The American Cancer Society Relay For Life of Cy-Fair Surpasses \$1,000,000 Mark!

The American Cancer Society is pleased to announce that the Relay For Life of Cy-Fair has raised more than \$1,000,000 in the fight against cancer, thanks to the amazing success of this year's event. The 2013 Relay For Life of Cy-Fair brought in more than \$136,000, raising the grand total since the event's inception in 2005 to just over one million dollars!

"Congratulations to the many volunteers, committee members, and teams whose tireless

efforts each and every year since 2005 have resulted such an accomplishment. The valued participation of cancer survivors and caregivers make the American Cancer Society Relay For Life unique and appealing to the entire community, most of whom have been touched by cancer in some way," said Relay For Life of Cy-Fair Chair Sulema Tamez. Participation in the 2013 event

was also at an all-time high.

Relay For Life remains the American Cancer Society's highest-grossing fundraising event in the fight against cancer. Monies raised support the American Cancer Society's mission to help people stay well, get well, find cures and fight back through cancer research, as well as the free programs and services provided directly to cancer patients and their families.

The Relay For Life of Cy-Fair is currently signing up both business and personal teams for the April 25-26, 2014 event. The committee is also seeking volunteers, cancer survivors and caregivers to participate. If you are interested in signing up or learning more about how you can help the American Cancer Society finish the fight against cancer, please visit: www.relayforlife. org/cyfairtx.
