The next competition is going to be this month! We will update with awards issued in the May newsletter for all March competitions. They won the 2 biggest and best awards in the competition called the Champions Circle! They also won many other awards that day. On March 11th they had competed again and also at a National Dance Competition at Moody Gardens March 23-25th and were qualified as National Champions!! They won FIRST PLACE for their Team production against 11 other teams!! It was a big competition! The studio they practice at is located on N. Eldridge between Spring Cypress and Louetta, Cypress Elite Dance Studio. Girls, your VNP neighbors and friends very proud of you and your accomplishments and dedication during these competitions this past year! We all wish you lots of luck for the up and coming competitions and can't wait to hear how they turn out! Keep up the awesome work girls! We are so excited for you!

Greetings class...now if you will all take your seats, I have for you the new word of the day. That word is "GREEN" as in "Gadzooks how I love to save my greenbacks" or "Look mommy, how green daddy's money is!" or even "Geez, if we recycle, think how green our world will be". Yes, your MUD district is as keenly interested in the word "GREEN" as you are. To that end we have, after much deliberation decided to make a change in our trash and recyclables service provider. This will both save some green (money) and save the green (trees and whatnot). You will find a notice on your door very shortly that will provide specifics on the new pick up days, much larger trash and recycle bins, as well as a new rate structure. We hope you will be as pleased with the new service both in price and product. And your MUD 281 Directors want you to remember that we are here to evaluate every aspect of the MUD to ensure that we are getting the most bang for the buck. And maybe we might just save a little piece of the planet in the process.

And now if you will allow me to switch colors on you from Green to Blue...we had a representative of Blue Ridge Partners visit the district meeting on Feb. 4th discussing the new apartment complex on Northpointe Blvd. He brought with him drawings of how it is to appear and this will be a class A property, gated and very upscale. We estimate that the taxable value to the MUD will be between \$17 and

\$20 million. And that my friends is a significant boost to our tax base. So while many of you are not thrilled with the prospect of another apartment complex...please be aware that it does allow us to continue to work on lowering the tax base for all. And on that note I bring you the obligatory chuckle....

in a trio of one-liners:

Always remember that you are unique; just like everyone else Laugh alone and the world thinks you're an idiot

Knowledge is knowing a tomato is a fruit; Wisdom is not putting it in a fruit salad.

Until next time....Paul.
