WOMEN'S CLUB MEMBERS DOUBLE TEAM TO SUPPORT CITY'S

July 4 Celebrations

Members of the Women's Club of Greater Lakeway floated their way on two separate entries in the city's Fourth of July parade. Club members decorated their own float in colorful themes of red, white and blue, complete with umbrellas to shade riders from the Texas heat. And members who take part in the local performance group "Dottie's Follies" helped kick off the parade on the City of Lakeway 50th Anniversary float.

Women's Club of Greater Lakeway is a social enrichment

organization, open to women who live in the City of Lakeway, Lakeway ETJ and Villiage of the Hills. The club hosts engaging speakers each month from September through April. Members also take part in special-interest groups that range from books clubs to gardening, investments, sing-along and a variety of social events. Dues are \$30 annually. For membership information, call Suzie Leggio at 512-608-0840, or see lakewaywomensclub.com.

Cool Dancing At The Lakeway Big Band Bash

The ballroom at the Lakeway Activity Center (105 Cross Creek, telephone. 512-261-1010) is the place to be to enjoy cool music in a cool place. Lakeway's Big Band Bash is a great place to dance and/or listen to some wonderful live big band music. This popular event is on the second Monday of each month, from 8 to 10 p.m. (the next one is on August 12).

This is a free event (donations to the band are encouraged). There is a large dance floor and plenty of tables. You may bring your own refreshments, if desired, as none are provided. There are no reservations—doors open at 7:30 p.m.

Kent Dugan's 17-piece orchestra, The Republic of Texas Band, features well known singers (and Lakeway residents) David Cummings and Lisa Clark. This band consistently appeals to dancers of many generations. Expect to hear a wide variety of favorite tunes, mostly from the Sinatra era, with fresh arrangements.

Get your dancing shoes polished, dress up a bit (not formal), and come out to dance and listen to some really great music. Anyone who has attended will tell you this monthly event shows why living in Lakeway is so much fun.

THE ART OF LINDA BUIKEMA

ON DISPLAY

The Lake Travis Community Library will display the acrylic collage paintings of Linda Buikema during the month of August. This exhibit is the third in the library's new Rotating Artists program.

"I enjoy painting whimsical abstractions of people, pets, landscapes and objects in bright, happy colors. My paintings come in all sizes and in all mediums, and if they make you smile, I'm a happy artist," said Buikema. "I have a BFA in painting from The University of the South, and 50 years of making art. Although I paint every day, I don't take my art too seriously."

Linda and her husband recently moved to Lakeway with their three legged cat. She looks forward to getting to know all the wonderful artists in the Austin area.

Linda Buikema's paintings will be on display in the library meeting room from Wednesday, July 31st through Thursday, August 29th. To see more of her work, please visit her website at lindatoddbuikema.com.

LAKEWAY DONORS SUPPORT CONNECT AFRICA

Submitted by Brenda D. Rickert

Dr. Lynn Auerbach, a Clinical Psychologist and founder of Connect Africa, was a house guest of Rita and Jerry Hietpas in June. She visited Lakeway to share her experiences of living part of the year in Jogo, Uganda, a village outside of the capital, Kampala, and of building a library for the children and families. The purpose of the Connect Africa Foundation is creating education and business opportunities to sustain self sufficient citizens of Africa.

Thanking the generosity of many donors, she said, "I am overwhelmed by your community. I am grateful for Jerry and Rita and their continuing dedication, as well as, their friends, Shelly Ansbach, Barbara Helmueller, and Sylvia Sudermann who hosted parties. The Lakeway Men's Breakfast Club gave me time to talk; I made a presentation at the Heritage Center; the Lake Travis Community head librarian, Morgan McMillan, met with me; the Rotarians gave me excellent information; and the Emmaus Church allowed me to speak at Masses."

Our construction goal is \$25,000. To date, you have donated, \$20,134 toward building a library. As I write this, I shake my head in amazement. In Uganda, our families say "people who do not even know me, care about me"; and now, I say that to each of you, as well. Thank you for caring about people very far away from your life, who need your helping hand in order to walk a new path in their life. The spirit continues to grow every day; and we are so appreciative of our new friends in Lakeway.

For more information, contact: Jerry Hietpas at (512) 589-6746; tax deductible donations, <http://www.connect-africa.org/>

STORK REPORT IN LAKEWAY

Submit your information on the arrival of
your little one to lakeway@peelinc.com

SEEKING OUT WWII VETERANS

The World War II Obelisk located in Lakeway's Heritage Park originally had the names of 485 local veterans who served in the armed services during that war. The Lake Travis Standing Military Committee, put together to work on military and veterans' events and issues, is now seeking out at least three dozen of those veterans who remain in the Lake Travis area to participate in an all-expense paid two-day round-trip flight to visit the war memorials in Washington, DC. The trip is expected to take place in Oct. or Nov. 2013. Of the 485 names, merely 125 are still listed in the official Lakeway telephone book – thus narrowing the local search for candidates to participate in the flight. So far, a one month effort has resulted in barely one-dozen candidates who have submitted formal applications. Many are incapable of making the trips for various reasons. The committee is therefore extending the search to include all areas within the limits of the Lake Travis Independent School District boundaries. If you are a veteran who somehow has been missed in the search, or know of a veteran who might be interested in making the trip, please contact Mike Boston at 512-261-4733 or twobostons1@sbcglobal.net, or Dave Benson at 512-261-9279 or daveon1tee@austin.rr.com for further information. The official Honor Flight Austin not-for-profit organization that sponsors the flight is also seeking Guardians to accompany each veteran on the two-day trip. While spouses are not permitted on the trip, in special cases children or grandchildren of the veteran may be considered. However, the Guardian is required to pay his or her expenses of \$400, which covers the flight, all meals, and lodging.

Why Do I See Workers Opening Fire Hydrants And Letting Water Run Out? I Thought We Needed To Conserve Water?

Keeping water pipes clean is a big job, as Water District 17 has over 240 miles of pipeline. Almost all water pipes have a thin film of rust on the inside. Although this film is harmless, buildup of this material may cause problems such as clogged fixtures, cloudy water, or reduced levels of disinfectant in the water as it passes through the pipes. District 17 has an ongoing program of flushing and cleaning the distribution pipes to ensure that these pipes are kept clean and proper level of disinfectant is maintained. Unfortunately, during this process some water is lost, however, if pipes aren't flushed regularly, rust and microbes would cling to the pipe walls and more disinfectant would need to be used. Flushing is done by opening fire hydrants and letting the water rush out. It must to be done in many areas to make sure every pipe is reached.

Check out the new District 17 website! www.wcid17.org. District 17's website got a makeover! It's brighter, easier to navigate, and packed with information for customers, Realtors, builders and plumbers. The site features the latest water news and public notices as well as many links to local area sites. The site is brand new, so enjoy exploring it and if you notice any glitches, be sure to let us know so we can get them corrected. Be sure to check back often as we'll be updating our news section regularly. Send your comments via email to lsandlin@wcid17.org.

NATIONAL NIGHT OUT

OCTOBER 1, 2013

Submitted by Zainab Banks, Travis County Sheriff's Office

National Night Out is a great opportunity for citizens and law enforcement to partner up against crime. We invite you to attend the event, meet your neighbors and commit to helping law enforcement reduce crime in your community.

NATIONAL NIGHT OUT IS DESIGNED TO:

- Heighten crime and drug prevention awareness
- Generate support and participation in crime efforts
- Strengthen neighborhood spirit and police community relations
- Let criminals know that neighborhoods are organized and fighting back

During the event, residents in neighborhoods throughout Travis County and across the Texas are asked to turn on their porch lights, lock their doors and spend the evening outside with their neighbors, police officers, firefighters and EMS paramedics. Events such as cookouts, block parties and neighborhood walks will all occur simultaneously throughout the state.

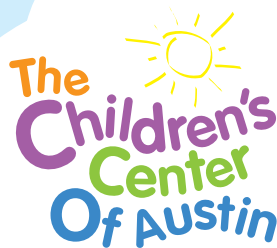

Please visit our website at <https://www.tcsheriff.org/community/events/199-national-night-out-2013> for more information and party registration forms. Or you can scan the QR Code.
