New Year and Resolutions

By Hjalmar Perez, CPT, LMT and Q Estrada, CI-PT, MTI

So a New Year and again resolutions! Do we know the definition of a resolution? What lifestyle changes do I have to commit too? What are obstacles we have to work around that will challenge us to commit? These are probably questions that come across our mind, the day of the first of the year. Honestly, do we have to be rigid or just create enough awareness to give yourself the energy to move to the next step? We all want our resolutions to be manageable and easy to complete. Well, we are here to assist you one more time. Last time we talked about S.M.A.R.T, how this acronym should be your golden rule to completing your goals, in this case your resolutions.

So let's begin with the definition of the word: resolution. The American Heritage Dictionary has 14 statements to define resolution. I will only state 3; **1.** Firm determination. **2.** The act of resolving to do something. **3.** A course of action determined or decided upon. It seems, in our case, the 3rd is the most feasible. Let's face it; this is the toughest step in the process. Most of us need to sit and be methodical about taking action. This fulfills the how, what, when questions. What are yours?

With the start of any new endeavor, it's quite common to look at our lifestyle and look for areas we can improve on. One change I made several yrs ago was to not make a resolution. Yes, not to make a resolution. I decided to make a list of 6-12

things I wanted to complete or change throughout the year. All had to deal with a nutritional goal, a fitness goal and a spiritual goal. I even went as far as, adding some volunteer, community, self care goals...just in those you have six ideas. Now you can work on a list for the whole year. Take some time throughout the month to glance and stay on track...don't allow yourself to take two steps back. Now and again you might side steps but move forward. Take some quite time to glance at your list, to reflect on your journey and work towards fruition.

What obstacles will challenge you and how will you overcome them? Let's face it, there are going to be times when our Will will be challenged. Such things as our commitments to our family, our friends and our community will be barriers to overcome. The good news is, you have 365 days, 168 hrs per week and you only need a minimum of 30 to 45 minutes per week to 4 hrs per month to commit to one goal. Keep in mind, our resolutions should remain attainable and realistic. If you find there are too many goals, then scale back; reorganize and prioritize. No one likes feeling defeated. We do have the option to not put ourselves in the opportunity of failure.

This 2012, let's begin with a desire to set our course of action, to enjoy our journey to learn, to train, to maintain, to change; at all levels at all degrees. Also take time to reflect on positive changes; those that come from

our desire to change but also by the outcomes of our actions. As always, my business partner and I wish you balance, harmony, and good health. Be well be blessed.

GIRL SCOUTS CELEBRATE THEIR CENTENNIAL WITH THE YEAR OF THE GIRL

Juliette “Daisy” Gordon Low assembled 18 girls from Savannah, Georgia, on March 12, 1912, for a local Girl Scout meeting. She believed that all girls should be given the opportunity to develop physically, mentally, and spiritually. With the goal of bringing girls out of isolated home environments and into community service and the open air, Girl Scouts hiked, played basketball, went on camping trips, learned how to tell time by the stars, and studied first aid.

Within a few years, Daisy’s dream for a girl-centered organization was realized. Today, Girl Scouts marks its 100 year Anniversary and has declared 2012 the Year of the Girl: a celebration of girls, recognition of their leadership potential, and a commitment to creating a coalition of like-minded organizations and individuals in support of balanced leadership in the workplace and in communities across the country. For the past century, Girl Scouts has been the premier leadership organization for girls. With more than 50 million alumnae, the impact and role of Girl Scouts in this country and Texas is undeniable and far reaching.

DID YOU KNOW?

- 80% of women business owners were Girl Scouts
- 68% of female U.S. Members of Congress are Girl Scouts
- Virtually every female astronaut who has ever flown in space was a Girl Scout
- 80% of volunteerism in America comes from the efforts & inspiration of 50 million Grown-up Girl Scouts

Imagine a new generation of leaders who lead in an innovative way, stepping across barriers of class and ethnicity, guiding out of principle rather than pride, actively seeking out the work that needs to be done in the world and bringing boundless energy and enthusiasm to each challenge.

Girl Scouts of Central Texas strives to create an environment where girls can discover themselves and their values; a place where they can connect with others, push boundaries and test limits; a place where they can develop their leadership potential and take action; a place

that will serve as the launch pad for a successful life.

Girl Scouts of Central Texas provides girls a myriad of programs—from Science, Technology, Engineering, and Math (STEM) based learning experiences to educational travel programs (Destinations) for teen girls who might not otherwise experience life in other cultures. These opportunities are available to all girls, from all socio-economic backgrounds, including girls living in shelters, in housing projects, girls who have been incarcerated and girls whose mothers are incarcerated.

During the centennial year there will be a myriad of activities. Beginning with Cookie sales in January, these activities include a Capitol Sing-along (March 12th), a Camporee (April), a Leadership Conference (August), an interactive exhibit at the Texas State Fair (September-October) and culminates in a candlelit vigil in December to mark the beginning of the next 100 years. All present and former Girls Scouts are invited to attend.

The Girl Scout mission continues to be: build girls of courage, confidence and character, who make the world a better place. It is a movement that has been developing leaders for 100 years and will continue for 100 more.
