## Deputy Corner

Most people would be surprised to realize the majority of burglaries are done during the day. Criminals have conformed to your work schedule to allow them the maximum amount of uninterrupted time in your home.

With burglaries on the rise, you can keep your family safe by following some easy and affordable tips to prevent your home from becoming a target.

- Start in the yard – Keep your yard neat and tidy by putting away toys and yard tools. Do not invite the criminal to take your belongings.
- No place to hide – The dark and concealed areas around your home allow for criminals to enter your home unseen. Keep shrubs trimmed low around windows and keep outdoor lights on during the night. If it's dark, light it up!
- Lock up – I know this sounds silly but you would be shocked to know how many burglaries we work where the doors and windows were left unsecured. Also, place locks on the gates to your back yard.
- Close blinds or hang curtains – Do not advertise what belongings are in your home. Remember criminals are opportunistic! If they see what you have and know when you're gone, they will know they have the opportunity to burglarize.

These are a just a few ways to help prevent home burglaries. Walk around your home, both inside and out, during the day and in the night. Think like a criminal and see what you can fix or what you can install to make your home an unattractive target.

## SAFETY CORNER

### TIP OF THE MONTH:

#### *Don't Open Your Door To a Stranger*

The best way to stay safe at home is to keep criminals out of it. Much of the advice about staying safe at home may sound obvious, but don't overlook it – a little bit of common sense can go a long way in preventing crime.

No one intentionally puts out a welcome mat to a criminal, yet unsuspecting victims open their doors to intruders all the time, often without even thinking to ask, "Who's there?" Or, children run to the door and open it before an adult can get to the door. For this reason, a second deadbolt located high on the door is an excellent addition – just remember to use it!

The simplest way to protect yourself at the front door is to observe the person on the other side before opening the door – preferably without being seen yourself. Ideally you would do this through a peephole. If you do not know the person, speak through the door, to find out who they are and what they want. This also lets them know, someone is home without visual of whom or what is on the other side of the door.

Trust your instincts. You do not have to be overly paranoid, but if you are at all suspicious, do not open the door. As long as your door is closed, you have a relative degree of safety. Once you open it, however, anything can happen. Do not rely on a door chain to protect you if you plan on partially opening the door. These chains are notoriously ineffective and easy to break if someone wants to enter your house.

Here's how to handle different types of people at your door.

Emergency calls: Suppose two people came to your door saying they just had a terrible accident and need to use your phone right away. What would you do? Stop first, and think. You are home alone and something does not feel right about the situation. Trust your instincts. Do not let them in. Instead, offer to call the emergency number so they can return to the scene and wait for help to arrive. Some con artists have been known to use the

emergency ruse to get into homes and commit robberies.

Fundraisers and solicitors: If a person comes to your door asking for money for a cause or wanting to sell you a product, and you're not interested in the cause or product, simply say so. If you are interested, either ask them to show identification first, before you open the door, or request that they leave literature for you to read. You could also ask the person to return later; specify a time when you know you will not be alone. Should the solicitor become rude, ask them to leave. If they don't leave, call the police.

Repairs, deliveries and collections: Unless you are expecting them, ask repair people and others who claim to have business with you to hold up their identification cards for you to see through a peephole or door window. If you have the slightest doubt of their authenticity, telephone their business to verify whether the house call is legitimate. Do the same with individuals making deliveries. If you are not expecting a floral arrangement, you can call the florist to clear up any doubts about the person making the delivery. If someone claims to be collecting for your newspaper subscription, and it is not the

usual person, do not open your door. Instead, call the newspaper office and let them know you will be mailing in a check, or wait until your regular delivery person is back on the job. Do not leave repair people alone in your home unless you know them well. And if you have any suspicions about them, do not stay in the house alone with them.

In any of the above situations, if you ask a person to leave your home and they refuse, or if something about the person arouses your suspicions, call the police. And if the person appears to be going door-to-door on your block, you will want to alert your neighbors.

## April 20th Track Club Registration for Middle and High School Athletes

The Northwest Flyers Track Club will host an orientation/registration session for all middle and high school athletes and their parents interested in joining for the 2013 season. The event will be held on Friday, April 12, from 7:00 to 8:30 PM at Cypress Creek High School, 9815 Grant Rd., Houston.

The Northwest Flyers is a youth (ages 6-18) track organization, affiliated with USA Track & Field. The club provides a full program of track events such as sprints, hurdles, middle distance, distance and relays, and field events such as long jump, triple jump, high jump, pole vault, discus, shot put and javelin. It is an excellent off-season program for young athletes who currently compete on their middle school or high school track teams.

The club was founded 26 years ago by Olympic gold medalist Fred Newhouse to foster the development of youth track & field in the northwest Houston area. Last year, the Northwest Flyers sent 106 young athletes to compete at U.S. Junior Olympics National Championships in Baltimore, Maryland and Albuquerque, New Mexico.

## Neighborhood Happenings

Neighbors -

I've received several emails this week from Steeplechase residents wondering about the goings-on in our neighborhood as well as reporting incidents they've heard about. Any information I pass on to you, is first verified with HCSO for authenticity. If an incident is not called in and reported to HCSO, there will be NO record of it and I will not send alerts based on hearsay or unconfirmed incidents. Also, if an incident is not called in, it is very difficult to determine when a trend or rash is an issue. PLEASE always call 713-221-6000 and report!!

I had a lengthy conversation with one of our night deputies last night. It was great to hear how quiet a neighborhood we have. That deputy spends a solid amount of time in our neighborhood and reaffirmed that the majority of issues we have in our area are connected to the apartments. I hear from and talk to our deputies regularly, and you can get some face time with them as well at our monthly meetings.

As a resident of Steeplechase, what I find concerning is when folks tell me about incidents and then also tell me they didn't bother to call it in. Apparently, there have been 'break-ins' and attempted 'break-ins' that weren't called in to HCSO. What would make anyone think that is OK? My guess would be someone that is hiding something and has created a situation for themselves that leaves them as a target for a break-in. Since I have no information, beyond hearsay, that is what I am left to think. I can't imagine for a moment, that an upstanding citizen that has suffered a vehicle or home break-in wouldn't call HCSO to report it.

HCSO does a solid job of maintaining a solid presence and network in our area. While we have four deputies dedicated to Steeplechase/MUD 168, those deputies work in concert with the deputies that patrol our surrounding areas. They do a phenomenal job of backing each other up and working together. For this

reason, often there is a stronger presence in a response to a call. This does not always mean that the situation is dire. Respect their uniforms and the knowledge they share. Know that every day they walk out their door and put their lives on the line for us. Having back-up and a network to work in is important to their lives. We as the general public are not always in a position to know or understand the who, what and why of a situation or response. And yes, it can seem scary when there is a sudden burst of police activity - but, remember they are here to keep US safe and the criminal element unhinged.

I've received many thank-yous this week from alert recipients and several complaints. To those that appreciate the volunteer work I do for the neighborhood, thank you for reading and being a healthy participant in caring about Steeplechase and making a difference. To the complainers -step-out from behind critical glasses and volunteer some of your time to Steeplechase and become part of the solution. I'm one person who has been volunteering as Security Coordinator and writing monthly newsletter articles for nearly 6 years, I have a demanding full-time job and family. I take pride in living in Steeplechase and give part of my precious free time to this community because I

am invested in it. I chose not to be a complainer, but a doer; a person who recognizes the importance of neighborly responsibility. This is a neighborhood of 1644 homes - there should be far more participation in neighborhood events, monthly meetings, registered alert receivers and Facebook followers.

Please know I do appreciate the responses and information you all send me! I do verify with HCSO and also alert HCSO so they can keep an eye on things when you give me the heads-up - this is so helpful and aids in the two-way street information exchange so vital to our neighborhood safety!

Thanks for reading!

## ONLINE SERVICE OPTION FOR CITIZENS REPORTING CRIMES

The Sheriff's Office has implemented an on-line service called "CopLogic" for Harris County citizens to report crimes. THIS IS FOR REPORTING LOST PROPERTY, THEFT OR VANDALISM ONLY AND WHEN THE COMPLAINT NO SUSPECT INFORMATION. This service is provided as an option to the citizen in lieu of waiting for a unit to respond to their location and response can sometimes take several weeks.

Examples of incidents that can be reported via CopLogic:

1. **LOST PROPERTY:** When property is missing or lost, i.e. leaving items in a restaurant or missing from home.
2. **THEFT:** Property is taken without the owner's permission.
3. **VANDALISM:** The act of changing, modifying or defacing public or private property, i.e. graffiti, knocking over a mailbox, throwing a rock through a window, etc.

To access this service, please visit the Sheriff's Office web site: [www.hcso.hctx.net](http://www.hcso.hctx.net)

Click on "Report Crime" link at top of screen

Click on "Report an Incident"

Follow instructions on the screen for filing an offense report

CopLogic is an alternative method for the citizen to report the crime quickly, get a case number and print a copy of the report. It does not replace entering a call for service for a unit to respond if the citizen prefers to see a unit or does not have access to the Internet.

Wondering what to do – join us on one of our carnival rides either the chair swing or tubs of fun. Prefer to stay on the ground? Check out the trackless train ride. Looking to challenge your skills, try a round or two of Laser Tag and see if you can be the champ.

Not everyone is in for the rides, try one of our ten games and see what you can win! Depending on how many tickets you collect will determine how many prizes you can earn.

Still looking for more to do? Join us in the gym and see if you can win a basket or bid on one of the silent auction items.

Now it is time to re-fuel, join us in the cafeteria for pizza, nachos and other great treats! Or take your chances at the cake walk and win a sweet treat.
