“Teamwork is Key” in Cy-Fair ISD

Our calendars say that Spring is almost here. It appears that our trees and flowers think it has already arrived in our part of the world. We find that our weather and the calendar don't always work as a team in this part of Texas. But one thing is for sure; no matter the weather, CISD Volunteers always work as a team. The school calendars are full and in need of a smiling face to help somewhere. So be sure to find a spot to plant yourself and help a child bloom.

VIPS (Volunteers in Public Schools) in Cy-Fair ISD center the attention of their service on supporting students and staff and making a significant contribution to the education of children. These dedicated individuals, who give freely of their time and resources, impact the academic and personal development of Cy-Fair ISD students. Cypress-Fairbanks ISD is fortunate to be able to draw from a diversity of skills and knowledge in its community.

If you are interested in being involved at Cy-Fair schools as a volunteer and making a difference, or would like more information, please contact Pam Scott, Partners in Education Director at 281-894-3950.

Cy-Woods Key Club

As the New Year begins, the Cy-Woods Key Club is gearing up for another semester of great service in the community. As a whole we are hoping to expand our club's influence into the community more and make a larger impact. We hope to get involved in more service organizations such as Cypress Assistance Ministries and the Houston Food Bank. As per usual we will be working locally in the community to help at school events and other local happenings. Hopefully throughout the New Year we can expand what our club impact and spread the true meaning of service through our dedicated members. If your organization needs help at an event feel free to contact us at cywoodskeyclub@gmail.com.

A New Year brings new opportunities and more importantly, new service projects for a Key Clubber. Key Club is a student run school sponsored organization that is active in most schools in CFISD. Key Club is centered on the goal of enriching the community through service projects. This New Year will bring out new needs within the community that Key Club will serve. The Cypress Woods chapter of Key Club has been particularly active in the Cypress community. Recently Cy Woods Key Clubbers have been volunteering at a variety of places in need. The volunteer work ranges from helping to feed the less fortunate at Cypress Assistance Ministries to judging and help run the local Cup Stacking tournament. Look out throughout this New Year for Key Clubbers volunteering near you!

Cy-Woods Key Club- (Continued from Page 6)

With the excitement and energy that comes with every New Year, Cy-Woods Key Club is teaming up with its partner Builders Club at Spillane Middle School to make an impact in places that it hasn't before. As a suggestion from a middle schooler, both clubs will be making a joint trip to a local care center for Valentine's Day in order to spread warmth and joy to those who may otherwise not have it on a day that really deserves it. ! Builders Club members will spend their next few meetings preparing for this event: writing cards, making small gifts, and fundraising to buy roses and balloons to give out at the care center. All of the members are extremely excited to be able to participate in such an activity. Normally the younger students have a much greater passion for service than many would expect, but it can die out easily if not catered to correctly. Middle Schoolers in particular like doing hands-on projects that involve seeing and interacting with the cause they are working to benefit, which is why we feel that this trip to the care center will go over so well. Cy-Woods Key Club and Spillane Builders Club hope to form a small partnership with this care center and continue visiting it in the future, expanding both of their spheres of service and influence.

.....

The New Year has come and this means many things for the Cypress Woods Key Club... new semester, new members, and, most importantly, new service. As we start 2012, we are confident that it will be filled with numerous and meaningful service opportunities. Some may be the same projects of last year; others may be new and out of the box. This can range from school wide tasks to missions that affect lives across the world. On one end of the spectrum, the local charity drives and various school occasions we volunteer at as members ease the lives of the people in our community. On the other end, developments like the ELIMINATE project and the One for One movement of TOMS Shoes can save the lives of the less fortunate around the world. But no matter what level the projects are on they all have service at their base. Whether is the simple projects that we have always done or the revolutionary and life-changing tasks unique to 2012, we at the Cypress Woods Key Club are excited and confident for their success.
