## TAKING CONTROL OF YOUR DIABETES

### IMPROVING SELF-MANAGEMENT

*By: Concentra Urgent Care*

According to the American Diabetes Association (ADA), approximately 21 million Americans have diabetes, and more people are being diagnosed every year. Diabetes is associated with many health problems, disability and premature death. Knowing how you can improve your lifestyle to better control diabetes is the key to reducing related complications, such as heart disease, stroke, blindness, kidney disease, and amputations. Actions you can take include:

- Monitor your blood sugar and take your prescribed medications: By keeping track of your blood sugar, you can achieve better control of your diabetes. Always take your insulin or oral diabetes pills as prescribed by your health care provider.
- Watch your diet carefully: By eating well-balanced meals in the correct amounts, you can keep your blood glucose level as close to normal as possible. A dietician or books such as the ADA's 101 Nutrition Tips for People with Diabetes can help.

- Lose weight: The ADA stresses that losing even a small amount of weight can reduce your risk of complications from diabetes. A dietician can help you find ways to eat the foods you like while reducing your intake of calories.

- Increase physical activity: A personal health coach can help you become more active. And it doesn't mean that you have to go to the gym; it can mean walking around your house or working in your yard. Exercise helps improve your strength, flexibility, and endurance.

- Sleep well and reduce stress: Getting the appropriate amount of rest and managing your stress will improve diabetes control.

For more information about managing your diabetes, contact your health care provider, your Concentra health specialist, or you can visit the ADA's Web site at: [www.diabetes.org](http://www.diabetes.org)

## ADOPTION COALITION

### Jaquevius (Nov 2003) & Ny'Asia (Aug 2005)

Jaquevius is a loveable, warm spirited child. Ny'Asia is an endearing child who enjoys being hugged and treated like a princess. Jaquevius enjoys watching cartoons, playing with cars, trucks and things he can "tinker" with. He absolutely loves going to movies. Ny'Asia's favorite things to do are coloring and playing with dolls. Jaquevius and Ny'Asia need a loving, nurturing family who is highly structured and experienced in working with children.

To find out more about Jaquevius and Ny'Asia, Please contact Grace Lindgren, LMSW, at the Adoption Coalition of Texas, (512) 810-0813 or [gracelindgren@adopttexas.org](mailto:gracelindgren@adopttexas.org).

To learn more about the foster care adoption process, please call the Adoption Coalition of Texas at (512) 301-2825. Email [info@adopttexas.org](mailto:info@adopttexas.org) and visit our website at [www.adoptioncoalitiontx.org](http://www.adoptioncoalitiontx.org).

Adopting a child from the foster care system requires little or no cost to the adoptive family and funding may be available to help the adoptive family support the child or sibling group.

# HEALTH BRIEFS - NOVEMBER 2011

## POSTMENOPAUSAL BLEEDING COULD BE SIGN OF ENDOMETRIAL CANCER

After a woman goes through menopause, it is not normal for her to start bleeding again, said a gynecologic oncologist at Baylor College of Medicine. Most postmenopausal bleeding is caused by the thinning of the cervix; however, in some cases bleeding is a sign of endometrial cancer and should not be ignored, said Dr. Concepcion R. Diaz-Arrastia, professor of obstetrics and gynecology at BCM.

When caught in the early stages, endometrial cancer can be cured, Diaz-Arrastia said. However, there are few symptoms and no screening methods and often isn't found until later stages. That's why it is so important for women to be conscious of things that may be associated with the disease, like bleeding.

Endometrial cancer is the most common uterine cancer. It occurs in the endometrium or the lining of the uterus. More than 40,000 women are diagnosed with endometrial cancer every year in the United States. Women who are obese and/or have a history of irregular menstrual cycles have an increased chance of developing endometrial cancer, Diaz-Arrastia said. If you notice postmenopausal bleeding, contact your gynecologist and set up an appointment as soon as possible.

## SYMPTOMS POINT TO DIABETES

Maintaining a healthy weight, eating a low-fat diet and exercising regularly can help prevent the onset of diabetes and the many side affects of the disease, according to doctors at Baylor College of Medicine. Those with a higher risk of diabetes should also have their blood glucose levels screened regularly.

## RISK FACTORS FOR DIABETES INCLUDE:

- Obesity
- Sedentary lifestyle
- Unhealthy eating habits
- Family history and genetics
- Increased age
- High blood pressure and high cholesterol

A fasting glucose level of 70 to 100 mg/dL is considered normal, 100-125 mg/dL is considered pre-diabetes condition and 126 mg/dL or above indicates type 2 diabetes.

## SYMPTOMS OF DIABETES INCLUDE:

- Frequent urination
- Excessive thirst
- Increased hunger
- Weight loss
- Fatigue
- Lack of interest and concentration
- Blurred vision
- Vomiting and stomach pain

## OPERATION CHRISTMAS CHILD

Epiphany Lutheran Church and School is giving thanks for the chance to play an important role in providing needy children with a simple gift this Christmas season. Last year was Epiphany's first time participating in Operation Christmas Child, a ministry devoted to providing needy children shoe boxes full of toys, hygiene items, school supplies, candy, etc. The congregation collected over 80 boxes to send overseas. "We were strongly moved by this particular ministry" commented one member.

The church members felt that the increased visibility of the new location this year made it a prime spot to become a "drop-off" location for OCC. This means that during "Collection Week" (Nov. 14th-21st) they will be accepting shoe box donations from the general public. «We are so excited to serve our community in this way. What a wonderful beginning to the Christmas season.» remarks Lauren Thom, an Epiphany Member and OCC volunteer.

*For more information about Operation Christmas Child and where you can donate your items go to <http://www.samaritanspurse.org/index.php/OCC/>.*
