# Lakeway Regional Medical Center Hospital Update

Since opening this past April, Lakeway Regional Medical Center (LRMC) has hit many milestones in becoming a world class destination hospital. From its first patient experience at approximately 10:30 AM on April 16th, their great nursing team has been providing exceptional care, causing the first ripple of LRMC becoming a beacon of quality. Thus far, the hospital has:

- Served over 1,200 community members in the emergency room
- Captured over 1,000 radiology images
- Performed over 150 surgical cases, including multiple catheterizations and 5 open heart surgeries
- Delivered over 20 babies into the Lake Travis Community
- Received over 300 applications from physician the medical staff

In each case, we are reminded that having healthcare close to home is prevalent to everyone in different ways.

With every new day, the team of board certified physicians, nurses and all other staff realize new potential opportunities of growing into Austin's premier hospital. Lakeway Regional Plaza (new office building), expected to open in September, will bring us closer to that realization as a well-rounded group of primary care and specialty physicians take a more permanent and visible presence on the medical campus.

## OMG! Like TexARTS' "Legally Blonde" Was A Total HIT!

Where have those lazy days of summer gone? Well, they certainly never existed for the 40 students enrolled in TexARTS' Musical Theatre Intensive. Working at a pace equal to any professional theatre company, the MTI students rehearsed, staged and performed their version of the Broadway smash, "Legally Blonde" all in just three weeks.

Based on the novel by Amanda Brown and the popular Reese Witherspoon film, "Legally Blonde" tells the tale of sorority star Elle Woods. When dumped by her boyfriend for someone more "serious," Elle puts down the credit card, hits the books and hatches a plan to win back her beau by enrolling in Harvard Law. Along the way, Elle proves that being true to oneself never goes out of style.

TexARTS instructor and Broadway veteran Keenah Armitage directed this uplifting, feel good production that combined all the original wit with a catchy pop score and energetic dance numbers. As an added bonus, the MTI student cast was able to gain additional insight to the show by taking master classes with guest teaching artist Jason Gilmore. Gilmore, a professional actor, starred in the original Broadway cast of "Legally Blonde."

Kalie Naftzger, a 15-year old TexARTS student, landed the lead role of Elle.

"Elle Woods is a dream role for me," said Naftzger. "The intensive was challenging and yet a great learning experience. The instructors were wonderful and helped push me to fully embrace my role. This was my sixth summer intensive at TexARTS and I can't wait for next year."

If you missed the sold out run of "Legally Blonde," be sure to attend the TexARTS' open house, "A Taste of TexARTS," on August 18 from 10:00 a.m. to 2:00 p.m. There you can meet the instructors and the cast, take a free dance class and enjoy some selected musical numbers from "Legally Blonde."

TexARTS is a non-profit organization that also offers year-round classes in acting, voice, ballet and dance as well as completely staged youth and professional productions. TexARTS' mission is to cultivate a thriving arts community by exposing all people to the visual and performing arts.

For more information on A Taste of TexARTS or to register for TexARTS' upcoming fall classes, visit [www.tex-arts.org](http://www.tex-arts.org) or call 512-852-9079. TexARTS is located in Lakeway at 2300 Lohman's Spur, Suite 160.

# THE BEAT GOES ON IN LAKEWAY

What better way to beat the heat than to dance or listen to big band music of the Sinatra era in Lakeway on Monday, August 13.

The City of Lakeway's monthly Big Band Bash continues to be the best dance in Central Texas. On the second Monday of each month, from 8 to 10 pm, the Big Band Bash takes place at the Lakeway Activity Center, 105 Cross Creek, telephone. 261-1010. This free monthly event (donations to the band will be encouraged) offers a large dance floor, with plenty of tables. You may bring your own refreshments, if desired, as none are provided. There are no reservations—doors will open at 7:30 p.m.

Well known singers (and Lakeway residents), David Cummings and Lisa Clark, are featured with The Republic of Texas Band. It is a 17- piece band, conducted by Kent Dugan. This band consistently appeals to dancers of many generations. Expect to hear a wide variety of favorite tunes with fresh arrangements.

Get your dancing shoes polished, dress up a bit (not formal), and come out to dance and listen to some really great music. Anyone who has attended will tell you this monthly event shows why living in Lakeway is so much fun.

## Library Offers High School Summer Reading Discussion Groups

Do you know any Lake Travis High School students who need help with required summer reading books? Visit Lake Travis Community Library for special discussion groups! The library will hold five summer reading discussion groups for incoming Lake Travis High School students in August:

**Monday, August 6** at 4 p.m. - 9th Grade Pre-AP English I - To Kill a Mockingbird by Harper Lee and Of Mice and Men by John Steinbeck

**Tuesday, August 7** at 4 p.m. - 10th Grade Pre-AP English II - The Life of Pi by Yann Martel and Oedipus the King by Sophocles

**Monday, August 13** at 12 p.m. - 10th Grade AP World History - The Forgotten Soldier by Guy Sajer

**Tuesday, August 14** at 12 p.m. - 9th Grade Pre-AP World Geography - Seven Years in Tibet by Heinrich Harrer

**Wednesday, August 15** at 12 p.m. - 9th Grade Pre-AP English I - To Kill a Mockingbird by Harper Lee and Of Mice and Men by John Steinbeck

Incoming 10th grade student Yen Chen Wee said that he would have benefitted from the discussion group.

“In middle school I was able to speed read through most of the

books, but in high school, teachers want you to not only see what’s on the surface, but to also read in between the lines,” said Wee. “A discussion group would help because you can see how others interpret the book to make sure you don’t miss anything important.”

At the study groups, students will discuss the books, talk about annotations, practice class discussions, and get advice from former students. Upperclassmen at Lake Travis High School have volunteered to attend the discussions to help prepare younger students.

Incoming 10th grade student Anna Dolliver plans to attend the discussions.

“At my old school, when we discussed books in class, that usually led to higher understanding and we went more in depth than we would have reading it by ourselves,” said Dolliver. “The discussion groups at the library will be helpful because students can hear different opinions from other students.”

As always, please contact the library for more information about any of these events at (512) 263-2885 or [www.laketralibrary.org](http://www.laketralibrary.org). We look forward to seeing you at the library!

# LAKEWAY *City Hall* ART GALLERY

**PAINTINGS BY JOAN LAWSON  
JULY 31 TO SEPTEMBER 11**

Beginning July 31, 2012 to September 11, 2012, paintings by Joan Lawson will be on display at the Lakeway City Hall Art Gallery. The exhibit may be viewed during regular City Hall office hours Monday through Friday, 8:00 AM to 5:00 PM. The Art Gallery is located off the lobby of City Hall at 1102 Lohmans Crossing.

Joan Lawson's paintings are vibrantly alive with movement and texture. She finds inspiration in the natural beauty and light of the Texas Hill Country, as well as her travels in the United States and abroad. Her style ranges from realism to nonrepresentational, depending on how the subject renders itself at the time. She enjoys painting her beautiful surroundings, but also likes to express in abstract and figurative form her interpretation of dreams and visions. "I express my relationship to the Universe through my art."

Joan has been painting all of her life, starting out using oils and watercolors. But now she enjoys the flexibility of acrylics and collage to achieve texture and depth in her work. In her exhibit at Lakeway City Hall, she will be showing her latest works in her "Dreamscape" series. She uses vibrant oranges, reds and golds applied with a palette knife and large brushes to capture the emotion and mood of each piece.

Joan paints and gives lessons in her home studio. She has a BA in studio art from Oklahoma City University, and has studied painting with well-known artists in the U.S. and France. She is a founding member and current board member of the Creative Arts Society in Austin. Her paintings are in private and corporate collections in the U.S. and abroad. She currently shows her works in local galleries and exhibitions, including a recent show at Dougherty Arts Center. Her work is currently on display at Cypress Grill, Corridor of Art, and Amplify Credit Union. Her work can also be seen in her studio at 7744 El Dorado Drive and on the web at [www.joanlawson.com](http://www.joanlawson.com).

## HealthSource Chiropractic and Progress Rehab Plans to Donate to Colin's Hope

Grand Opening will include Colin's Hope Water Safety Bingo, free food, gifts, and other incredible prizes. Representatives from "Colin's Hope" will serve as guests of honor during a Grand Opening celebration on August 11, 2012 at HealthSource Chiropractic and Progressive Rehab™.

This event will help raise funding for the organizations' water safety and drowning prevention programs, and will include a "meet and greet" with Colin's Hope volunteers who will be playing water safety bingo and passing out water safety packets.

The event is open to the public, and everyone who attends will receive (1) free drawing ticket for a chance to win a great prize from an assortment of local business. Additional drawing tickets will be available for purchase (5 for \$5), and all proceeds will benefit the organization.

HealthSource Dr. Huffman, D.C. said he is a huge supporter of the local nonprofit and thought it was important to provide an opportunity for everyone in the community to say thanks.

"Colin's Hope has done such an incredible job at keeping our children safe through their water safety awareness campaign and community programs," Dr. Huffman said. "We thought what better way to say thanks than by raising money that will help enable them to continue their work to prevent our young children from drowning."

"We are so pleased to partner with HealthSource Chiropractic and Progressive Rehab, says Alissa Magrum, Executive Director of Colin's Hope. "Drowning is the number 1 cause of accidental death for children under five and the number 2 cause for children ages 1-14. Here in Central Texas we have already seen more than 18 children drown or nearly drown this year. Our mission is to raise water safety awareness to prevent children from drowning. Through partnerships like these, we are able to get our water safety messages out into the community. Simple things like constant visual supervision, learning to swim, wearing life jackets and ensuring multiple barriers to water can be layers of protection to prevent drowning. Drowning is preventable."

## LCPAAA Beat

The Lakeway Citizens Police Academy Alumni Association (LCPAAA) celebrated with the 2012 graduates of the Citizens Police Academy on June 6th for the certificate presentation and party. Lieutenant Ken Farr of the Lakeway Police Department and Dean of the Citizens Police Academy, Officer Eric Barto hosted the bestowal of diplomas at the Lakeway Activity Center. The program takes a major commitment on the part of each graduate to 72-hours of instruction designed to give the public a working knowledge of law enforcement and the Lakeway Police Department's policies and operational practices.

The LCPAAA is a non-profit organization composed of academy graduates. While the Lakeway Police Department has been conducting yearly Citizen Police Academies since 2004, the alumni association was founded in 2009. The charter of the LCPAAA is to assist in education of the community related to the LPD and serve when requested on community projects.

In June, the LCPAAA invited speakers from the Lake Travis Fire and Rescue and the LCRA to make presentations at the Lakeway Municipal Court about coping with the "Long Hot Texas Summer". Bob Rose, Chief Meteorologist for LCRA, summarized the weather pattern we have been experiencing for the last couple years and renewed our hope things will change. Also speaking from LCRA was Nora Mullarkey, Supervisor on Water Conservation and Assistant Chief of LTFR, John Durham, who educated us on drought and wildfire awareness.

Members of LCPAAA are gearing up for Park Patrol. Soon you will see members patrolling the Lakeway greenbelt paths with a radio to offer assistance and contact police in emergencies.

Training is open to Citizen Police Academy graduates. Contact Officer Eric Barto at the LPD or LCPAAA president, Sharon Brashear.

For the past two years LCPAAA has also assisted at the Lakeway Public Safety Day. This community event brings together emergency service personnel from across Travis County. An exciting day where you can meet bomb sniffing dogs, see robots, talk to the LPD Auto Theft taskforce and see close up emergency helicopters from all county services. A very educational event, it also offers entertainment, food and an opportunity for kids to meet and talk to real heroes in person. This year the event is scheduled for Saturday, September 15, 2012 watch the local newspaper and other venues for more details.

Meetings for LCPAAA are held every other month and address a topic of interest to the community. The next meeting will be August 16th at the Lakeway Municipal Court at 7PM, the public is invited.

# Back To School Checklist

Ensuring a  
Healthy Return  
to the Classroom  
Begins at Home

\* \* \* \* \*

As a parent, there's no doubt that back-to-school season requires a lot of effort to get your kids all set for the challenges of the classroom. But it's also an important time to consider your child's health, says Daniel Howard, M.D., a pediatrician with The Austin Diagnostic Clinic (ADC).

"From making sure all of the proper vaccinations have been administered on schedule, to getting their kids back on 'school year' sleep schedules, health is obviously a huge consideration for parents with school-age children," Dr. Howard says.

- **Vaccinations 101.** Children should receive a variety of vaccinations and booster shots to prevent them from getting many serious and highly contagious diseases.
- **Hearing and vision tests.** Consider getting your child's hearing and vision tested before they begin school to prevent learning challenges in the classroom.
- **Health information.** Parents should be prepared to provide schools with a list of emergency contact information that includes telephone numbers for parents, close family, pediatrician, and dentist.
- **Diet and sleep.** Healthy eating is a critical part of a child's physical and mental development and can help curb the risk of childhood obesity. Sleep is also essential—kids should get between eight to 11 hours per day, depending on their age.

*Daniel Howard, M.D., is a pediatrician for The Austin Diagnostic Clinic, a multi-specialty clinic with physicians representing 21 medical specialties at more than six locations throughout Austin and Central Texas. Dr. Howard sees patients at the ADC Cedar Bend, at 2400 Cedar Bend Drive. For more information, visit [www.adclinic.com](http://www.adclinic.com) or call 512-901-4016. ## American Association of University Women

*Submitted by Diane Brewer, Membership VP*

The American Association of University Women is a group of degreed individuals which works to ensure that opportunities and access of all kinds remain available to women and girls throughout the country and across the globe. Most people are aware that Title IX transformed athletics across the academic spectrum. Today, largely due to the efforts of groups like the AAUW, more and more women are also receiving equal pay for equal work, achieving the highest positions in business, and are also reaching pinnacle positions in government. Due to AAUW, deserving academic researchers are rewarded for their achievements with annual fellowships.

The Austin branch of AAUW is in the middle of its annual membership drive. The organization does not advertise, so it is important that people learn of this group and the indelible effect it can have on the lives of women. In Austin, AAUW volunteers work in GirlsStart and Mindspring, groups reaching out to girls who need a hand up; they

support non-profits like Ten Thousand Villages on South Congress, which markets the handmade goods of women in Third World Countries. Others are out in the community registering voters or working at voting sites. Membership VP Diane Brewer says that the dues of \$75 are divided among the national, state, and local levels of AAUW, and due to the work of the association, all but \$3 is tax deductible. For more information, go to: <http://austin-tx.aauw.net>

Service is only part of the story, however. Interest and study groups pervade the organization offering everything from a common love of reading, stitchery, and art appreciation, to bridge, mah jongg, theatre, and dining.

If you would like to explore the organization further, come to the AAUW-Austin Summer Social, located at the Episcopal Church of the Good Shepherd's parish hall, Exposition Blvd. @ Windsor Drive on Sunday afternoon, August 19th, at 3 pm. There will be a raffle, food, beverages, and lots of information. Come and see!

## Oven Baked Tilapia with Leek Cilantro Salad

by The Four Points Foodie

*This is just a yummy dish! Oven baked tilapia is a good staple. I breaded mine with panko for a really light and crunchy texture. But what sets this recipe apart is the leek and cilantro salad on top. Served over a bed of jasmine rice, this is the perfect summertime meal.*

### TILAPIA & RICE

#### Ingredients:

- Jasmine Rice, cooked per the package to serve 4
- 4 Tilapia fillets, rinsed and dried
- 2 T olive oil
- 12 oz panko bread crumbs
- salt and pepper

#### Directions:

Preheat oven to 350 degrees. Prepare Jasmine Rice per the package to make 4 servings. Rinse and dry tilapia fillets and rub each one with olive oil. Dredge through the panko bread crumbs, pushing with your fingers so it sticks. Add a little extra olive oil onto your pan and place the breaded tilapia on it. Season with salt and pepper and bake in the oven for about 20 minutes or until done.

### LEEK AND CILANTRO SALAD

#### Ingredients:

- 2 leeks, green tops discarded, sliced in half, rinsed and patted dry
- 2 bunches cilantro, rinsed and dried
- 2 T rice vinegar
- 1 T butter
- 2 T olive oil
- Salt and Pepper

#### Directions:

Chop off the green tops of the leeks and slice in half, which makes cleaning easier. Remove all sand and pat dry. Slice the leeks and add to a saute pan with the 1 T of butter. Saute until tender, remove from heat and cool. Meanwhile, pick the clean cilantro leaves off the stems and add to a bowl. Add the cooled sauted leeks, rice vinegar, olive oil and season to taste with salt and pepper. To assemble: Start with a bed of jasmine rice, then the baked tilapia and topped with the delicious leek and cilantro salad. Serves 4.

## Pruning Guidelines

for Prevention of Oak Wilt in Texas

Oak wilt, caused by the fungus *Ceratocystis fagacearum*, is the most destructive disease affecting live oaks and red oaks in Central Texas. Most of the tree mortality results from tree-to-tree spread of the pathogen through interconnected or grafted root systems, once an oak wilt center becomes established. New infection centers begin when beetles carry oak wilt fungal spores from infected red oaks to fresh, open wounds on healthy oaks. Wounds include any damage caused by wind, hail, vehicles, construction, squirrels, birds or pruning. Research has shown that both oak wilt fungal mats on infected red oaks and insects that carry oak wilt spores are most prevalent in the spring. Below is a brief description of how you can reduce the risk of fungal spread when pruning.

- Always paint fresh wounds on oaks, including pruning cuts and stumps, with wound dressing or latex paint immediately after pruning or live tree removal at all times of the year.
- Clean all pruning tools with 10% bleach solution or Lysol™ between sites and/or trees.
- If possible avoid pruning or wounding of oaks during the spring (currently defined as February 1 through June 30). Reasons to prune in the spring include:
  - To accommodate public safety concerns such as hazardous limbs, traffic visibility or emergency utility line clearance.
  - To repair damaged limbs (from storms or other anomalies)
  - To remove limbs rubbing on a building or rubbing on other branches, and to raise low limbs over a street.
- On sites where construction schedules take precedence, pruning any live tissue should only be done to accommodate required clearance.
- Dead branch removal where live tissue is not exposed.

Pruning for other reasons (general tree health, non-safety related clearance or thinning, etc.) should be conducted before February 1 or after June 30.

Debris from diseased red oaks should be immediately chipped, burned or buried. Regardless of the reasons or time of year, proper pruning techniques should be used. These techniques include making proper pruning cuts and avoiding injurious practices such as topping or excessive crown thinning. If you are uncertain about any of this information, you should consult with a Texas Oak Wilt Certified arborist, ISA Certified Arborist, or an oak wilt specialist from a city, county or state government agency such as the Texas Forest Service or Texas AgriLife Extension Service.
