BSA Life Saving Award is awarded to Sammy Armstrong, local scout from BSA Troop 533

Sammy Armstrong is a seventh grade student attending Salyards Middle School. He is the son of Stacey Armstrong and Kelley Armstrong, and he is a member of the BSA Good Shepherd United Methodist Troop 533.

On October 3, 2013, Sammy was awarded the Honor Medal, a National Lifesaving Award, from the Boy Scouts of America (BSA) during an award ceremony at Fairfield Baptist Church in Cypress, TX. The BSA Honor Medal is a special award, only awarded to a scout that demonstrates courage, unusual heroism and skill or resourcefulness in saving or attempting to save a life at considerable risk to self. Only 2,354 Honor Medals have been awarded since 1923, and 52 were awarded nationwide in 2012.

While on vacation with his family, Sammy proved his outstanding and unusual heroism, scouting skills and bravery while attempting and accomplishing the mission of rescuing a young girl from drowning at McKinney Falls State Park in Austin in June of 2012.

After having finished a trip down the creek on their kayaks, Sammy, his younger brother, and father, Stacey headed for a swim at the bottom of the upper falls. In a moment of family fun as Sammy rested on a rock at the edge of the creek as his father and brother

looked on from the ledge above, Sammy saw a 5-year old girl standing near her field trip group at the top of the waterfall. According to Sammy's recollection of events, the young girl was reaching for a water bottle, when she slipped and fell into the water as the current swept her over the falls. The girl's chaperones were in a panic; they could not see her. She had been rolled back by the current and concealed from the 15 foot stone they stood on. "All you could see was the top quarter-inch of her head," Stacey recalled. "Sammy was the only person down at the bottom of the falls. He looked around and got the bearings of the situation, and then he looked at me. I was scared to death but I tried to stay extremely calm for him. I said, 'You got this. You have to get her out of there.' He jumped in and went after her." Sammy was able to pull the girl out and above the 20-foot-deep water surface and pulled her to shore. Sammy was able to keep the girl calm even in a state of panic. Even though Sammy earned his Swimming Merit Badge with the Scouts and has proved to be a good swimmer as part of the Texas Terrapins Swim Team, Sammy's Father, Stacey feared the young girl would pull both Sammy and herself under water due to her panicked state. Sammy states, "I was afraid she might die. My dad couldn't get to her, but he told me

that I could do it. So, I went in, and then when I was afraid that I might not be able to save her, I think God helped me." It is clear that Sammy was driven by his quick instincts ability to stay alert and he says that he had always been told to stay alert in the water and always know the quickest exit route and those principles he had learned from scouting and from his parents definitely played a role.

The family of the young girl is very thankful and grateful for Sammy's heroism. In the 15 months since the incident occurred, the family has been an important part in providing testimony to the BSA to help with the Honor Medal vetting process. Stacey said, "I can't tell you how many times they've said 'thank you.'"
