## BETWEEN THE LANE LINES:

*Straight From the Whiteshark's Mouth*

For years you have seen newsletter articles here written by my enthusiastic husband and coach of the Wortham Whitesharks, Jon Armstrong. We've decided to shake things up a bit and let you see things from a different perspective.

I've coached alongside my husband for the past 14 summers – he's been here since the team's inception in 1995. What started as a summer job for a college student has turned in to a passion for both of us and a community activity that now our children (ages 9, 7 and 5) can enjoy alongside us. To me, that is what makes it the most special, to see my children involved in an activity that we enjoy so much. It's not easy, believe me. It takes time, dedication and hard work to pull it off every summer. In the end it's worth every minute. We love this community and every single swimmer, parent and family that has ever been a part of the Whitesharks family. But don't just take our word for it, we've been telling you for years how great the Wortham Whitesharks are. Here are some thoughts from others in the Whiteshark family past and present:

Being a Whiteshark has been an amazing experience for our family in so many ways. First of all, we have the BEST coaches in town, and they have a true passion for the sport and our children. My daughter fell in love with the sport right away because of the team, the coaches, the volunteers and the families that make it the best team around. Being a Whiteshark has given my daughter confidence and has taught her what commitment, dedication, and teamwork is while having the time of her life. Before joining the team, we did not feel a sense of community, and we have made so many close friends that we would not otherwise meet. We can't imagine a summer without the Whitesharks.

Whitesharks Forever!

*The Hansons*

It's fun, the team is really good, I like a lot of the kids on the team. Swim practice – I like all the coaches, we do fun things at the end of practice. It's fun to do races during practice. At the meets – Get to hang out with my friends, swim the races. I love the races, the relays are my favorite.

*Riley Foreman, age 11*

The first thing that pops in my head is family. Everyone is encouraging. The coaches pay attention to everyone during practice. I like all the cheers before meets. The team is very

organized. It is easy to make friends. Coaches always lift me up with encouragement.

*Whitney Foreman, age 13*

As parents of swimmers that swam on another team for 6 summers we thought it would be hard to find a team that was as special as our first. But not only was it as special, it was so much more. The Whitesharks are a welcoming family of people from the Wortham neighborhood as well as many other neighborhoods around NW Houston. The first day we walked in, they called us by name. The kids have made many new friends while become great swimmers! They invited us to get involved in volunteering right away and that is the best way to get to know the other families. Everyone chips in to help at every meet.

The coaches are so fair in everything they do. They love every swimmer the same and spend equal time on every swimmer. They are motivating, inspirational and kind."

The swim team experience is a fabulous way to spend part of your summer!

*Tracy and Grant Foreman, Whiteshark parents*

We enjoy summer league because of the people we meet within our community. It is also a great way for us to spend quality time together as a family.

*Kevin & Tina Van Wagenan, Whiteshark parents*

The reason I enjoy summer league is because I love everyone on the team. I've met so many great people. Everyone there is like a giant family, and we all support one another, through everything!!

*Allie Van Wagenen, age 15*

Being a Whiteshark has been a great experience for me. I'm thankful for my good friend. She's the reason I joined 5 years ago. She, the coaches, and the TEAM, are the reason I'll return for another season. I've learned so much, and still remember the 15-18 year olds cheering me on!!

*Chloe Camara, age 15*

We moved into Wortham nearly 10 years ago. We had two small children and knew no one. All the neighbors insisted that we join the swim team to meet new people. My husband and I didn't know a thing about swimming, but we jumped in! We met tons of people and have made lasting friendships. Each Spring

the kids can't wait for Whiteshark season to start.

Mark now serves as an official during swim meets, I serve on the Whiteshark board and one of our children now swims year round and plans to swim through high school and college.

Joining the swim team has provided wonderful exercise for the kids, social time for kids and parents, the opportunity to get to know our children's friends, and enforces a true sense of community.

Kathy and Mark Crosby, Whiteshark parents

We just finished our first year with Wortham in 2012 and couldn't be more excited about the upcoming Summer Season as Whitesharks again. My wife Deborah and I were looking for the best swim team experience for our two kids last year and happened upon the "Meet the Coaches" day at the Wortham clubhouse ; we ended up coming away from that day certain that we had found our swimming home. From the first day of practice our kids Emma and Ryder had a great time benefiting from the welcoming and valuable coaching of Coach Jon and Mindy and their crew. As the season began, both our kids quickly made many friends with the other kids and families on the team. Deborah and I found ourselves wanting to get more involved in the team and in our second year you will both see my wife at

each meet as an NWAL official and me helping out but we also both volunteered to coordinate the team parties for the season. What started as our families search for a swimming program has lead to finding so much more with the Wortham Whitesharks.

*Ian, Deborah, Emma and Ryder McCrory*

The Wortham Whitesharks have been a great asset to our community. Our children enjoyed their time on the team. It was a wonderful learning experience for them and fun for the whole family. Go Whitesharks!

*Huchinson family*

I like Whitesharks because Wortham Whitesharks is fun!

*Leah Armstrong, age 5*

I like the Wortham Whitesharks team because I like to swim and because it's fun.

*Caroline Armstrong, age 7*

We hope you'll join us for another fantastic Whiteshark season, whether it is your first year or you're a veteran. Registration can be found online at [WorthamWhitesharks.com](http://WorthamWhitesharks.com). We look forward to seeing you in the pool.

## FALSE ALARM FEES ARE CHANGING IN HARRIS COUNTY'S UNINCORPORATED AREAS

(HOUSTON TX) The Harris County Sheriff's Office dispatches deputies to investigate residential and commercial alarms about 100,000 times a year. About 99 percent are found to be false alarms, squandering crime-fighting resources in the unincorporated areas, where 1.5 million people live.

Until now, a false alarm fee was assessed every time a property generated more than five false alarms per calendar year. But now the fee, \$75, will be assessed every time a property generates more than three false alarms in a calendar year.

Harris County Commissioners Court approved the change today along with other updates to regulations enforced by the Sheriff's Office on burglary alarms, panic alarms, and other types of alarms. Permit requirements will now apply to fire alarms as well.

The changes are designed to reduce the number of false alarms and to encourage property owners to obtain permits for their alarm systems, Sheriff Adrian Garcia said.

The initial fee for an alarm permit is \$35. Annual renewals are \$10 each. (In many cases, companies that provide alarm monitoring services obtain permits on behalf of their customers). There is no fee for permit holders 65 years of age or older. The fee for reinstatement of a suspended or expired permit is \$50.

All fee payments go into the county government's general operating fund.

Owners of alarm systems that have no permit may be issued a misdemeanor citation that could result in fines up to \$500 in justice of the peace court. In 2011, the most recent year for which statistics are available, the Sheriff's Office issued about 1,300 citations for unregistered alarms.

The permit form can be found at <http://hcsowebtest01/hcsoexternalweb/documents/Alarm%20System%20Permit%20Application%20Jan2010.pdf>

The first block captain meeting of 2013 was held on March 4. Expect the next meeting in the May/June timeframe

The first part of the meeting focused on problems with four wheelers/motorcycles riding in the bayous on the borderline of the Wortham subdivision. Several neighbors from Aspen Bough came to the meeting with pictures and a report on the frequency of motor vehicles in their bayou area. The deputies have been notified, and have increased surveillance of the area. The misuse of the bayou by four wheelers and motorcycles is a problem that crops up periodically in the neighborhood watch meeting. The best defense is to call the Sheriff or use the handy iWatch Harris County app available on your smart phone. More calls translate to more attention from the Sheriff department.

Overall, we have had another quiet month with few if any disturbances.

We need more block captains; some streets have none, and all streets can use more. Please encourage your neighbors to join the watch program. It is a good way to find out what is going on your area, and a good way to meet your neighbors. Duties are minimal, attend a few meetings, help out with National Night Out, and pass on information to your neighbors, either in person or via email.

Hunter the dog that Tom Petty brought to many of the National Night Out events, passed away in early March. <http://abclocal.go.com/ktrk/story?section=news/local&id=9023665>

## Recreational Facilities Corner

*By Rick Anderson*

Well, once again we are rapidly approaching another summer/swim season. Hope everyone has had a great fall, winter and spring do far. Once again the Wortham Board and Recreational Facilities Committee are handing out pool tags as a courtesy to our residents. Pool tags will be handed out on Saturday (4/27/13) and Sunday (4/28/13) from 1 pm to 3 pm and again on Tuesday (4/30) from 6:30 pm to 8:30 pm at the Clubhouse. You must be a resident in good standing (annual maintenance fees have been paid and no outstanding deed restriction violations) in order to receive your tags. You will be receiving a mail out with the forms from Crest Management soon, if you have not received already. If you do not pick up your tags during those times, you will need to contact Crest Management and a fee of \$20 per home for them to be mailed to you.

The Committee will also be organizing and hosting our Annual Pool Opening Party to be held on May 4, 2013 from 12 pm to 3 pm sponsored by the Wortham Villages Homeowners Association and Board. There will be food, door prizes and games for the children, so plan on being there. We have had great turnouts the last few years.

For those of you who use the tennis courts, we request that you maintain/pick up the trash as needed to keep the area clean. If the trash cans inside are full, please help out by emptying them in the larger barrel trash cans outside the court fence or place any additional trash in these barrels. Also, please make sure that you turn off the lights when you leave if you are the last ones using the court, so we can save energy/costs.

We do not have any major renovations/repairs scheduled for this year, but are planning some upgrades/replacements in the future at the pool area and detention areas. We have a Recreational Facilities Committee that meets a few times during the year to plan the events noted above and to look at upcoming needed repairs, renovations or upgrades. We really could use some help and would encourage you to volunteer for this committee. Please contact Rick Anderson at [rick\\_anderson@efiglobal.com](mailto:rick_anderson@efiglobal.com) or call 281-890-4878.
