Night of Lights December 7th

VNP will be having its first year of Christmas light judging on December 7th (second weekend in December). All residents who plan on participating must have their lights on December 7th and 8th. The winners will be chosen on the 7th and narrowed down on the 8th with announcements on the VNP Information board at the club house. I'm working with the developer to gain access to prizes but no promises have been made. I have also talked with him about adding seasonal lights in the trees around the lakes and they have been reviewing bids, again no promises. If you have any questions please let me know Jessica Rushing vnpcompasseditor@gmail.com Warmest wishes to you and yours this holiday season from the Rushing family to yours!

Night of The Carolers

SIGN UP NOW -- if you would like to have carolers come to your home on the evening of Saturday, December 8th between the hours of 7:30pm – 9:00pm please email me as soon as possible. vnpcompasseditor@gmail.com We have a wonderful group put together that will be singing 2 verses of 3 popular Christmas songs at each of your homes BUT you have to sign up by the new deadline of December 1st.

All of my carolers need to meet up with me at the club house for 6:30pm so we can divide into groups and go over our verses and the addresses we will be going to and to pick up your music sheets. All carolers need to wear a red shirt, a santa hat and bring a jingle bell and a water bottle to carry with you. If you have a battery operated taper candle please bring it as well. After we are finished caroling all carolers please meet back at the club house for 9:15/9:30pm to indulge in pizza, hot coco, coffee or soda. Please email me with any questions vnpcompasseditor@gmail.com

Families Helping Families *The Canyon Pointe Angel Tree*

This time each year our children sit down to make long wish lists for Santa to guide us all in gift giving. However, for some of our Canyon Pointe children their wish lists will go unanswered. Yes, this is true. For this very reason we are teaming up to ensure that the children in our school have an opportunity to find at least one of their wish list items under the tree on that very special morning.

If you would like to help, please come by the school to pick an Angel on the Christmas tree in our lobby. This is a new twist on our annual toy drive and we hope you, and your children, will find it to be a rewarding experience.

THE MUD BATH

Greetings fellow citizens. Your MUD board is hard at work keeping everything in VNP running smoothly and at the same time doing our best to be as efficient as possible. At our meeting in October we reassessed our bond commitments and bank balances and have determined that we are able to reduce the tax rates once again. On your next tax bill you will see a reduction from \$1.03 per \$100 valuation to \$.98 per. This is a nickel reduction and while it is small...it is a move in the right direction. As we continue to build out the neighborhood and the tax burden is spread over more homes, we should continue to be able to reduce the rate levels in future years. We are also working on water conservation measures as we are continuing to use more water per capita than our neighbor MUD's. Apparently we love to water our lawns just a little more than the next guy. MUD 281 in conjunction with are partners in the WCID are striving to find ways to save water in our common areas as well, particularly the esplanade along Northpointe Blvd. All options are on the table including better

water sensors as well as new water use rate structures that will benefit those who are most water conscious. Your feedback in this area is welcomed...please send any ideas and suggestions to paul@paulhicksrealtor.com and I will make sure your voice is heard at the MUD meetings. And finally, we want to wish all of our neighbors a very Merry Christmas and Happy Holidays to you and yours. Until next time here's a little holiday humor to brighten your season:

If you deep fry Santa Clause...do you end up with a Crisp Cringle?

He gave her a fork for Christmas because there is no time like the present.

How do you know a reindeer has been in your fridge?....the hoofprints in the butter!

See you next year! Paul.

The goal is to fill in the grid so that every row, every column, and every 3x3 box contains the digits 1 through 9. Each digit may appear only once in each row, each column, and each 3x3 box.
