SAFETY CORNER

TIP OF THE MONTH

Warmer weather and lengthening hours of daylight beckon, and kids are answering the call. You can help keep them safe by reviewing some of the simple safety rules below.

DARK AND DUSK

Rising temperatures and increasing hours of daylight bring with them a corresponding increase in traffic accidents involving kids and cars. The periods of greatest risk are the hours just before and after sunset. During periods of twilight, visibility is limited and a driver's depth perception is reduced by low light levels.

- All evening play should have reflective strips. So should bikes and helmets.
- Evening strolls should include a flashlight and cellphone.
- Bike riding should be specifically prohibited, unless the bike has been equipped with reflectors, head lamps, and other night-riding safety features.

PLAYING IN THE STREET

Neighborhood streets aren't playgrounds, and we don't advise that kids use them as such. However, if you do allow your kids to play in the street, please review a few commonsense safety tips with your children:

- Stop all play when a vehicle is spotted; move to the side of the road and resume play only after the vehicle has passed.
- Don't use cars parked on the street to play hide & seek; kids tend to dart into the street without looking.
- Don't allow kids to sit on curb corners; they are low to the ground and cannot always be seen by drivers.
- Make sure kids learn to always look both ways down the street before retrieving the ball that got away.

ADDITIONALLY

Equip your children with a small penlight attached to a key chain. Tell them it's not a toy and should only be used for emergencies. Attach a small whistle to their clothing. A whistle is an ideal signaling device, if a child is lost or hurt. Identify neighborhood safe houses to your kids. Remind your driving teenagers that speed is deadly, especially in a neighborhood where kids are at play. Share this important point with your teenager's friends too.

At the end of the day, you are the parent and are responsible for teaching your children responsibility and safety. Let your kids know that safety rules aren't designed to ruin anyone's fun. Tell them to play hard, play fast, and play smart!

BE SAFE & BE SMART!

- Time of day
- Where it happened
- What you witnessed
- A description of individual(s) involved
- Was there a vehicle?
- Color and license plate number?
- Have you seen this activity before?

There are four ways to report:

- Report online at iWatchHarrisCounty.com
- Text a tip to 1-855-HCSO-iWatch (1-855-427-6492)
- Use the downloadable app found on iWatchHarrisCounty.com

Online Service Option For Citizens Reporting Crimes

The Sheriff's Office has implemented an on-line service called "CopLogic" for Harris County citizens to report crimes. **THIS IS FOR REPORTING LOST PROPERTY, THEFT OR VANDALISM ONLY AND WHEN THE COMPLAINT NO SUSPECT INFORMATION.** This service is provided as an option to the citizen in lieu of waiting for a unit to respond to their location and response can sometimes take several weeks.

Examples of incidents that can be reported via CopLogic:

1. **LOST PROPERTY:** When property is missing or lost, i.e. leaving items in a restaurant or missing from home.
2. **THEFT:** Property is taken without the owner's permission.
3. **VANDALISM:** The act of changing, modifying or defacing public or private property, i.e. graffiti, knocking over a mailbox, throwing a rock through a window, etc.

To access this service, please visit the Sheriff's Office web site: www.hcso.hctx.net. Click on "Report Crime" link at top of screen. Click on "Report an Incident." Follow instructions on the screen for filing an offense report.

CopLogic is an alternative method for the citizen to report the crime quickly, get a case number and print a copy of the report. It does not replace entering a call for service for a unit to respond if the citizen prefers to see a unit or does not have access to the Internet.

I am very pleased with the David Flory Team. They kept me updated and were always courteous.
