It's Snake Season

In the spring time, snakes are hungry after a winter of being mostly dormant and will go wherever food is most easily found. Also, spring is breeding season, so males are actively seeking out females. Once summer comes around, snake activity during the daytime drops off because of the heat. Snakes generally find a cool spot to hide during the day. These cooler areas can be any number of places, such as under concrete slabs, in wood piles, or even in buildings. In the evenings they become active as they come out to look for food.

The 4th Annual Colin's Hope Classic Golf Tournament

Submitted by Carrie Wilkin

The 4th Annual Colin's Hope Classic golf tournament was held on April 18th at the beautiful Flintrock Falls golf course in Lakeway. This event is always a special one for the Austin-based, non-profit foundation, as it was the very first event that Colin's Hope hosted after setting out on its mission to raise water safety awareness to prevent childhood drownings. This year as every year since its inception many loyal golfers teed up to spend their day in support of the charity's mission, kicking off swim season with a great reminder of how to swim safely and enjoy the water this summer!!

Today, nearly four years after the founding of Colin's Hope, many ask about the "success" or "impact" of the foundation. Defining "success" with a vision like that of Colin's Hope: a world where children do not drown, can be a challenge...when the loss of even one child's life is too many. However, the impact on our community that Colin's Hope has had is something that can begin to be measured now, and its accomplishments are many!

Colin's Hope has become the face of drowning prevention in the Austin-area and has made a name for itself in Central Texas, statewide and even nationally. This year the foundation received the Member Agency of the Year award and the Innovative Program of the Year award from Safe Kids Austin for its drowning prevention work. Colin's Hope also co-chairs the Central Texas Water Safety Coalition Board and holds a place on the Safe Kids Austin Board. The charity's message that "drowning is preventable" can be found all over our community during swim season, including Reagan billboards, more than 80 Peel, Inc. community newsletters, radio spots and numerous local TV interviews. Colin's Hope hosts several events that are now well-known and much anticipated, including the Kids' Triathlon and the Got2Swim open water swim in Lake Austin. These events draw lots of publicity and connect the foundation with its target audience: children, their parents and the swimming community. Olympic swimmers Brendan Hansen, Garrett Weber-Gale and Kathleen Hersey continue to support Colin's Hope and, together with Nitro Swimming, hosted a Colin's Hope Got2Swim clinic

in January to both raise funds and teach children better ways to swim safely. The foundation's list of community, statewide and national partners has grown exponentially. Colin's Hope grows stronger, smarter and more influential through its partnerships with organizations like Schlitterbahn, Pool Safely, Safe Kids, the YMCA, The Expedition School, World Water Park Association and the City of Austin, just to name a few.

But there is no better way to see the impact of Colin's Hope than through its annual Water Safety Walk. In its first year in 2010, Colin's Hope distributed 5,000 water safety packets containing information on water safety and drowning prevention, including its 7 key water safety tips and a Water Guardian badge. In 2010, 50,000 packets were distributed, and the 2012 Water Safety Walk will reach 75,000 homes! Distribution of the packets has been focused in the zip codes identified as having the highest incidence of drownings in the Austin area, and, since the information was delivered, the number of drowning deaths in many of these areas has DROPPED TO ZERO! Now THAT feels like success...because if even one child is safe and alive today because of its efforts and the impact that Colin's Hope has made, isn't that exactly what the foundation set out to do?

Fortunately, they get to keep on doing just that...protecting children and keeping them safer in the water...through the support of the golfers, sponsors, prize donors and volunteers who generously donated time, energy and money to make the 4th Annual Colin's Hope Classic another tremendous success. Prizes were awarded for the top 3 scoring teams, as well as for longest drive, longest putt and closest to the pin, however, the real winners on this day were the children and families Colin's Hope works to protect!

The founders' son, Colin Holst, drowned in an Austin-area public pool in 2008 at the age of 4. Colin's Hope was started in his honor and, on tournament day, he was remembered time and again... as everyone agreed it was, as Colin used to say, "the best day ever!"

Point of Origin Shares the Love with LTlov

Submitted by Ciara Bearden

Gift boutique Point of Origin hosted a fundraiser called "Shop, Laugh, Love" for Lake Travis Labor of Love on Thursday, March 22, raising \$730 for the local non-profit organization. Guests enjoyed a fun evening of shopping, cocktails, door prizes and gourmet tastings. Point of Origin donated a percentage of the evening's purchases to LTlov, whose philanthropic efforts support numerous local projects and organizations each year.

"We've seen how LTlov touches lives right here in our community, from filling the shelves of our food pantry to providing pajamas to children in local shelters, and we were delighted to partner with them for this fun event," said Jaime Bush, owner of Point of Origin. She added, "I was especially moved

by the group's generosity of time and money towards the Lake Travis Lunch Truck that provides lunches to school children during the summer months."

LTlov's mission is to identify local needs, inspire community involvement, and distribute contributions through projects that assist and empower families in the Lake Travis area. LTlov is a proud supporter of Lake Travis Fire and Rescue, Dream a Dream Therapeutic Horsemanship, Spicewood Helping Hands, the Lake Travis Lunch Truck, and many more.

Point of Origin is a locally-owned gift boutique located at 620 and Lohmans Spur that features unique gifts, jewelry, apparel, personalized items and home décor.

Point of Origin has been a favorite in Lakeway for 19 years.

Susan Combs to Speak at Lake Travis Republican Club Meeting

Texas Comptroller Susan Combs will be the featured speaker at the monthly meeting of the Lake Travis Republican Club to be held Tuesday, May 15 at the Hills Country Club, from 11:30 AM to 1:00 PM.

Susan Combs was elected Texas Comptroller of Public Accounts in November 2006 and immediately set an innovative course of action to transform state government and prepare Texas for the future beginning her first day in office on Jan. 1, 2007.

As Comptroller, Susan is the state's chief financial officer. She manages the state's treasury operations, monitors Texas' fiscal health, guides legislative decision makers by estimating state revenues and ensures state taxes are collected fairly and efficiently to fund vital programs and services for the people of Texas. But her focus does not end there.

With a belief that government must be fully accountable to the people it serves, Susan has spearheaded unprecedented efforts to

give taxpayers a transparent look at how their dollars are spent. She posted the expenses of the Comptroller's office online her fourth day on the job and took transparency in government spending to new heights by launching the Where the Money Goes Web site. Considered a model by many other states and open government advocates, the site features a virtual check register that gives the public online access to detailed and up-to-date expenditure information for all state entities.

Susan is committed to efficient government. Under her direction, the Comptroller's office has set a standard of excellence and efficiency in customer service. Direct customer feedback guides improvements at every level, from an ongoing effort to simplify forms and publications to the award-winning redesign of the agency's Web site to ensure citizens have the fastest access to the information they need.

Prior to being elected to her current position, Susan held numerous important positions,

starting with serving as an assistant district attorney in Dallas, where her performance as a tough prosecutor of child abuse cases earned her widespread respect. She then served two terms in the Texas House of Representatives, where she sponsored and passed the state's landmark property rights legislation and authored legislation on tort reform vital to the business community. Following this, Texans elected Susan in back-to-back elections in 1998 and 2002 to serve as the state's first woman Agriculture Commissioner.

Susan was born in San Antonio and is a 4th generation Texan with a ranch in Brewster County owned by her great-grandfather more than a century ago. She lives in Austin with her husband, Joe, and is the proud mother of three sons.

Tickets for the meeting are available for \$15.00 for members, and \$20.00 for guests. Reservations can be obtained by calling 512-261-0722, or by email at warmuthb@swbell.net. Lunch buffet will be served.

SOME PEOPLE SAY THAT WE GET THE GOVERNMENT WE DESERVE. I SAY THAT WE DESERVE BETTER.

**Gerald
Daugherty**

for Travis County Commissioner, Pct. 3

www.Gerald2012.com

For six years, Gerald was our conservative voice on the Commissioners' Court fighting for county government that was accountable to the citizens. If re-elected, Gerald will continue working to:

- Stop the out-of-control government spending, cut waste and inefficiency and see that the taxes are kept at the lowest possible levels
- Complete Texas 45 SW that would connect FM 1626 in Hays County with MoPac in Austin, a project approved by voters 15 years ago.
- Reestablish a business-friendly environment where county government is a partner, not a hindrance, in the effort to create jobs.
- Develop reasonable and equitable solutions to meet the growing demands on our drinking water supply and our lakes, from where so much of our economy is derived.
- Utilize the more than \$50 million in park land purchased by the county to develop much needed youth athletic facilities in western Travis County.

EARLY VOTING IS MAY 14 - 25TH. ELECTION DAY IS MAY 29TH.

It's time to hit the

in Travis County.

"In dealing with all the needs in western Travis County such as roads, water, a tax rate that's as low as it can be, or working collaboratively with state government or the school district, Commissioner Gerald Daugherty was one of the most effective elected officials I've ever encountered. We need to bring him back."

A FOCUS ON PHYSICAL ACTIVITY

Pathway to Improved Health

By Concentra Urgent Care

Being physically active is one of the most important steps you can take to maintain or improve your health. When combined with eating a healthy diet, regular exercise can substantially reduce your risk of chronic disease, prevent weight gain, and improve your overall level of physical and emotional fitness.

HOW MUCH PHYSICAL ACTIVITY DO I NEED?

The U.S. Department of Health & Human Services (HHS) has recently published several recommendations related to exercise:

Any physical activity is better than no physical activity

- Includes people with disabilities
- Far outweighs the possibility of risk of injury or illness
- Most health benefits occur with at least 150 minutes a week*
- Both aerobic (endurance) and muscle-strengthening (resistance)

are beneficial

For most people, additional benefits occur when

- You increase the intensity of your physical activity
- You increase the frequency of your physical activity
- You increase the duration of your physical activity

SHOULD OLDER ADULTS EXERCISE, TOO?

The same HHS guidelines apply, but older adults need to make

sure that their fitness level and any chronic conditions allow them to safely perform physical activity. For example, if an older adult is at risk of falling, he should do exercises that maintain or improve his balance.

WHAT IF I HAVE A CHRONIC MEDICAL CONDITION?

If you have a chronic medical condition, you should be under the care of a health care provider. It is important to consult your physician about the type and amount of physical activity appropriate for you.

HOW DO I GET STARTED?

The health benefits of physical activity far outweigh the risks and some activity is better than none. Persons who have not been diagnosed with a chronic condition (such as diabetes, heart disease, or osteoarthritis) and do not have symptoms (e.g., chest pain or pressure, dizziness, or joint pain) do not need to consult with a health care provider prior to starting an exercise program.

For more information on total fitness programs in general, you can contact your health care provider, your Concentra health specialist, or visit the National Safety Council's Web site at: <http://www.nsc.org/resources/Factsheets/hl/fitness.aspx>.

Whole Foods Market® ANNOUNCES OPENING DATES FOR TWO NEW AUSTIN AREA STORES

Whole Foods Market announced the opening dates today for two new Austin area stores, one in Bee Cave at the Hill Country Galleria, opening May 16th, and another in southwest Austin at the Arbor Trails shopping center located at Loop 1 and William Cannon, opening on June 19th. Both Whole Foods Market stores will be about 35,000 square feet in size and will each employ 150 to 200 Team Members.

"These are the first new stores in Austin since the late 1980s, with the exception of our relocated stores. Our guests have told us they'd like to see more stores in our hometown and we have been working hard to make that happen," said Mark Dixon, Regional President for the company's southwest region, "We're excited to be able to provide the highest quality natural and organic products to other parts of the greater Austin area."

The new stores will offer shoppers the essential Whole Foods Market experience, with a variety of natural, local and organic foods in an environment designed for every member of the family and a diverse range of lifestyles. Both stores will feature made in house chef-prepared foods including some tried and true favorites in Austin including pizza, tacos and barbecue. Both locations will have in-store bars with beer and wine on tap. In line with the company's core value of caring about its communities and the environment, the two stores will offer complimentary electric vehicle charging stations. The Bee Cave store will also have a large rainwater collection unit and outdoor seating areas designed to be a relaxing haven and social gathering stop for friends and families.

Both stores will open with a bread-breaking ceremony, and grand opening activities will continue throughout the first week including tastings, demonstrations from local producers, and events that reflect the culture of the communities the stores are joining.

"We've really enjoyed getting to know our new neighbors at both locations and they've been instrumental in helping us settle in," said Rebecca Scofield, Community Relations Coordinator for the Austin metro, "We'll be hosting our regular community giving days and are looking forward to helping out some very worthy nonprofit organizations with our event during opening week at each store."

Store Team Leaders are already in place for both the new stores. Steph Steele, formerly the Store Team Leader at Austin's flagship store on Sixth Street and Lamar, will join Arbor Trails. "I live in this neighborhood, and am so thrilled to see a Whole Foods Market store become a part of the growing southwest Austin community!" said Steele.

The Bee Cave Store Team Leader, Wade Taylor, comes back to the Austin area from the Whole Foods Market San Antonio Quarry store. "The key to both new Austin area stores is convenience," said Taylor, "we're bringing the high quality standards and pleasurable shopping experience our customers expect to more parts of town, and that's something we hope our shoppers in these communities will be excited about. I know we are!"
