VOLUME 3, ISSUE 4

OFFICIAL NEWSLETTER FOR THE VILLAGES OF NORTH POINTE HOA

APRIL 2012

FROM THE EDITOR

Howdy neighbors! Can you believe its APRIL already, where does the time go!!! I think I'm finally getting the hang of this newsletter thing by the way, ha! I'm really starting to hear more from you guys and I LOVE IT!!! I enjoy seeing all of the news first hand regarding what is happening with my neighbors and what is more cool is you want to share it with me and the rest of your community! What a way to celebrate life and each other each month. Again thank you for the supportive emails, I enjoy each one of them, they all mean a lot to me!

In this issue you will find an article from Pam Ferguson recapping the HOA meeting in January, and an article from Paul Hicks regarding the important new markers on our storm drains!

Please take special care in reading the columns titled "Welcome New Neighbors" and "Stork Report" because we have another sweet family and more beautiful babies to welcome to our wonderful community again this month! We also have reason to celebrate so check out the "VNP Kids In The Spot Light" column, "Birthday" column and the "Happy Anniversary column"!

Don't forget to review "The Villages of Northpointe 2012 Social Events Calendar by The Woman's Group" and see what events you can provide citizenship for. It doesn't cost you anything except a little of your time.

There is a lot going on in April so take a look at the "April Dates to Remember" and mark your calendars for some fantastic state wide events!

Some other goodies to check out is Tomball's 4th Annual Bunny Run, Gardening Tips for April and The Tomball Garden Club April meeting! I have another favorite recipe of mine for Spring in the "Recipe Round Up", its yummy on Easter day or any day really and its also more on the healthy side! Again our community has some great things *For Sale* so make sure and check out the section called "Personal Classifieds" to see if you may be interested in purchasing any of these wonderful items.

Well there you have it! As always I would love your feedback and I am always thankful for all of your support! Please email me at vnpcompasseditor@gmail.com to add your news or to just say hi! Remember, buying an ad for your small business will help grow this publication! Also, maybe you know someone that might want to advertise in our community? Either way email me for cost and info.

THE COMPASS

Compass CORNER

By Paul Hicks

Neighbors, time again for another installment of local happenings in VNP with yours truly. This month I want to share with you a project that benefitted both VNP and local Boy Scout Troop 471 in Tomball. As a director on MUD 281, it came to our attention that as a part of the Water Wise conservation program, we needed to place markers on all of the storm drains alerting residents that it is important to not put anything other than storm water in the drains. Rather than hire a team to place these on the storm drains, we began talking with John Michael East who was looking for a project for his Eagle Scout advancement. It was agreed that both the MUD district and John could benefit from John taking on this project as an important service to the community. The first week of March, John and his team placed markers on all the storm drains in our MUD district thus slaying two birds with one stone. We want to thank Mark for a job well done.

*Until next time I leave you now with
something a little punny:
Did you hear about the guy whose whole
left side was cut off? He's all right now.
I used to have a fear of hurdles, but I got
over it.
I used to be addicted to soap, but I'm
clean now.*

Annual VNP Homeowners Association Meeting Recap

By Pam Ferguson

The Villages of NorthPointe annual association meeting was held on January 26th at NorthPointe Intermediate School. For those of you that missed it, there were a couple of new items on the agenda this year that are important to all of us. Most of you probably know that the Developer initially contracted Chaparral Management Company to manage the neighborhood's maintenance, finances, and common areas.

There has also been a Residents Advisory Committee that is consulted occasionally by Mr. Bob Wanninger, who represents the Developer, but there has not been a resident on the Association Board.

According to a new Texas state law,

all homeowners associations must have one resident representative on the Board even if the association is still under Developer control. During the January 25th meeting, Dustin Trotti was elected by majority resident vote to be our representative! He will serve as our eyes and ears for any issues we would like to bring to the Association and has promised to act responsibly on our behalf.

Mr. Wanninger stated it's possible during 2012, the capacity build-out of the Villages will reach the critical number to turn over the management of the neighborhood to the residents themselves. This will depend on home sales, and could possibly extend into 2013 to achieve this number.

When you're buying or selling a home information overload can set in. How can you sift through facts from fluff? Everything in one place with one great experienced Realtor and America's oldest trusted major real estate organization.

VNP Kids in the Spot Light!

There are three girls that all live in our neighborhood, on the **Cypress Elite Dance Competition Dance team!** The girls and their team competed at the Showtime Dance Competition at Cy Springs High School on March 3rd! They won the 2 biggest and best awards in the competition called the Champions Circle! They also won many other awards that day. On March 11th they will compete again and also at a National Dance Competition at Moody Gardens March 23-25th. The studio they practice at is located on N. Eldridge between Spring Cypress and Louetta. Their families are so proud of them! Girls, your VNP neighbors and friends are also very proud of you and your accomplishments and dedication during these competitions! We all wish you lots of luck for the up and coming competitions and can't wait to hear how they turn out! Keep up the awesome work girls!

Morgan Weber aced her final test to complete the US Figure Skating Learn-to-Skate program. She began Freestyle Skate training in February and will compete in her first competition in April! We are so proud of her hard work, dedication, and big smile over the last two years! Your community is cheering you on Morgan, good luck at your first competition and we can't wait to hear how it goes!

5 year old Chase B. just earned his Taekwondo blue belt. In Taekwondo there are 10 Geups, starting from the 10th Geup (white belt) and ends with the 1st Geup (red-black belt). The term "Geup" means degree. Chase is one belt away from his red belt!!!! The color blue indicates that a student is reaching higher, like a plant that is growing towards the sky! .Way to go! Love Mommy!! Congratulations Chase from all of your friends, family and neighbors here in the Villages of Northpointe! Keep up the great work!

RECIPE ROUND-UP

"CHICKEN PESTO AVOCADO SANDWICH"

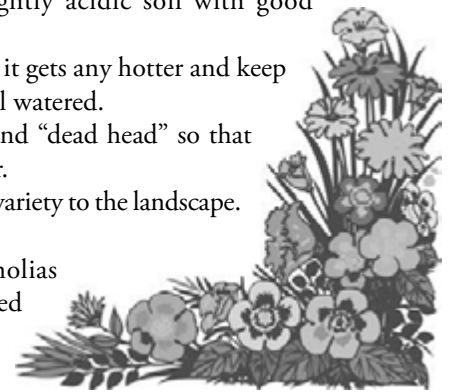

- 2 Slices - California Sourdough Bread
- 1.5tbsp - ALESSI Authentic Italian Pesto
- 1 Wedge - Light Creamy Swiss (The Laughing Cow)
- 4-5 Slices - Deli Ever-roast Roasted Chicken Breast (thinly sliced at your local Kroger Deli)
- 1 - Regular Avocado
- 1 - Lime

Lightly toast the 2 slices of California Sourdough Bread in toaster oven or regular toaster. Spread on one slice the 1.5TBSP ALESSI Authentic Italian Pesto and then spread on the 2nd slice the 1 Wedge of Light Creamy Swiss (The Laughing Cow). Next individually roll each slice of chicken and place each on one of the slices of bread. Then cut up the Avocado into thin slices and place a layer on top of the rolled up chicken. Last squeeze 1 half of the lime onto the Avocado and season with Salt and Pepper to taste. (You may also add 1 slice of Tomato if you want).

*** You will have Avocado left over so squeeze the rest of your lime on them, salt and pepper to taste and enjoy!

April Garden Tips

- If necessary, prune spring-blooming shrubs, such as azaleas, quince, wisteria, forsythia and climbing roses after flowers fade.
- Ignore the white web covering on the trunk and limbs of some trees. Beneficial insects, bark lice, are at work.
- Plant caladiums in slightly acidic soil with good drainage.
- Plant new shrubs before it gets any hotter and keep newly set-out plants well watered.
- Pick perennial flowers and "dead head" so that plants will bloom longer.
- Ornamental grasses add variety to the landscape. Try some.
- Feed camellias and magnolias with azalea food scratched into the soil and watered.
