New Residents Enjoy Welcome Reception at Club Summerwood

On Feb. 2nd Summerwood's newest residents were gathered for the first Summerwood New Resident Welcome hosted by Newland Communities. We had an astounding 78 new residents in attendance! The evening included a presentation of the numerous amenities in the neighborhood, information about the developer, the property management company, and the HOA. We also introduced the website, many of the activities that take place throughout the year,

and the variety of groups and committees they can plug into. Summerwood business partners, Eye Trends, Simply Elegant Interiors, and PostNet were on hand with some door prizes to round out the fun evening. We will continue to host the Welcomes during the course of the year. If you know of a new neighbor, make sure they sign into www.SummerwoodLife.com to get registered to attend. If you would like more information on to become a partner, email help@summerwoodlife.com.

Welcome to all our new residents!

For example, did you know that the sports committee has recently added several new pieces of equipment to the fitness center? They are planning a large remodel and upgrade of the facilities later this summer.

The beautification committee not only selects the yard of the month winners, they are also involved in helping the Board decide when and where to replant trees lost in the hurricane and drought. They also focus on various locations to add additional landscaping to keep the community looking its best.

The communications committee handles the content and publishing details of the newsletter you are currently reading. They also help to provide photos for not only the newsletter but the website as well.

Speaking of communications, did you know that the website and E-blast system is the main form of communication for your Board of Directors? Summerwood HOA Provides Extra Deputy Shift

Summerwood residents are very fortunate to have three Harris County Sheriff Contract Deputies that provide round the clock coverage in Summerwood on most days, and these contracts are funded equally by the Summerwood Home Owners' Association and the three municipal utility districts that serve Summerwood... MUDs 342, 344, and 361.

In addition, in the last few months you may have seen this black pickup truck, with magnetic signs on the door, patrolling the streets of Summerwood. This is, in fact, one of our Harris County Deputy Sheriffs in an unmarked vehicle. Thank you to the Summerwood HOA who originally funded this extra deputy shift during the month of December and now has authorized the extra shift to continue for the next few months. The additional shift runs concurrently with a contract deputy already on duty giving Summerwood double coverage for several hours a day.

This extra deputy shift helps with discouraging solicitors, protecting your personal property and safety, and with any other issues that may arise in the community. If you see a suspicious person or vehicle in the community and are concerned, you are encouraged to call the HCSO non-emergency number 713-221-6000, press option 1, and

report your concern. It will be helpful to let the dispatcher know that there is a contract deputy on duty in the Summerwood community. Also be prepared to give a description of the person or vehicle you are reporting and the most recent location where they were sighted.

Crime Watch Block Party on Wadlington

Several neighbors on Wadlington Drive attended a block party on Saturday, January 28th, hosted by their crime watch committee block captain, Crystal Doherty. The families gathered to enjoy the beautiful weather, a potluck meal and burgers, and an afternoon of fun and games. There were door prizes and goody bags prepared by the hostess, as well as games for the children!

The purpose of block parties is for neighbors to get to know one another well and work together to be proactive in watching out for suspicious behavior on their street, form a communication network, and report activity that seems out of place. The Summerwood Crime Watch Committee encourages

Barbara Probandt,

block captains to host block parties and promote this type of community spirit. Block Captains serve as contacts in the CWC information chain. They distribute information to the neighbors on their street in an effort to keep residents informed, raise their level of concern, and help them protect their personal property and personal selves.

If you would be interested in serving as a CWC block captain, contact Barbara Gaston at bagaston@aol.com for further information. Block captains are needed throughout Summerwood. If you are not presently being contacted by a block captain there may be a need for you to step up to fill the position.

HOMELIKE ENVIRONMENT -

Our homelike environment is one of the cornerstones in the AutumnGrove Cottage belief that people should be able to age in the same manner they are accustomed to living.

PERSONALIZED CARE -

AutumnGrove Cottage caregivers are involved in all aspects of our residents care through out their day from grooming, bathing, doing activities with them to preparing and assisting them with meals. This allows our caregivers to get to know the residents preferences and to provide more personalized care for our residents.

DEEP RELATIONSHIPS -

Since an AutumnGrove Cottage only cares for 16 residents, staff and residents get to know each other in a very personal and intimate way. With the common bond of being impacted by Alzheimer's, family members become friends and often become an informal support group for one another.

ORAL HEALTH UPDATE

IT MAY NOT BE "JUST A TOOTHACHE".

Going to the dentist may not be on the top of your To Do list, but if you're experiencing dental pain, a trip to the dentist may be just what you need. If you have a toothache that lasts more than one or two days, you notice swelling around a tooth, bleeding, or experience severe pain or fever, it's time to make an appointment with the dentist as soon as possible. A thorough examination and diagnosis is important to prevent more serious complications to your teeth, jaw, and gums. Dental decay and gum disease are progressive in nature. Early diagnosis is essential to a quicker and easier treatment.

THERE ARE SEVERAL CAUSES OF DENTAL PAIN, INCLUDING:

- Tooth decay affecting the enamel and the dentin, or inner layer of the tooth
- Tooth abscess caused by severe tooth decay or a trauma causing an infection at the root of the tooth or between the gum and tooth
- Damage to existing fillings due to pressure from chewing, grinding, or clenching
- Teeth grinding that causes fracturing, loosening, and excessive wear
- A fractured tooth from a traumatic dental injury
- Infected gums as a result of gingivitis or gum disease (periodontitis)

During your exam, your dentist will typically ask about the nature of your dental pain, when it started, and if anything makes it better or worse. Then, your dentist will conduct a physical examination of your mouth, teeth, gums, jaws, tongue, and throat. X-rays and other tests may be recommended, depending on what the dentist suspects is causing your toothache.

Once your dentist has determined the cause of your dental pain, you will be

presented with treatment options. If a cavity is causing your pain, a simple filling may do the trick. However, if there is an infection that has spread to the tooth's nerve, a root canal may be necessary. An antibiotic may also be prescribed if you have swelling of the jaw or a fever.

DENTAL PAIN IS PREVENTABLE!

Because most toothaches are caused by decay, practicing good oral hygiene is the easiest way to prevent dental pain. This includes brushing and flossing every day and visiting your dentist for professional cleanings and checkups on the schedule determined by the Dental Hygienist. In addition, eating a healthy, balanced diet that is low in sugar will not only help you prevent cavities but will improve your body's overall health.
