## Two Families Receive Keys to New Habitat for Humanity Home

*Thrivent Financial and area churches support affordable home construction*

Habitat for Humanity Northwest Harris County (Habitat NWHC) celebrates the construction of two more Habitat NWHC homes at a dedication ceremony on July 20, 2013 at 8:30am at Hamill Crossing, a completely designed and built Habitat NWHC neighborhood. The new homeowners, Katherine Garrett and Martha Turcios will thank all those who worked so hard to help them reach this goal and there will be an open house of the newly completed homes directly following.

Each Habitat for Humanity homeowner puts in what we call 'Sweat Equity' by working on the construction site to build their home alongside local volunteers. Ms. Garrett and Ms. Turcios were no exception and both put in well over the minimum of 350 Sweat Equity hours required by the program. They will both be closing on their homes the week following the dedication ceremony.

Ms. Garrett's home is unique because it was sponsored and built by Thrivent Financial for Lutherans and area Lutheran churches. Sponsorship is the process by which a church, company or organization gives a financial donation that Habitat then uses to purchase the materials to build the house. This generosity helps increase Habitat's ability to build more homes in its ongoing effort to eliminate substandard housing here in Northwest Harris County.

Ms. Turcios is unique because upon closing on her home, she will be the oldest homeowner that Habitat NWHC has ever had. At 74 years of age Ms. Turcios has never owned her own home or even had her own bedroom. Ms. Turcios' home was also sponsored and built by area churches.

Ms. Turcios and Ms. Garrett worked hard and formed a warm relationship with the volunteers that helped build their homes and the end result is two beautiful homes that their families can enjoy for many years to come.

Through donations of money, materials and volunteer labor, Habitat NWHC was able to build the homes and sell them at an affordable price. Ms. Garrett and Ms. Turcios will purchase their homes with a no-profit loan, and their monthly mortgage payments will be used to build more Habitat houses.

"It has been exciting to get to know these two neighbors during the construction of their homes and the completion of the Habitat program. I was talking to Katherine [Garrett] just the other day about how amazing it is that all these people that didn't even know her before came out and worked so hard so that she and her family could have a decent place to live. It truly is an amazing and awe inspiring process." – Karly Grilliot, Habitat NWHC Development Manager
