Lakeway Associates Raises Record Amount to Aid Mentally Ill

Annual Gala Results in \$35,590 Check for Seton Shoal Creek Hospital

The Lakeway Associates of Seton, headed by President Kim Nearburg, presented an oversized check for \$35,590.81 to Seton Shoal Creek Hospital at the group's year-end luncheon on May 2 at The Hills Country Club. The check was a record net amount raised to date from the group's annual Gala, held March 26 at the extraordinary home of renowned designer and restaurateur, Beau Theriot. About 200 people attended the event.

Combined with the amount from the Gala, Lakeway Associates raised more than \$51,000 this past year for the psychiatric hospital, including about \$6,000 from the Seton High Tea on January 28, Nearburg said.

Seton Shoal Creek Hospital is the only acute-care psychiatric hospital in Central Texas that treats children, teens and adults. The hospital offers in-patient and outpatient programs for persons struggling with mental disorders, chemical dependency, detoxification or emotional and behavioral problems.

Nearburg chaired this year's Gala and praised volunteers for their support, especially event host Beau Theriot, as well as sponsors including The Oasis, Tito's Vodka, Twin Liquors, and the musical group Bahama Billy.

At the luncheon, Nearburg also congratulated Seton High Tea organizers Barbara Beebe, Nancy Clayton, Cindy Kotrady and Sue Cornett for their outstanding efforts.

Representing Seton Shoal Creek Hospital, Vice President and Chief Operating Officer Alan Isaacson remarked that the donated funds would be used for recreational therapy, renovation of child and adolescence areas, new musical equipment, and ongoing facility improvements.

"Your group is the largest fundraising benefactor for our hospital. If not for your generosity, our mental healthcare ministry would not be able to complete these vital projects," Isaacson said.

When asked about mental health services at the new Lakeway Regional Medical Center (LRMC), Isaacson said, "We have an agreement with LRMC to take all referrals of patients without financial means who require mental health care."

Also praising the fundraising efforts were Kyle Landry, Seton development associate; Sister Gertrude Levy, who led the invocation;

Susan Grice, R.N., D.N.S.C., chief nursing officer; and Lindsey Warren Davis, R.N., clinical nurse manager of child and adolescent programs.

During the event, Nearburg presented floral gifts to outgoing Lakeway Associates board members, including Past President Cindy Kotrady; First Vice President Sharon January; Second Vice President Barbara Bembry; Treasurer Sharon Rogers; Recording Secretary Kitty Lichty; Membership Chair Beth Maher; Publicity Chair Gretchen Nearburg; and Program Chairs Sally Barto and Carolyn Husbands.

Nearburg, who will serve as the group's president again in 2012-2013, announced board members for 2012-2013, including First Vice President and 2013 Gala Chair Barbara Bembry; Second Vice President and Gala Chair Sally Barto; Treasurer and Recording Secretary Jean Hennagin; Membership Chair Beth Maher; Publicity Chair Pat Evans; Seton High Tea Chairs, Cindy Kotrady, Barbara Beebe and Sue Cornett.

Make Plans to Attend Lakeway's Fourth of July Celebration

If you think last year's Independence Day celebration was lots of fun, (and it was) just wait until you see what's in store for you this year at Lakeway's 37th Annual 4th of July Parade and Celebration on Wednesday, July 4th. This year's theme "Heart of America," clearly embodies the military in our society and our gratitude for their devotion to service.

Taking center stage at the Fourth of July Parade are Co-Grand Marshals Major Shelly Mendieta and her husband Major Michael Mendieta, both active duty personnel, the former serving in the Air Force and the latter serving in the Marines.

The July 4th Parade begins at 8:30 a.m. at the Live Oak Club House, and continues down Lakeway Drive to the Activity Center on Cross Creek. As a special treat, flyovers will include F/A18 Navy strike-fighters and helicopters. Also included in the parade is Melonie Mills as Lady Liberty, a squad of troops from Iraq, Austin's Mounted Police, and much, much more.

If you would like to participate in the Fourth of July Parade, you can pick up an entry form at City Hall or call Paula Crawley at 261-1938.

The Pageant of Flags follows the parade at 10:30 a.m. at the Activity Center on Cross Creek, where you will meet the Co-Grand Marshals, listen to the Wildflowers sing a selection of patriotic music and enjoy the presentation of parade awards. Also featured on the agenda is a short presentation on the War of 1812. A static helicopter display will be stationed in the lower level of the Activity Center parking lot.

For all you swimmers out there, the Lakeway Swim Center will be open from noon to 9 p.m. at a reduced price of \$3 per person.

The evening's entertainment begins with an Old-Fashioned Block Party at 5 p.m. at streets surrounding the Swim Center, featuring the exciting sounds of Duck Soup playing your favorite rock n' roll, country, jazzy blues and more. Duck Soup is one of the most talented bands around with their strong vocals and incomparable devotion to their instrumentals. So grab your partner and dance the night away to your favorite tunes under the marquee tents, complete with lighting, a dance floor, tables and chairs. You are welcome to bring your own, as well. Entertainment for the kids includes Laser Tag and a Super Slide.

Don't forget those good eats. Concession stands include Dock 'n Roll Diner, Whatataco, and Kona Ice Austin. Believe me, there is something for everyone.

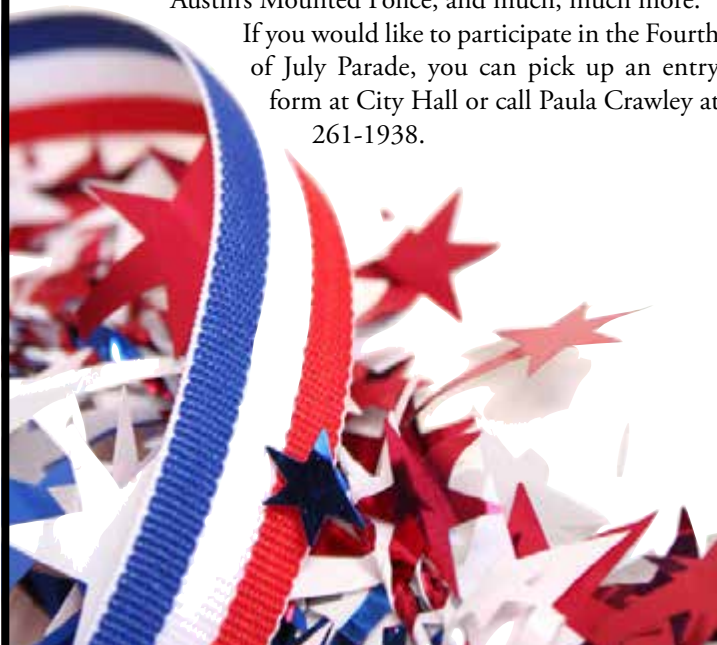

Andra Dearing, Committee Chair, is working hard to coordinate this event. "I'm so excited and honored to Chair Lakeway's Fourth of July Celebration. It's really all the volunteers that make our celebration possible, and there are hundreds!"

Although we won't have fireworks again this year due to the ongoing drought, the show will go on with lots of fun-filled activities for all. Parking will be available at the World of Tennis and at Serene Hills Elementary School parking lot.

For more information, visit the city website at www.lakeway-tx.gov or call the Park and Recreation office at (512) 314-7530.

See you there!

Lakeway Dances Into Summer

If you like to dance or listen to big band music of the Sinatra era, be in Lakeway on Monday, June 11. Where else can you go to find a cool place with a large dance floor and a live big band?

The City of Lakeway's monthly Big Band Bash is where you will find the action. On the second Monday of each month, from 8 to 10 pm, the Big Band Bash takes place at the Lakeway Activity Center, 105 Cross Creek, telephone. 261-1010. This free monthly event (donations to the band will be encouraged) offers a large dance floor, with plenty of tables. You may bring your own refreshments, if desired, as none will be provided. There are no

reservations—doors will open at 7:30 p.m.

Well known singers (and Lakeway residents), David Cummings and Lisa Clark, are featured with The Republic of Texas Band. It is a 17- piece band, conducted by Kent Dugan. This band consistently appeals to dancers of many generations. Expect to hear a wide variety of favorite tunes with fresh arrangements.

Get your dancing shoes polished, dress up a bit (not formal), and come out to dance and listen to some really great music. This event shows why living in Lakeway is so much fun.

Rising Stars Shine Bright at TexARTS

Broadway's future showstoppers have had an eventful year at the TexARTS Performing Arts Academy. During the 2011-2012 school year, academy students starred in three fully staged youth productions - Alice in Wonderland Jr., Disney's High School Musical and The Sleeping Beauty. Each production received enthusiastic reviews and played to sold out audiences at the Kam and James Morris Theatre. Having had their chance to take center stage, many of the performers plan to return to TexARTS this summer and attend the academy's popular series of performing arts camps.

This summer, TexARTS will offer a variety of theatrical camps, mini-camps and intensives for children and teens of all levels. Camps begin June 4 and run through August 17.

This year's lineup includes a musical theatre intensive focusing on the Broadway hit Legally Blonde and a youth ballet intensive of Swan Lake. Students may also enroll in full-day or half-day camps that focus on such popular titles as Annie, The Sound of Music and Glee. Camps are under the guidance of experienced Broadway professionals and will

focus on basic vocal technique, acting skills, dance and musical theatre.

"Arts education has proven to have such a positive impact on the development of a child. These programs help to build self-esteem and confidence in young people," said TexARTS Producing Artistic Director Robert Armitage. "Plus, it's a whole lot of fun and a great way for kids to spend their summer."

TexARTS is a non-profit organization that also offers year-round classes in acting, voice, ballet and dance as well as completely staged youth and professional productions. TexARTS' mission is to cultivate a thriving arts community by exposing all people to the visual and performing arts. The TexARTS faculty, who has earned 21 Broadway credits among them, strives to prepare and promote exceptional young talent. TexARTS is recognized throughout the region for its educational programs.

For more information or to register for TexARTS' upcoming performing arts summer camps, visit www.tex-arts.org or call 512-852-9079. TexARTS is located in Lakeway at 2300 Lohman's Spur, Suite 160.

Around Lakeway

Lakeway: A Hill Country Community

The book Lakeway: A Hill Country Community is published by the City of Lakeway as we prepare to celebrate our founding 50 years ago.

In the summer of 1962, three wise men from the east discovered a lovely inlet on recently created Lake Travis, approximately twenty miles west of Austin. The following year they built and opened the Lakeway Inn.

Despite the surrounding land being populated mostly by goats, the founders laid out residential streets, hoping that a few hardy souls might build vacation or retirement homes.

They considered permanent homes unrealistic because the Austin media and Realtors thought Lakeway too distant for a sensible commute.

Despite such humble beginnings, Lakeway developed into a multifaceted community of some 14,000 inhabitants, abetted by the tireless efforts of countless

volunteers. Also unique are Lakeway's picturesque greenbelts, canyonlands, nature parks, walking trails, and, of course, Lake Travis.

Lewis H. Carlson's Lakeway: A Hill Country Community is a superb historical tribute to our cherished community combining more than 100 stunning images with the author's engaging narrative.

This splendid coffee table book features page after page of visual delights capturing and illuminating the development of Lakeway and Western Travis County.

Lakeway: A Hill Country Community is available at the Point of Origin, Faraday's Kitchen Store, Lakeway Activity Center and, soon, Barnes & Noble.

Dr. Kevin Hoffarth Opens Lakeway Regional Family Medicine

After an 18 month search around the entire country, this family doctor found a home in Lakeway to plant his roots. Spending the last 10 years of his practice in the Sierra Nevada Mountains of California, Dr. Kevin Hoffarth covered a wide variety of family care, and plans to implement the same scope of experience into his new practice. While practicing in an underserved rural community, Dr. Hoffarth adapted to providing the full breadth of medicine. Not only does he provide total family care, he also does some procedures that not many other family practice doctors are trained to provide (colonoscopies for colon cancer prevention as well as a new and virtually painless procedure for the treatment of hemorrhoids that can be done in 10 minutes in his office). "Whatever the issue is, you bring it and I will try and fix it here in the office, and if not, I will find someone who can," says Dr. Hoffarth. The scope of his practice includes issues related to all of the following:

- Obstetrics/Gynecology
- Pediatrics
- Internal medicine
- Psychiatry
- Geriatrics
- Men's health
- Orthopedics/Sports Medicine

One area of his practice that Dr. Hoffarth became particularly known for was his "motivational talks." Whether it's spending a half hour with your teenager to discuss the perils of "Sex Drugs

and Rock and Roll" (which parents loved) or if you struggle with weight, diabetes or hypertension, his passion for healthy living and maintenance will be to your benefit under his care. Living a healthy life to the fullest is his own personal mantra; he is there to help you set realistic goals and to help you with your journey to achieve those goals.

With Dr. Hoffarth's office located on the Lakeway Regional Medical Center's campus, it's makes caring for his critically hospitalized patients, convenient and accessible from his office. "My job is to educate and advise my patients, not dictate. Ultimately, I want my patient to make the decision that is best for them, and I want to help them in the best way possible. This is a physician-patient relationship, it is important that my patients know this is a two-way relationship that requires a great deal of trust in me as well as I in them. It is crucial that my patients feel they can tell me anything without judgment with complete confidence so I can truly treat the real issue at hand."

Dr. Hoffarth is currently accepting patients of all ages while accepting most major insurances including Medicare and Medicaid. If you have been without a doctor for years or simply need your child or your own parent or spouse to be seen, please call his office and make an appointment and see for yourself if he is the right doctor for you and your ENTIRE family.

WHY EXERCISE IS COOL

Kids exercise all the time without even thinking of it. Just being active, like when you run around outside or play kickball at school, is a kind of exercise. What else counts as exercise? Playing sports, dancing, doing push-ups, and even reaching down to touch your toes.

When you exercise, you're helping build a strong body that will be able to move around and do all the stuff you need it to do. Try to be active every day and your body will thank you later!

EXERCISE MAKES YOUR HEART HAPPY

You may know that your heart is a muscle. It works hard, pumping blood every day of your life. You can help this important muscle get stronger by doing aerobic (say: air-o-bik) exercise.

Aerobic means "with air," so aerobic exercise is a kind of activity that requires oxygen. When you breathe, you take in oxygen, and, if you're doing aerobic exercise, you may notice you're breathing faster than normal. Aerobic activity can get your heart pumping, make you sweaty, and quicken your breathing.

When you give your heart this kind of workout on a regular basis, your heart will get even better at its main job — delivering oxygen (in the form of oxygen-carrying blood cells) to all parts of your body.

So you want to do some aerobic exercise right now? Try swimming, basketball, ice or roller hockey, jogging (or walking quickly), inline skating, soccer, cross-country skiing, biking, or rowing. And don't forget

that skipping, jumping rope, and playing hopscotch are aerobic activities, too!

EXERCISE STRENGTHENS MUSCLES

Another kind of exercise can help make your muscles stronger. Did you ever do a push-up or swing across the monkey bars at the playground? Those are exercises that can build strength. By using your muscles to do powerful things, you can make them stronger. For older teens and adults, this kind of workout can make muscles bigger, too.

Here are some exercises and activities to build strong muscles:

- push-ups
- pull-ups
- tug-of-war
- rowing
- running
- inline skating
- bike riding

EXERCISE MAKES YOU FLEXIBLE

Can you touch your toes easily without yelling ouch? Most kids are pretty flexible, which means that they can bend and stretch their bodies without much trouble. This kind of exercise often feels really good, like when you take a big stretch in the morning after waking up. Being flexible is having "full range of motion," which means you can move your arms and legs freely without feeling tightness or pain.

It's easy to find things to do for good flexibility:

- tumbling and gymnastics

- yoga
- dancing, especially ballet
- martial arts
- simple stretches, such as touching your toes or side stretches

EXERCISE KEEPS THE BALANCE

Food gives your body fuel in the form of calories, which are a kind of energy. Your body needs a certain amount of calories every day just to function, breathe, walk around, and do all the basic stuff. But if you're active, your body needs an extra measure of calories or energy. If you're not very active, your body won't need as many calories.

Whatever your calorie need is, if you eat enough to meet that need, your body weight will stay about the same. If you eat more calories than your body needs, it may be stored as excess fat.

EXERCISE MAKES YOU FEEL GOOD

It feels good to have a strong, flexible body that can do all the activities you enjoy — like running, jumping, and playing with your friends. It's also fun to be good at something, like scoring a basket, hitting a home run, or perfecting a dive.

But you may not know that exercising can actually put you in a better mood. When you exercise, your brain releases a chemical called endorphins (say: en-dor-funz), which may make you feel happier. It's just another reason why exercise is cool!
