable by up to 20 years in prison, but if a person is hurt or killed or if the fire involves a church, arson is a first-degree felony, carrying possible punishment of up to life in prison.
