SAFE KIDS SAFETY TIPS

By Concentra Urgent Care

Accidental injury is the number one killer of America's children, taking more lives than disease, violence, and suicide. Prevention is the cure. It's estimated that by taking these and other simple precautions, almost all (90%) of these accidental injuries can be avoided.

- Childproof your home. Look at every room as your child would. Ask yourself what looks interesting and what can be reached. Get down on your hands and knees, and check for small things children can choke on.
- Use the back burners on stoves, and turn pot handles to the back. Keep children away from the stove or microwave when cooking, and don't serve hot food or drinks to them. Keep knives, glasses, and scissors where young kids can't reach them.
- Cover electrical outlets that are not in use.
- Keep guns locked, unloaded, and where kids can't reach them.
- Take precautions to avoid fire in the home. Install smoke alarms on every level of your home and in every sleeping area. Test them once a month.
- Plan several ways to escape from each room if a fire starts. Practice the fire escape plan with your family. Identify a safe place to meet outside.
- Lock up matches, lighters, and gasoline. Keep space heaters where kids can't reach them and away from curtains, beds, and papers.
- Never put electrical cords under rugs
- Always supervise children while they are in the bathroom, and follow other important bathroom safety guidelines. Keep the

hot water heater at low-medium or less than 120° Fahrenheit. Mix hot and cold water in the bathtub, and test it on your forearm before putting children into the tub. Never leave the room while they are bathing.

- Keep toilet lids closed and locked, and doors to bathrooms and utility rooms closed when not in use. Put razors, curling irons, and hair dryers out of reach.
- Avoid exposing children to potential poisons. Lock up potential poisons out of children's reach, including cleaning supplies, pet food, medicine, vitamins, beer, wine, and liquor. Read labels and follow directions when giving medicine to children. Know which houseplants are poisonous and keep them where children can't reach them.
- Install carbon monoxide detectors in every sleeping area and test them every month. Make sure heating systems are vented outside and checked every year.
- Prevent serious falls. Keep furniture away from windows. Install guards or stops on windows that are not emergency exits.
- Install safety gates at the top and the bottom of stairs. Never use baby walkers.
- Keep emergency numbers by every telephone. Call 911 if a child is choking, collapses, can't breathe, or is having a seizure. If you suspect a child has been poisoned, call 1-800-222-1222.
- Keep first aid supplies on hand.

For more information about preventing child injury, you can visit the Safe Kids USA Web site at: <http://www.usa.safekids.org>

The event will be held on Friday, April 12th, from 7:00 – 8:30 PM in the small commons at Cypress Creek High School, 9815 Grant Rd., Houston.

The Northwest Flyers is a youth (ages 6 -18) track organization, affiliated with USA Track & Field. The club provides a full program of "track" events such as sprints, hurdles, middle distance, distance and relays, and "field" events such as long jump, triple jump, high jump, pole vault, discus, shot put and javelin. It is an excellent "off-season" program for young athletes who currently compete on their middle school or high school track teams.

The club was founded 26 years ago by Olympic gold medalist Fred Newhouse to foster the development of youth track & field in the northwest Houston area. Last year, the Northwest Flyers sent 106 young athletes to compete at U.S. Junior Olympics National Championships in Baltimore, Maryland and Albuquerque, New Mexico.

Making Waves in Texas/Red Dirt Music Scene *The Brandon McDermott Band heads to Cypress Saloon on April 20th.*

From Galveston to Amarillo to College Station and now coming to the Cypress area, the Brandon McDermott Band has been bringing their exciting brand of Texas country music to stages all across the Lone Star State. The Brandon McDermott Band started in College Station, TX when McDermott, a graduate of Texas A&M University, began writing songs and playing at open mics. After moving back to his hometown of Galveston and playing some solo acoustic shows, he met up with island musicians Kevin Anderson (lead guitar, harmonica, vocals), Clark Duhon (bass) and Broc Adams (drums, vocals), to form the rest of the band. It didn't take long for audiences to take notice and start filling up local venues to watch them play. "I think people come out to our shows because we play fun music that they can identify with. We're not trying to change the world with the songs we write. We just play songs that are fun to drink beer and dance to," McDermott says. "I'm pretty sure our brand of music could best be described as a river of invaluable information spoken at just the right temperature for skinny dipping," jokes the band. While the Brandon McDermott Band got their start on Galveston island and has developed a very loyal following there, they have fans all over the state and by no means do they limit their appearances to south of the causeway. The band has made their presence known in the Houston music scene and beyond, and has been sharing the stage with some of Texas music's biggest names such

as the Josh Abbott Band, Reckless Kelly, Aaron Watson, Brandon Rhyder, Honeybrowne and Bri Bagwell.

With the release of their first album, "Mile Marker Zero," the Brandon McDermott Band has really made their mark on the Texas/Red Dirt music scene. "There is a definitive honesty to the songs on the record... a 'been there, done that, why do you think I'm drinking?' quality" that most people can relate to. The album, which is available on iTunes and Amazon, does a great job at capturing the energy and enthusiasm the band brings to their live shows. Currently the band is gearing up to return to the studio to begin recording their second album. On April 20th, The Brandon McDermott Band will be rolling into the Cyfair area for the first time to bring their brand of Texas/Red Dirt Music to the exciting Cypress Saloon. Their live shows have drawn impressive reviews from country music publications and industry people alike; and promises to be chock-full of fun energetic music that is guaranteed to make all in attendance have a heck of a time and asking for more. So mark your calendars, call your friends, put those boots on and make plans to be at the Cypress Saloon on April 20th for the first of hopefully many more visits from the Brandon McDermott Band. You won't be disappointed.
