# LAKEWAY HERITAGE WEEK

The City of Lakeway's Heritage Commission has designated the week of April 15 -19 as Heritage Week in Lakeway. Steve Swan, Heritage Commission Chairman stated, "It's appropriate to focus attention early in the year-long celebration of Lakeway's Golden Anniversary on our community's historical roots." Swan described Heritage Week, integral to the Golden Anniversary celebration, "Each daily event of Heritage Week is planned to highlight a different segment of our Lakeway Heritage".

The Heritage Center, located at Lohmans Crossing and Hurst Creek will be open each day from 9 AM to 3 PM during Heritage Week. Special exhibits will feature various organizations and their contributions to Lakeway through the years.

Each day of Heritage Week will have a special emphasis.

- Monday, April 15, will be DAR Day
- Tuesday, April 16, will be Heritage Trail Day with bus tours of Lakeway's historical markers
- Wednesday, April 17, will be Golf and Tennis Day
- Thursday, April 18, will be Women's Club Day
- Friday, April 19, will feature our mayors and city council members through the years

There are many mementos in the Heritage Center's collection that will be interesting and intriguing to help tell the story of where we have come from and, possibly, where we are going as a community.

We hope citizens will visit the Heritage Center and examine the highlights of Lakeway for the past 50 years. If you have not yet read the highly praised historical book Lakeway--A Hill Country Community by Professor Emeritus Lew Carlson, that's a great place to start. You may purchase this beautiful book at the Lakeway Activity Center. City Councilwoman and Chair of the Lakeway's Golden Anniversary Committee, Dee Ann Bums-Farrell, said "Heritage Week is for all to reflect on our City's history in this year of celebration".

## 15th Annual Wilderness Run & Walk *Friends of the Parks of Lakeway*

**Saturday, April 27/ Hamilton Greenbelt I in Lakeway / Registration: 8 AM / Event: 9 AM**

Looking for a unique, active way to spend a morning in Lakeway? Join members of the Friends of the Parks of Lakeway and other outdoor enthusiasts for a 3 or 5 mile run or walk on Saturday, April 27 at 9:00AM at the Hamilton Greenbelt across from the Justice Center. This FREE community event will take you through the heart of Lakeway's trail system. The course winds along canyon walls and high cliffs, across fern covered creeks, and through tall native tree forests. Refreshments are available at the start/finish areas and at various locations along the course. Immediately following the event, there will be an award presentation for the top male and female finishers in various youth and adult divisions.

For the last 15 years Friends of the Parks of Lakeway have organized this community event. "As our only fundraiser of the year, we are excited about the 2013 Wilderness Run so we can complete projects such as the Mt. Lakeway trail in the Canyonlands. Both hikers and bikers can climb to the top of Mt. Lakeway trail and enjoy a scenic hill country view while passing through a not often seen sight in the Hill Country- a Texas madrone forest," said Bernie Reding, President of the Friends of the Parks.

Register on Race Day between 8:00 AM- 8:45AM with option of purchasing a commemorative T-Shirt for \$15.00. All donations and proceeds from The Wilderness Run will go towards improving and beautifying Lakeway's parks and greenbelts. We look forward to the fun we'll have running/ walking together with the Lake Travis community. # Lakeway Associates Tour Seton Shoal Creek Hospital

*Lakeway Associates members toured Shoal Creek Hospital in March and saw many improvements the hospital has made with funds raised by the group. Left to right: Amy von Andrian, Maureen Mulrooney, Jill Ukeiley, Ximena Sauerman, Jan Shulman, Margot Odom, Sterlene Bolling, Jackie Elliott, Sherry Bettis, Pat Hahn, Paulina Tavera, Donna Tracy, Sherrie Smith, Jean Hennigan, Sally Barto and group president Kim Nearburg.*

Members of Lakeway Associates of Seton were thrilled to see the results of their fundraising efforts on a recent visit to Seton Shoal Creek Hospital. Hosted by Seton Shoal Creek staff, the group toured the inpatient psychiatric facility and saw for themselves the major improvements the hospital has made, thanks to Lakeway Associates' donations.

"Some Lakeway residents might wonder why a Lakeway group raises funds for a central Austin hospital, but our efforts solely benefit Shoal Creek Hospital. It is the only acute-care inpatient psychiatric facility in Central Texas that treats all ages. Anyone in our area who has a mental health issue that requires inpatient care is likely to be referred to Seton Shoal Creek," says Kim Nearburg, Lakeway Associates President.

Lakeway Associates is Shoal Creek Hospital's largest donor, raising about \$35,000 last year through special events like the annual Seton Tea and Gala, as well as membership dues.

"This year's fundraising efforts are dedicated to the hospital's music- and recreational-therapy programs. Past donations have helped the hospital refurbish the hospital lobby to make it less intimidating, relocate an upstairs admittance area to alleviate patients' fears, and create outdoor recreational space so patients can go outside for some fresh air," Nearburg says.

To join Lakeway Associates of Seton, contact Beth Maher at 512-585-6606. For information about the group, contact Nearburg at 512-261-1680.

# LAKEWAY LAKERS

Registration for the Lakeway Lakers summer swim team is now open and continues until we reach our enrollment cap. We usually fill our spots quickly so be sure to register soon!

Season details:

Practices begin after school starting on April 29 and continue until school ends on June 6. Then we switch to morning practices until June 21. All practices are at the Lakeway Swim Center, in the heated competition pool. We will compete in seven swim meets this summer at the Lakeway Swim Center and other local pools. We encourage all swimmers to participate in meets but there is no minimum requirement.

All swimmers are welcome to join the team; there is no residency or pool membership requirement. The minimum qualifications for swimmers is at least 4 years old and not older than 18 years old, and the ability to swim one lap (25 yards) of elementary freestyle, unassisted. The registration fee is \$195 per swimmer, and this includes everything except the team swimsuit.

Running a swim meet is a community effort and all families on the team are asked to volunteer to work at least three swim meets or to help in other areas related to team operations. If you are new to the sport of swimming, we will help you find the right job. Training provided!

Our team is recreational and a lot of fun, with an emphasis on stroke development and individual improvement.

You can learn more about our team and coaches, and register online at [www.lakewaylakers.org](http://www.lakewaylakers.org). If you have any questions about summer swim team, please contact us at [admin@lakewaylakers.org](mailto:admin@lakewaylakers.org).

See you at the pool!

## A National Cancer Nonprofit in Our Own Backyard!

*Submitted by Jim Higley*

After Lakeway resident, Matt Ferstler, lost his left testicle to cancer at the age of 22, his close friends affectionately referred to him as “Single Jingles.”

“There was absolutely nothing mean about that nickname,” says Ferstler. “It was a great way to talk about what I had been through.”

It also was the motivation for Ferstler to begin a new journey committed to bringing testicular cancer awareness to others and in 2009 Ferstler founded a testicular cancer awareness foundation.

It's name? You guessed it. Single Jingles.

Today, Single Jingles provides awareness and education to men and their families about testicular cancer—the number one cancer among men ages 15 – 35—from their Hill Country Galleria offices. Through extensive outreach programs, Single Jingles has become a leading nationwide advocate and awareness organization with a primary mission of educating young men and their families about the importance of performing a simple monthly self-exam to detect for early signs of testicular cancer.

“I can't tell you how many times we've been put in touch with parents whose young son is facing a testicular cancer diagnosis,” explains Ferstler. “Often there were warning signs, but no one—mom, dad, or son—knew to speak up.”

Single Jingles is committed to making sure young men, moms and dads know about this disease.

“By teaching young men about their body, we not only increase the likelihood of early detection of testicular cancer,” said Ferstler. “We also are teaching them about the importance of taking care of their bodies and being an advocate for their own health.”

Ferstler and his Single Jingles team welcome the opportunity to speak to area schools or organizations. “We've got terrific collateral—including helpful shower cards with reminders and instructions to do monthly self-exams.”

Information on Single Jingles is available on their website at [www.SingleJingles.org](http://www.SingleJingles.org). For more information you can write them at [info@singlejingles.org](mailto:info@singlejingles.org).

**REMINDER: APRIL IS TESTICULAR CANCER AWARENESS MONTH!**

Now's a great time to make sure all the young men in your lives know about testicular cancer and how to perform a monthly self-exam. Everything you need to know and share is available at the Single Jingles website at [www.SingleJingles.org](http://www.SingleJingles.org). And during the month of April, stop by All Star Burger in the Hill Country Galleria who will gladly provide you a brochure and shower card to share with a young man you love!

## 6<sup>TH</sup> ANNUAL SPRINGFEST RETURNS TO BEE CAVE

The Lake Travis Chamber of Commerce will bring SpringFest back to Bee Cave at a new venue, The Backyard at Bee Cave. Presented by St. David's Emergency Center, SpringFest will be bigger and better than ever. The one day community festival filled with shopping, food, music and fun for the whole family is always the last Saturday in April.

SpringFest kicks off at 11AM on Saturday, April 27th. "It is the BIGGEST time in the smallest town with vendor and merchant shopping galore, a KidZone the size of a football field, a boat expo featuring the latest and greatest in watercraft and a BBQ cook-off to determine this year's Lake Travis Rib King. New this year is a Craft BrewHaus with specialty craft beers from the Hill Country and Austin", says SpringFest Chair, Will Mitchell.

"We look forward to another electrifying event in Bee Cave," says Laura Mitchell, IOM, President of the Chamber. "This amazing festival is a fun event for all ages filled with great music, a huge KidZone and unique shopping."

SpringFest anticipates welcoming 10,000-12,000 attendees to this year's event. The phenomenal line up of performing arts and live music includes PAIYH Dance Studios, TexARTS, Carson Brock and The Effect, The Loose Wheels, The Camille Sanders Band, Two Tons of Steel and The Derailers. See the SpringFest site for line-up.

Stroll through 150+ local and regional artisan vendor booths for an experience that is only found in South Lake Travis. Everyone is welcome,

and admission is FREE! Parking will be \$10 per car. Bring the kiddos – they will have hours of fun playing in our KidZone (nominal fee) complete with a Kiddie Ferris Wheel, bounce houses, the Screamin' Demon, a Zipline, face-painting and more.

Visit the Boat Expo with superior watercraft from Sail & Ski Center, The Ski Dock and South Austin Marine along with other boat related vendors.

"The partnership with The Backyard to expand the festival provides us with an opportunity to create a strong, positive economic impact on the local economy not just for the day, but throughout the year," says Will Mitchell

"SpringFest would not be possible without generous partners and dedicated support of our sponsors." "We would like to thank our presenting sponsor St. David's Emergency Center along with other dedicated supporters; Austin American Statesman, Community Impact Newspaper, Covert, The Home Depot, Lake Travis View, MOSAK Advertising and Insights and Watkins Insurance for their contributions to this community festival," says Will Mitchell.

For more information on live music show times, vendor and BBQ cook-off applications for SpringFest, visit [LakeTravisSpringFest.com](http://LakeTravisSpringFest.com). For additional information, please contact the Lake Travis Chamber of Commerce office via email at [SpringFest@LakeTravisChamber.com](mailto:SpringFest@LakeTravisChamber.com) or (512) 263-5833.

## What's a Sprayground?

More and more cities are opening spraygrounds, which are water playgrounds. At a sprayground, kids can shoot each other with water cannons and get sprayed by dozens of water jets that squirt from different colored nozzles and hoses.

Do you have a favorite playground? Maybe it's a new wooden one that has lots of tall towers and passageways. Or maybe your favorite is an old-fashioned playground with swings and a seesaw. Playgrounds are fun places for kids because there's so much to do and other kids to have fun with. But sometimes kids get hurt at playgrounds. That's no fun, so here are 10 ways to keep safe:

**1. Take a grown-up.** As kids get bigger, they like doing things on their own. Going to the playground shouldn't be one of them, though. Grown-ups come in handy because they might spot problems at the playground, they can help you down if you get in a tight spot, and they can help if you happen to get hurt.

**2. Take a good look around.** If the playground has lots of trash, such as broken glass, or the equipment looks broken, don't play there.

**3. Keep your size in mind.** Many playgrounds have some equipment that's for little kids (like 2- to 5-year-olds) and other equipment that's meant for older kids. Use the equipment that's right for your age. If you squeeze yourself onto a swing for toddlers, you might get stuck. Likewise, if your little brother or sister starts climbing something meant for older kids, guide him or her to the little kid stuff.

**4. Don't go too high.** Many playgrounds have tall stuff to play on, such as towers or open passageways between equipment. Don't climb higher than you feel comfortable, and feel free to ask your grown-up if you need help getting down. Never climb up the outside of equipment, or hoist yourself up on the roof. The view might be cool, but it's a long way down.

**5. Look out below.** The best playgrounds put down special surfacing material, such as mulch, wood chips, sand, gravel, or rubber matting. These surfaces can help soften a fall, but that doesn't mean you won't get hurt, especially if you tumble from a high spot.

**6. Swing safely.** Kids often get hurt at the playground because they get hit by someone on a swing. If you're swinging, watch out for people who

might be getting too close. And if you're walking around the playground, don't get too close to the swingers.

**7. Use your head.** Sometimes you'll see kids going headfirst down the slide or maybe two or three kids will get on a piece of equipment that's only meant for one. Or some kids might start goofing around and trying to push each other off a swing or off of a high spot. If your grown-up sees you doing this, he or she will probably say, "Knock it off. Someone's going to get hurt." It's true, so try to use the playground equipment properly. And if you get stuck, or don't know how to get down from something, call your grown-up over so he or she can help you down.

**8. Report problems.** If you see graffiti (when people write or paint on stuff), a broken swing, or find any other problems while you're playing, tell your grown-up. He or she can report the problem so it can be fixed.

**9. Clean up.** If you bring a drink or snack to the playground, clean up your trash before you leave. When you do, the park will look nice when the next kid comes along to play and you will have shown that you're a good playground citizen.

**10. Have a great time!** How can you make a good time at the playground even better? Bring a friend and only complain a little when it's time to leave.
