

National Night Out

TUESDAY OCT 2, 2012

The 29th Annual National Night Out (NNO), a unique crime/drug prevention event sponsored by the National Association of Town Watch (NATW), will be celebrated on Tues Oct 2th, 2012 (other states besides TX celebrated in August).

NATIONAL NIGHT OUT IS DESIGNED TO:

- Heighten crime and drug prevention awareness;
- Generate support for, and participation in, local anti-crime programs;
- Strengthen neighborhood spirit and police-community partnerships; and
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

National Night Out has proven to be an effective, inexpensive and enjoyable program to promote neighborhood spirit, neighborhood watch programs, and police-community partnerships in our fight for a safer nation. The benefits your neighborhood will derive from getting together on NNO will most certainly extend well beyond one night.

The Pearland Police Department's Community Services Division is now taking Block Party registrations! Early registration will allow officers to coordinate visits from the police department, fire department and EMS. The registration deadline is September 28, 2012.

List your event! Please go to <http://www.silverlakehoa.com/> and mouse over the Events tab, to find an NNO event for your neighborhood, or to post an event you are hosting.

Silverlake HOA News would love to showcase your NNO event photos in the November newsletter! Please send them, along with your neighborhood and/or street name, to SilverlakeNews@gmail.com.

-Have fun!

Back to School!

School starts on Monday, August 27, 2012. Please be sure to obey the posted speed limits and crossing guards so that our children can be safe.

Thank you!

Talk with your children about bullying

The beginning of each new school year is a good time for parents to sit down and discuss bullying with their children. Here's a little quiz to take as a whole family so that you can discuss the answers together.

1. Is there a boy or girl (or maybe more than one) whom you've repeatedly shoved, or punched or physically pushed around in a mean way just because you felt like it?

2. Have you hurt someone you don't like?

3. Have you spread a nasty rumor about someone in conversation, in a note, or through instant messaging or email?

4. Do you or your friends regularly keep one or more kids from hanging out or playing with you?

5. Have you teased people in a mean way, calling them names, making fun of their appearance, or the way they talk or dress or act?

6. Have you been part of a group that did any of these things – even if you only wanted to be part of the crowd?

If your child answers yes to any of these questions, it's time to explain to them how this type of behavior causes other kids a lot of pain, and how it can affect their ability to do well in school and/or their general happiness.

Remember, we as parents have a responsibility to bring our children up in such a way that they will become contributing members of society.

Pearland Theatre Guild Announces New Season of Plays AT THE NEW PEARL THEATER

From a side-splitting farce, to a radio drama, to a holiday favorite, to a Pulitzer-prize winning play, a murder mystery and more, the new season presented by the Pearland Theatre Guild at Pearland's new community theater, the Pearl Theater is a combination of community favorites and new works.

"We believe our new season has something for everyone," says Renee van Nifterik, founding executive director. "We are especially excited about our new children's programming with opportunities for youth to take classes, participate in performances, and attend quality live theater," van Nifterik continues.

The main stage evening season includes *The Nerd* written by Larry Shue, a play dubbed the funniest play ever written, *Vintage Hitchcock* by Joe Landry, a live radio drama on stage, the holiday favorite, *A Christmas Story* written by Philip Grecian, the gripping drama, *A Raisin in the Sun* by Lorraine Hansberry, The heart-touching, *Boys Next Door* by Tom Griffin, the zany mixed up murder mystery, *Rehearsal for Murder* by D. D Brooke, and a summer musical revue featuring music of the fifties.

The children's season includes productions designed to appeal to young and family audiences. The shows will be lower-priced and presented on Saturdays. *Snow White*, *Little Red Riding Hood* and

Goldilocks and the Three Bears, and *Punch and Judy and the Three Sillies*. The after school classes are available for students in grades K-8.

Special Engagement in a special series called *Friday Night Live* featuring live musical acts and bands. Kevin Charles and Trucker's Choice, an Elvis show, *Collective Hallucination*, and a *Blues Brothers Tribute Band* are some of the live musical acts scheduled to appear at the Pearl Theater in the new season.

Classes start in the fall and the Pearland Theatre Guild is hosting a free Open House on September 8, 2012 where patrons can tour the facility, meet teachers, and see live performances while enjoying refreshments and activities for the whole family.

The Pearland Theatre Guild is a 501c3 non-profit performing arts organization and is sponsored in part by a grant from the city of Pearland through the Parks and Recreation Department. Local corporate sponsorship is provided by McGuff Architects and the Drink Station.

For more information about the Pearland Theatre Guild and the Pearl Theater, visit www.Pearl-Theater.com. The Pearl Theater is located 5 minutes from Shadow Creek at 14803 Park Almeda, Houston, TX 77047. Contact: Renee van Nifterik (713)340-2540 Pearlandtheatre@gmail.com

Dear AirCon,

What are the advantages of the new 2-stage A/C systems?
Signed, Staged and confused

Dear Staged,

There are many advantages including energy savings & increased comfort. They are designed to control humidity much more efficiently than single stage systems. Lower humidity means more comfort. On your t-stat, you set temperature and humidity % desired, & the system works to meet your set levels for both. On rainy, hot summer days, 2-stage systems make a big difference!

Sincerely,

AirCon Service Company
