NOTES & NEWS

Melissa Yehl, President

And just like that... it is the holiday season. However you celebrate this time in your household, I hope your blessings are abundant. It has been a blessing and honor to have served my community as one of your Board members. I have enjoyed the relationships I have formed with so many of you throughout the last 2 years. At times, it hasn't been easy, but then... nothing worth truly having is easy.

I wish you and yours all the best this season, and always.

Merry Christmas and Happy New Year!

Save the date!

RRR's Annual Meeting is scheduled for January 19th at 6:45 in the Gattis Elementary cafeteria. Mark the date on your calendars, and watch for the meeting mailing in December.

COATS FOR KIDS

As a recipient of a gift, have you ever turned around to immediately give a gift back to the giver? Many who have received coats for their children and grandchildren at the annual Coats For Kids distribution day have returned the same day to volunteer. They gave their gifts right back to the community, a circle of service truly indicative of a successful program.

Coats for Kids is a program in its 25th year that provides warm winter coats each December to disadvantaged children and teenagers in Central Texas through a community-wide collection and distribution process. Each year, The Junior League of Austin, Jack Brown Cleaners, KASE 101 and KVUE partner with the community to ensure the children of Central Texas stay warm. On average, 30,000 coats are distributed per year with the help of over 2,600 community volunteers.

So how can you participate? Donate a new or gently-used coat to your nearest Jack Brown Cleaners, organize a coat drive through many outlets in your community (schools, places of worship, offices, neighborhoods), volunteer during sorting days or distribution days or spread the word.

FACTS

- Distribution Day: Saturday, December 10th from 8:00 AM - 3:00 PM
- Distribution Site: Palmer Events Center, 900 Barton Springs Road
- Community Coat Drive: Monday, November 14th through Wednesday, December 7th. Please drop your coats off at any local Jack Brown Cleaners.
- School & Business Coat Drive Competition: Monday, November 14th through Friday, November 30th. Please drop your coats off at any local Jack Brown Cleaners. To register, go to the JLA website: www.jlaustin.org/coats.
- Volunteer: Please join us to help sort coats December 6 - December 9 and/or to distribute coats to children on December 10. Register at www.jlaustin.org/coats.

Scott & White Cancer Research Institute Receives \$3.5 Million Grant

ONLY CENTRAL TEXAS CANCER RESEARCH PROGRAM RECEIVING AWARD FROM CANCER PREVENTION RESEARCH INSTITUTE OF TEXAS

A grant in excess of \$3.5 million has been awarded to the Scott & White Healthcare Cancer Research Institute (CRI) to facilitate the production of new and investigational drugs for the prevention and treatment of cancer. It is the only Central Texas cancer research program receiving the award from the Cancer Prevention Research Institute of Texas (CPRIT), a center established to fund innovation and commercialization of cancer research in the state.

The CRI grant is among more than \$100 million in CPRIT funding to cancer research projects in Texas. Scott & White scientist Jung H. Woo, PhD, is the principal investigator awarded the grant and facility director of the CRI drug manufacturing facility. The funds will be used in physical plant upgrades to the facility, providing an environment expediting large-scale cultivation of cell lines that can lead to Phase 1 clinical trials, while also subsidizing costs for production of promising drug candidates, and improving processes of production.

"Onsite production of new therapeutic treatments enables us to move rapidly from the laboratory into early-phase clinical trials," said Richard Beswick, PhD, senior vice president for research at Scott & White Healthcare and assistant dean for research at the Texas A&M Health Sciences Center College of Medicine in Temple. "The CPRIT grant is an investment in our facility strengthening that capability."

Researcher Woo has extensive experience with drug development. He is the inventor of a cancer drug currently being tested in a phase I clinical trial for T cell lymphoma. Since joining the CRI in 2005, the CRI has successfully manufactured six investigational new drug materials for T cell lymphoma, AML (acute myeloid leukemia), melanoma, chronic pain, and pancreatic cancer.

The Scott & White Cancer Research Institute (CRI) is a non-profit arm of Scott & White Healthcare. Established in 2005 and led by Arthur E. Frankel, MD, Executive Director, the CRI is designed to accelerate the development of therapies for human diseases, linking new discoveries and clinical care.
