### TIP OF THE MONTH: THANKSGIVING SAFETY

*By Lynn Cirillo, Steeplechase Security Coordinator*

It's holiday season – time to review your safety checklist and remember some important safety tips! If you're going away for the holiday, make sure to alert HCSO with the enclosed Vacation Watch form!

- Remove fall-related objects that might allow access to your home. For example, ladders for cleaning leaves out of gutters can be used to enter a window or scale a fence.
- Don't post Thanksgiving travel plans on Facebook, Twitter or MySpace letting people know that you will be out of town.
- Turn your telephone ringer down so no one outside can hear repeated rings.
- Make sure to have all mail, newspapers, and deliveries stopped or picked up by a neighbor, friend or relative.
- Never leave a key hidden outside. Burglars know all the best hiding places.
- Secure all windows, including those upstairs and reduce the chance of easy entry by cutting tree limbs away from second-story windows.
- Have a friend move your car occasionally if it is parked in the driveway.
- Use timers to operate lights.

The kitchen is the heart of the home, especially at Thanksgiving. Kids love to be involved in holiday preparations. Safety in the kitchen is important, especially on Thanksgiving Day when there is a lot of activity and people at home. Also, according to the National Fire Protection Association, Thanksgiving is the leading day for home-cooking fires.

- Be sure to keep a fire extinguisher in the kitchen in case of emergency, and teach your family how to use it.
- Be cautious when using turkey fryers as they pose a number of

distinct safety concerns, including burn and fire hazards.

- Never wear loose fitting clothing when cooking. Long, open sleeves could ignite and catch fire from a gas flame or a hot burner. Wear short, close fitting or tightly rolled sleeves when cooking.
- Stay in the kitchen when you are cooking on the stovetop so you can keep an eye on the food.
- Stay in the home when cooking your turkey and check on it frequently.
- Keep children away from the stove. The stove will be hot and kids should stay 3 feet away.
- Make sure kids stay away from hot food and liquids. The steam or splash from vegetables, gravy or coffee could cause serious burns.
- Keep the floor clear so you don't trip over kids, toys, pocketbooks or bags.
- Keep knives out of the reach of children.
- Be sure electric cords from an electric knife, coffee maker, plate warmer or mixer are not dangling off the counter within easy reach of a child.
- Keep matches and utility lighters out of the reach of children — up high in a locked cabinet.
- Never leave children alone in room with a lit candle.
- Make sure your smoke alarms are working. Test them by pushing the test button.

There's lots of tips on our Steeplechase Safety & Security Facebook page – don't be shy, go ahead and start following-us and be a part of our Steeplechase Safe Community!

## FALSE ALARM FEES ARE CHANGING IN HARRIS COUNTYS UNINCORPORATED AREAS

(HOUSTON TX) The Harris County Sheriff's Office dispatches deputies to investigate residential and commercial alarms about 100,000 times a year. About 99 percent are found to be false alarms, squandering crime-fighting resources in the unincorporated areas, where 1.5 million people live.

Until now, a false alarm fee was assessed every time a property generated more than five false alarms per calendar year. But now the fee, \$75, will be assessed every time a property generates more than three false alarms in a calendar year.

Harris County Commissioners Court approved the change today along with other updates to regulations enforced by the Sheriff's Office on burglary alarms, panic alarms, and other types of alarms. Permit requirements will now apply to fire alarms as well.

The changes are designed to reduce the number of false alarms and to encourage property owners to obtain permits

for their alarm systems, Sheriff Adrian Garcia said.

The initial fee for an alarm permit is \$35. Annual renewals are \$10 each. (In many cases, companies that provide alarm monitoring services obtain permits on behalf of their customers). There is no fee for permit holders 65 years of age or older. The fee for reinstatement of a suspended or expired permit is \$50.

All fee payments go into the county government's general operating fund.

Owners of alarm systems that have no permit may be issued a misdemeanor citation that could result in fines up to \$500 in justice of the peace court. In 2011, the most recent year for which statistics are available, the Sheriff's Office issued about 1,300 citations for unregistered alarms.

The permit form can be found at <http://hcsowebtest01/hcsoexternalweb/documents/Alarm%20System%20Permit%20Application%20Jan2010.pdf>
