Kentley Orchard Lane in Longwood did it again for a second year running. They organized a Halloween block party, inviting neighboring streets to join in the fun, each bringing a pot luck dish and lots of candy. The biggest highlight of the party amounted to $435.00 in donations being raised for “Reach Unlimited”.

Block captain, Jeannette Quickenden, commented on the evening. “We were amazed at the support offered. Our local Kroger at Grant and Louetta kindly donated hot dogs, buns and tableware whilst Incredible Delights provided the DJ, Austin, lights and amazing lasers for the evening at no charge. A few neighbors and I decided that any money raised would be presented to Reach Unlimited who is a well-known charitable organization in our community. Everybody had a great time with friends and neighbors popping in all evening. The young ones dancing to the DJ were awesome and the children naturally had too much candy. I would like to say a very big thank you to all those who made donations and helped make it a fun evening.

Reach Unlimited, Inc. is dedicated to providing quality support services to people with intellectual and developmental disabilities. Reach Unlimited, Inc. will create a sustainable, secure environment where people with developmental disabilities may become all they are created to be.

What began as a couple of group homes and a handful of clients has grown into a $9.0M agency that serves 290 clients. Today, Reach operates 17 group homes located from Tomball to Spring Branch. The Learning Activity Center opened in 2005. It was built with $2.2M in donated funds.

This center provides life-long learning in a school setting. The comprehensive curriculum addresses life-skills, functional academics, art, music, fitness, technology-based learning, community service, pre-vocation and vocational training, and supported employment.

A certified Home and Community-Based Service (HCS) provider, Reach provides a wide range of services to people who live at home, with guardians, and in group home settings. There is a job for every client who is able to work. Some work in area businesses, others do contract work at the LAC, and everyone is given the opportunity to earn a paycheck creating art glass gift items in the Enterprise Program.

Area Homes Burglarized

On Oct. 31 around 3pm, a home in Longwood was broken into while the owners were away. Entry was gained through the back door. On Nov.2, a similar crime was committed in Coles Crossing and it has been reported the burglars may have been driving a white Mitsubishi.

Longwood residents have experienced home break ins during the months of Nov./Dec. in 2010 and 2011. It is now Nov. 2012. National and local crime statistics illustrate how the holidays provide burglars with increased opportunities to ply their trade as most of us have more distractions and are away from the house more than usual. The Longwood Safety Team (LST) has conducted safety seminars on home security, changed our patrol methodology and has provided additional tips and tools on line and in the “Cardinal.” Let’s review some of this information:

• use your alarm systems
• always lock your house doors, windows, garage doors and vehicles
• stay alert and report suspicious persons, vehicle and activities
• record information on suspicious persons and activities as it may be useful later
• inform trusted neighbors and friends when you will be away from the house
• Longwood walkers, joggers and bike riders - keep an eye out for suspicious activity as you travel through the neighborhood

Another lovely autumn season is upon us and with it, the dread of flu season, allergies, and then winter colds! It seems to repeat every year. As a physician, it’s my passion and honor to help patients heal in times of illness; however my deeper hope is to see them far less frequently due to an acute case of wellness. After all . . . I am a son, brother, husband, and father encouraging my own family to cultivate a harvest of wellness by the simple act of setting an intention for optimal health.

By embracing wellness as a strategy, it’s easy to make healthy lifestyle choices that taste great, feel even better, and keep you out of my office! Remember the added bonus is that your children will follow your lead, so be a healthy role model.

A healthy lifestyle should be complimentary, not complicated. It should include whatever exercise you enjoy on a regular basis. Exercise doesn’t have to be a sport, exhausting, or expensive. Try a variety of activities that can involve the entire family like joining the YMCA, weight lifting, taking walks together, hiking, yoga, rock climbing or whatever motivates you to move.

Please eat whole foods (you enjoy) on a daily basis, because diet/nutrition is truly the cornerstone of good health – and that is not an over statement. Fill your plate with a colorful banquet of fresh vegetables, fruit, and small portions of meat. Your body will respond and love you back. We all know clean drinking water is vital to optimal health, and those of you who enjoy alcoholic beverages should always do so in moderation.

Research shows us that connecting often with friends and family leads to longevity, and of course — get plenty of quality sleep.

Healthy living is not a new concept folks, yet it truly is powerful medicine. Young or old . . . encourage your family to set an intention to maintain optimal health. Be the one to help them cultivate a harvest of wellness this year and I’ll be glad to see you next year in my office for your annual wellness checkup.
