Hello Neighbors!

If you missed it, our Annual Halloween Party at the DR Horton Model Home is a great opportunity to meet new neighbors and make new friends. It's also an opportunity for the wonderful residents in Avery Ranch to help other Austin Families celebrate the upcoming Holidays. We asked everyone to bring canned goods for the Capital Area Food Bank and we filled 2 large boxes.

A big **THANK YOU** to everyone that brought canned goods. We will continue to collect them until the week of December 15. So please come to the Model to drop off your donations and you will receive a \$5 coupon to the Meat House. Bring a friend that may be interested in living in the coolest neighborhood in Austin and if they become our neighbors, you will receive a D.R. Horton Gift Certificate for the referral!

Happy Holidays!

Social Committee Help Wanted

Avery Ranch residents, do you enjoy and participate in the activities put on in the community by resident volunteers?

These activities include: Adult Mardi Gras Happy Hour, Spring Egg Hunt with visit from the Easter Bunny, Spring Crafts Bazaar, twice a year neighborhood Garage Sales, Garden Tour, Adult Luau, July 3rd events, Harvest Hayride & Costume Contest, Movie in the Park, Holiday Sleighride and visit from Santa along with New Resident Meet & Greet and hand delivery of Welcome Wagon bags.

If your answer is YES, then we need your help.

Less than 2 dozen people give of their time volunteering and assisting with coordination of events throughout the year

Without an increase in the level of volunteerism, the community is in danger of shortening our list of events. The most popular events (ie.. Spring Egg Hunt, Holiday Sleigh Rides and July 3rd events) are the most labor-intensive, hence in most need of volunteers.

We know everyone has a busy lifestyle which makes volunteering a hard commitment.

Volunteers come and go as circumstances arise so having a fuller roster makes all tasks lighter.

We welcome you to our monthly meetings, held the first Thursday of every month from 7-9 PM at the MAC.

Please consider coming out and joining us! Email us at ARSC@AveryRanchHOA.com for information.

Avery Ranch Ho-Ho-Holiday Fun

If it snows we'll have a snowman competition and if it doesn't we'll still have fun.

We look forward to seeing you there!

Pssst - if you want to volunteer to help serve refreshments, put up or take down decorations call Karen at 512-971-2680.

Indigo Jazz Sextext

Saturday, December 22nd

Not going out of town for Christmas or having family in town and looking for something to do? On Saturday, December 22nd, members of the ACC Stage Ensemble Band have formed a small sextext and will be putting on an intimate performance by the fireplace at the pavilion of the Main Amenities Center.

Please come out and enjoy some Charlie Brown Christmas style jazz songs along with the standards. We will have the wood burning fireplace going in addition to serving up refreshments to keep us warm. Don't forget to bring your pool card to get in.

Green Gift Giving

'Tis better to give than to receive! Consider the following creative ways to help reduce waste while you spread holiday cheer.

Try these gift wrapping alternatives:

- Scarves, handkerchiefs or fabric scraps
- Old sheet music, posters, maps or wallpaper scraps
- A present in a present, such as picnic supplies wrapped in a tablecloth

For finishing touches, instead of new bows or ribbons, use:

- Bows saved from other gifts or ornaments
- Neckties and scarves
- Scraps of fabric, lace or yarn
- Beads and buttons

To protect fragile gifts, use Styrofoam-free materials such as:

- Dry, popped popcorn, along with a note explaining that birds can eat it
- Biodegradable starch packing peanuts
- Crumpled pages from magazines

Soccer Shots Kicks off at Avery Ranch this Winter!

Once again the Avery Ranch HOA is trying to provide an educational and entertaining curriculum for our residents, right here on the Ranch.

Soccer Shots is a leader in youth soccer development for children ages 2-8. Our nationally recognized program offers a high energy, fun, and age-appropriate introduction to the wonderful game of soccer. Our innovative curriculum emphasizes both soccer skills and character development. Our goal is simple: to leave a lasting, positive impact on every child we coach.

Soccer Shots will be offering classes starting this winter to Avery Ranch residents in the open park area near the MAC on Saturday mornings and Monday afternoons. For class details, please visit www.soccershots.org or call 512-420-9450.

Why choose Primrose? Just ask a mom.

"My children are learning things I never imagined they could learn at this point in their lives. My preschooler can write his name and recite his alphabet and numbers. I also have a 15-month old who is learning his shapes and colors. It's just amazing how much Primrose is teaching my children."

Avery Ranch Dedicates Its New Flag and Honors Its Veterans

by April Aguren

The Avery Ranch Board would like to thank its residents for providing their support to install new flag poles at the Main Amenity Center last November 11th, Veterans' Day. The Board thought it was fitting to dedicate the flags on the day that honors those who have served to protect the freedoms that we all enjoy today. The flags were presented by scouts from Avery Ranch's own Boy Scout Troop 371 and Cub Scout Pack 371, accompanied by Alan Guckian playing "To the Colors" on the bugle. After the flags were raised and the pledge of allegiance was given, we were honored by our guest speaker, Jim MacKay, announcer for the Vista Ridge football games and veteran US Air Force staff sergeant, who reminded us of why we celebrate Veterans' Day and the veterans who are among us that appreciate and deserve our support.

Thank you all who came to pay respect to our flag and those who fought for it.

ACC Stage Ensemble Band at Avery Ranch

Avery Ranch would like to thank the Austin Community College Stage Ensemble Band for coming out and giving us an enjoyable and relaxing evening filled with sounds from the great American Big Band Era. We had about 100 residents, spanning all ages, in attendance. Many filled their bellies with the delicious catering from Hughes BBQ and desert from Kona Ice. We look forward to them playing for us again!

Harvest Hayride

By Karen Niefert, Committee Chair

Saturday Oct. 27th Avery Ranch residents had a great time on the Harvest Hayride. There were costumes of every shape and size from artists to aliens, witches to wizards and everything in between. It was hard on the judges to select winners and our thanks go out to them for volunteering for such a hard job.

The route taken by the wagons passed a skeleton train, a graveyard and a pirate ship. Thanks to our neighbors who decorated their yards for everyone to see.

The storyteller was a new addition this year and she received rave reviews! We hope she'll join us next year.

Thanks to everyone who came and a big thank you to our neighbors who volunteer to make the event so special for all of us at Avery Ranch.

Coats for Kids Drive

As a recipient of a gift, have you ever immediately turned around and paid it forward and given of your time, talent, and treasure to help someone else? Many who have received coats for their children and grandchildren at the annual Coats For Kids distribution day have come to the volunteer check-in and stayed for the rest of the day to help others just as they were helped moments earlier. They gave their gifts right back to the community... a circle of service truly indicative of a successful program.

Coats for Kids is a program in its 26th year that provides warm winter coats each December to disadvantaged children and teenagers in Central Texas through a community-wide collection and distribution process. Each year, The Junior League of Austin, Jack Brown Cleaners, KASE 101 and KVUE partner with the community to ensure the children of Central Texas stay warm. On average, 30,000 coats are distributed per year with the help of over 2,600 community volunteers.

So how can you participate? Donate a new or gently-used coat to your nearest Jack Brown Cleaners, organize a coat drive through many outlets in your community (schools, places of worship, offices, neighborhoods), volunteer during sorting days or distribution days or spread the word.

FACTS:

- Distribution Day: Saturday, December 8th from 8:00 AM - 3:00 PM
- Distribution Site: Palmer Events Center, 900 Barton Springs Road
- Community Coat Drive: Monday, November 12th through Wednesday, December 5th. Please drop your coats off at any local Jack Brown Cleaners.
- School & Business Coat Drive Competition: Monday, November 12th through Friday, November 30th. Please drop your coats off at any local Jack Brown Cleaners. To register your business or school, go to the JLA website: www.jlaustin.org/coats.

Volunteer: Please join us to help sort coats
December 4 – December 7 and/or to distribute
coats to children on December 8. Register at www.jlaustin.org/coats.

HOW TO EXECUTE THE FOREHAND VOLLEY

In previous newsletters, I offered tips on how to hit a forehand groundstroke, a two-handed backhand and a one-handed backhand. In this issue, I will give you instructions on how to execute a forehand volley for a right hander. This stroke is used whenever the player is forced to hit a ball in the air. In these pictures student Camille Palafox demonstrates the proper form and technique. Photos by her husband Charlie Palafox.

Step 1: Ready Position: The body is facing the net. The right hand is holding the end of the racket in a forehand grip position and the left hand is next to the right hand. The left hand is holding the racket slightly tighter than the right hand. Feet are a shoulder width apart and the body is in equal balance. For beginners it is okay to use the forehand and backhand grips for the forehand and backhand volleys. As the player gets stronger and the balls come at a faster speed, it will be best to use the continental grip for both volleys.

Step 2: Back Swing: Since the volley is usually executed when a player is close to the net and there is very little time to react to the

incoming ball, the back swing is very short. The right arm should take a short turn and the head of the racket should align to the flight of the ball. The right wrist should be "cocked" back slightly and the head of the racket should be above the wrist. Eyes are still focused on the incoming ball. Here I am helping Camille to feel the hand on the racket to tilt back and still keep the head of the racket above her wrist.

Step 3: Point of Contact: The right foot is now taking a step forward and the racket is making contact with the ball. It is important to keep the left shoulder closed and not rotate the right hip too early. Flexing the right knee will allow more flexibility to find the proper point of contact and give power to the ball.

Step 4: Follow Through: Once the racket has made contact with the ball, the follow through is very short to allow the player to immediately get back to the ready position. The left arm should be close to the body.

Poised or Poisoned?

TEEN GIRLS IN TRANSITION

By Sugandha Jain | Master Registered Texas Trainer and Director of Accreditation at a local preschool

WHAT ARE ALPHA GIRLS?

The term comes from a 2006 book of the same name by Dr. Dan Kindlon, a child psychologist at Harvard University. Dr. Kindlon interviewed nearly 1,000 girls, in 6th through 12th grades, before writing the book. In it, he describes Alpha Girls on the cusp of incredible achievement.

Statistics released by the National Assessment of Educational Progress (NAEP), from studies conducted by the U.S. Department of Education, seem to bear this out in terms of academics. Girls consistently outperform boys in reading and writing: the 2004 NAEP reading scale results show that girls' outscore boys by five points at age nine, 10 points at age 13, and 13 points by age 17. Young women also head to college in larger numbers: they currently encompass 58% of students enrolled in two- and four-year colleges.

"Young women are achieving more than young men," says Dr. Linn Goldberg, a professor of medicine at Oregon Health and Science University. Dr. Goldberg has conducted extensive studies on drug and alcohol use among adolescents. He says girls simply aren't falling prey to the same pitfalls as boys. "They are less likely to be deviant and be engaged in many harmful behaviors, such as substance use and abuse," he says. "[Or] be involved in altercations, be arrested, among other maladaptive actions."

What's more, says Dr. Kindlon, is that girls aren't just succeeding, they're doing so in a psychologically healthy manner.

"Today, we have a generation of girls who have more psychological skills to play both the feminine roles and the roles that men played in the past," says Dr. Kindlon. "They are poised to do great things."

HOW CAN PARENTS RESPOND?

Parents of Alpha Girls likely are proud when their daughters exhibit high achieving traits; some may think their girls aren't prone to any particular problems. Either way, it's important for parents to convey the message that girls don't have to be "perfect" to be successful and happy in life.

Teaching girls media literacy—how to evaluate the information they receive through television, magazines and other media—is one way to help them combat potentially harmful messages. Several organizations offer parents tools to do this, including the Center for Media Literacy (www.medialit.org) and Commercial Alert (www.commercialalert.com).

Parents also have to be vigilant about being models of appropriate body image. This means mothers, in particular, have to mean what they say when they talk with their daughters about their bodies. A mother shouldn't in one breath tell her daughter she is perfect and beautiful, then in the next make disparaging comments about her own body, says Ms. Martin.

Most important: parents should focus on their daughter's well being as well as her achievements—and consistently convey the message that there are myriad ways to be successful in life.

"Help your daughter develop her potential," says Dr. Diane Halpern, a psychology professor at Claremont McKenna College in California and the author of *Sex Differences in Cognitive Abilities*. "The only way parents can do that is to make sure that their daughters have a wide range of opportunities and know what their choices are."
