CREATE YOUR IDEAL HOME

Discover fresh, new ideas at sixth annual Cy-Fair Home and Garden Show

SATURDAY AND SUNDAY, FEB. 23 & 24

Spending a little time with the experts and exhibitors at the sixth annual Cy-Fair Home and Garden Show can have a big payoff – helping you enjoy your home more and even increasing its value. “Sometimes a small improvement to a home or yard can make all the difference,” said Tony Wood, president of Texwood Shows, Inc. and producer of the event.

Wood said this year’s Cy-Fair Home and Garden Show will be one of the best yet and a great place for inspiration. “We are especially excited about some of our new show features,” Wood said, “such as the Belgard Hardscapes Mobile Display. It literally is a semi truck filled with ideas to create your own picture-perfect patio.”

Featured for the first time at the show is a Cooking Stage. “The Whirlpool Cooking Stage will be informative, fun and tasty, with live demos both days of the show,” said Wood. The Tea in Texas Tasting Stage is another first-time offering. “Here our visitors can take a soothing break, learn about the history of tea and its health properties, and sample unique Texas tea blends that local purveyors will be showcasing,” added Wood.

“We are pleased to welcome two more new and exciting exhibitor features: the Farmers Market at Bridgeland with fresh produce and homemade products from over twenty vendors; and unique home accessories in the **Antiques & Artisans Exhibit Area**.”

Brandon Lynch, a certified Aging-in-Place Specialist, will be featuring the Easy Living by Design booth. “Brandon is with Keechi Creek Builders and will share products and ideas on how to update a home to make it more accessible and comfortable to meet an owner’s changing needs - a trend as baby boomers age,” said Wood.

Creative ideas to transform a backyard into a relaxing oasis can be found at the Custom Outdoors Inc. booth, added Wood. Then complete the picture with assorted fruit trees and gardening containers and enjoy special discounts at the RCW Nurseries, Inc. in-show Garden Center.

“In addition to the more than 200 exhibitors, we have an excellent lineup of speakers that are well known, enthusiastic and have a wealth of experience - just what it takes to get you started on the right track with your home improvement projects,” added Wood.

Aspiring green thumbs can meet Kathy Huber, the Houston Chronicle’s gardening editor, and listen to Randy Lemmon, popular host of AM 740 KTRH’s GardenLine show, who will broadcast live from the show on Saturday until 1 p.m. Linda Durham, professional home organizer, will offer innovative tips to organize your home and life; and color consultant Trish Buscemi will share the latest in color trends.

LaVerne Williams, AIA, LEED certified architect, will offer tips for creating a more energy efficient and sustainable home; and Mary Scalli, a home staging professional, will share some secrets for getting homes to sell quickly.

“This year’s show is truly a fun event for the entire family – with many new ideas to take back home and lots of opportunities to shop,” Wood said.

These are just a few of the words we at Yorkshire live by.

In the hallways and classrooms of Yorkshire Academy, these words are brought to brilliant life through the actions and achievements of our staff, students and parents. As a result, the students of Yorkshire are filled with a passion for learning and a spirit that embraces the world around them. We invite you to share in their ongoing story by visiting Yorkshire yourself.
