## Explore the World Without Leaving Home!

*Host an international exchange student through Ayusa. Learn the true heart and soul of a culture!*

Ayusa is a non-profit high school foreign exchange student organization. We welcome teenagers from over 60 countries worldwide and provide host family placement and ongoing supervision for 5 and 10 month academic programs. These exceptional young people look forward to a warm bond of friendship with your family and a rewarding cultural exchange. Host families are asked to

- provide meals
- provide a bedroom either shared or private.

Students pay for all other personal expenses while in the U.S.

Ayusa is currently accepting applications for the 2013/2014 program year. Visit our website to fill out your online application – the schools in our area have limited spots available for exchange students, so act now! All across the world, Ayusa students are eagerly awaiting their host family placement. Please call today and begin the adventure of a lifetime!

Visit our website at [www.ayusa.org](http://www.ayusa.org) or call us at (888) 552-9872. You can also contact our local representative Vicki Odom at [vodom@ayusa.org](mailto:vodom@ayusa.org) or call 832-455-7881 for more information as well.

## NEIGHBORHOOD WATCH

We need more block captains; some streets have none, and all streets can use more. Please encourage your neighbors to join the watch program. It is a good way to find out what is going on your area, and a good way to meet your neighbors. Duties are minimal, attend a few meetings (next one is in early 2014), help out with National Night Out and pass on information to your neighbors, either in person or via email.
