Springtime is a welcome sight as we finished up one of the coldest winters many of us have seen in several years. The cold weather didn't slow down the real estate market in Eagle Springs; below is a quick recap. The data supports what consumers are hearing, buyer activity is up, inventory is down which creates a strong seller market.

2014

17 - Closed transactions (between January 1 – February 6, 2014)

39 – New property listings

66 – Active listings (of which 28 are new construction)

18 - Pending properties (9 of the pending were listed as on or after Jan 1 2014)

30 – Average Days On Market

\$290,782 – Median Price

Compared to same time in 2013 (January 1 – February 6, 2013)

10 – Closed transactions

113 – Average Days On Market

\$207,883 – Median Price

Pocket listings are one of the trends we are seeing across the Houston Market and locally here in Eagle Springs. These listings are properties that are not currently listed on the local MLS. In the case of a pocket listing a Realtor has a signed Listing Agreement with the seller, with specific instructions from the seller that **may** include not immediately listing the home in the MLS. Some examples of Pocket Listings are:

- Yard signs around Eagle Springs with Coming Soon riders on them.
- Properties having no signs in the yard and are not listed with the MLS.

When buyers work with Realtors, they have an advantage as Realtors network with each other regarding Pocket Listings. For example, a Realtor will call a Listing Agent and ask if they have anything coming on the market in a price range the Buyer Agents buyer is looking to purchase. If the Listing Agent has a pocket listing that fits the buyers requirements, they will share the information with the Buyer Agent and schedule an appointment so the Buyer Agent can access the pocket listing with the buyer. A transaction is negotiated and the home is under contract. We anticipate continuing to see trends increase with pocket listings in Eagle Springs and across Houston. Be sure to secure a Buyer Agent to assist you so you don't miss out on homes that fit your requirements.

If you are considering selling your home, I appreciate the opportunity to assist you with a free market analysis. We will discuss several strategies and come up with the best one that fits your needs. I can also assist with Relocation and have relationships with 40+ different Relocation Companies. Please call or text me at **832-814-6120** so I can visit with you and register you with our Relocation Department. This will ensure that when your Relocation Company contacts Better Homes and Gardens Real Estate Gary Greene, I will receive the assignment to work with you.

A quick reminder to all area high school seniors that **April 15, 2014, is the deadline to apply for the Rebekah Snipp Scholarship**. There are 3 scholarships available. HOME IMPROVEMENT REQUESTS & ARCHITECTURAL APPROVAL

As a homeowner member in a community association, it is important for all exterior changes, improvements, additions, etc. made to your home or yard [including your fence, roof and/or exterior paint] acquire MRC (Modification Review Committee) approval prior to construction or installation. Obtaining MRC approval first is the safest way to ensure compliance with the community modification guidelines and restrictions.

What is the MRC and what do they do? The MRC (Modification Review Committee) is made up of 5 volunteer homeowner members appointed by the Board of Directors of the Eagle Springs Community Association. They are a private committee that meets once a month to review and ensure that each request complies with the association's modification guidelines and restrictions.

Does Crest Management review my modification request? No, requests are sent to Crest Management's main office located in Katy at 17171 Park Row Drive Suite 310, Houston, TX 77084. Crest receives the applications and then sends them to the MRC for review at their meeting. The MRC then returns the applications with their decisions back to Crest and Crest then mails the decision letter to the homeowner.

When will my PMR (Property Modification Request) be reviewed? The MRC meets once a month. They have created a PMR deadline date for submitting requests to the Crest Management office. If you would like to know when the next deadline date is set for, visit the community website at www.INSIDEEAGLESprings.com and click on the community calendar. Please be sure to submit your request before 5pm on the deadline date to ensure your application is reviewed at the MRC's monthly meeting.

Where can I find the Modification Guidelines and PMR form? For community documents and forms, please visit www.INSIDEEAGLESprings.com or www.Crest-Management.com. The Architectural Modification Guidelines & Residential Design Guidelines are documents that outline the rules and specifications needed for each request, such as: Patio Covers, Gazebos, Storage Sheds, Swimming Pools, etc. It is encouraged that the guidelines are read prior to submittal, so that you are aware of what the MRC will be looking for upon reviewing your submitted modification request.

If you should have any questions regarding the architectural guidelines or the PMR submittal process, please contact Dana Mohler with Crest Management at 281-945-4643 or by email at dana.mohler@crest-management.com.

POOL SEASON IS COMING UP!

As a reminder, to enter the community pools, residents must show a Pool ID card validated for 2014 as well as utilize their electronic access device. Time to dig out those pool cards and know the process.

Electronic Access Devices: If you have a key fob or access card that works for the tennis courts or fitness center, this will also work for the pool facilities. These do not expire so if you have one from a prior year it is valid and you will not need a new one. If you have a metal key fob, please check the access by using it at the fitness center. If it doesn't work, you will need to bring it to exchange for a new access card. Only one member of the family needs an access device.

Pool Cards: If you have a pool card issued by the community, you must have a sticker showing the year "14." If you received a sticker last year, it may say 13 & 14 which is acceptable. If you have a space at the bottom of the card that says 2014 on which a sticker can be placed, you may validate the existing card. If there is not a remaining space at the bottom or the space at the bottom shows a date of 2013 or earlier, you will need a new card. Each person should have their own pool card or they will count as a guest of the resident with the pool card – with limitations.

Within the next 30 days, information about dates will be available.

GETTING A NEW CARD?

- Everyone getting a card must appear in person
- Cost \$2 for each card needed (check and cash only)
- Show proof of residency (drivers license or bill showing ES residence) for every adult
- Must be in good standing with the HOA (annual fees paid)
- Current lease documents should be provided if you do not own the home in ES

VALIDATING AN EXISTING CARD?

- Only one family member needs to be present but must present all cards
- No charge for validation
- Must be in good standing with the HOA (annual fees paid)
- Current lease documents should be shown if you do not own the home in ES

NEED AN ACCESS CARD?

- Only one adult member of the household required
- Cost \$10 each (check and cash only)
- Show proof of residency (drivers license or bill showing ES residence) for every adult
- Must be in good standing with the HOA (annual fees paid)
- Current lease documents should be provided if you do not own the home in ES

LANDSCAPE COMMITTEE

The ES Landscape committee has a newly elected chairperson, Todd Sullivan, and a newly elected secretary, Sondra Daniels. Welcome aboard! The committee continues to have BernaDette Sessions as your treasurer, and Sue Lavey and Lonnie Kimball as committee members. We meet again on March 24th and welcome visitors; our main topic will be the upcoming recycling event this spring. Thank you to Ridgewood for a continued excellent job on our landscaping. Hopefully by the time this prints we will have another board member or two, so stay tuned!

Flying the Coop

A long time Eagle Springs Resident, Steven Richardson is flying the coop on a full swimming scholarship to the University of Kentucky in the fall majoring in either biology or engineering. He has home schooled for the past 12 years so he was unable to swim for high school, but practices with Coach John Dissinger in the mornings at SCHS and is on ESA (Eagle Swimming Association) with Coach Mike Robinson.

He and his sister Sarah (pictured in Steven's drawing) learned to swim at 9 years of age with Coach Dissinger when he was the Eagles Springs Flyers Summer League coach, (currently Coach David Pink is coaching the Flyers and is also the AHS head coach and co-owner of ESA along with Coach Dissinger). Our local summer league has been a wonderful stepping stone into club swimming for both kids and a very worthwhile endeavor, teaching them discipline, how to set goals, how to win and lose gracefully, and be part of a team. But it also has very specific and quantifiable personal marks of achievement. It is a fantastic way to get kids into shape as well as a fun way to spend part of your summer!

Sarah is still swimming with the Flyers and enjoying being a junior assistant coach. Steven has been with Eagle Swimming Association since he was 10. He has now swum in three Junior National Events with finalist qualifying times. Last summer he placed 5th at Irvine California for his 50 free in Long course and is hoping to make Nationals this summer. Before the new standards, he had Olympic trial cuts and two US Open cuts and still holds a World Junior National cut. His goal is the 2016 Olympics in Rio.

Besides being a great swimmer and student with serious goals, Steven recently entered his drawing "The Sun Shines on His Last Days" into the local Rodeo drawing contest for H.E.A.R.T. home school group. It went on to win a Best Of Show for the Houston area private and parochial schools and will now be eligible for a chance at auction at the Houston Livestock Show and Rodeo and can be viewed in the "Hayloft" exhibit during the rodeo. We are proud of both Steven and Sarah and grateful for the opportunities Eagle Springs Community has given to our kids through these past 11 years.

Sincerely, Krissy and Mike Richardson

TENNIS TIPS

By USPTA/PTR Master Professional
Fernando Velasco

How To Execute The Forehand Drop Shot

In previous newsletters, I offered tips on how to hit the forehand groundstroke, the two-handed backhand, the one-handed backhand, the forehand volley, the two handed backhand volley, the serve, the forehand half-volley, the one-handed backhand volley, the overhead “smash”, the forehand service return, the backhand service return, the forehand high volley approach shot, the two handed high volley approach shot, the one-handed high volley approach shot, the forehand lob, the two-handed backhand lob and the one-handed backhand lob.

In this issue, I will offer instructions on how to execute the Forehand Drop Shot. This shot is used when a player is deep on the baseline and returns a short soft ball. The player hitting the drop shot is forcing the opponent to run toward the net. This ball should be hit high enough to clear the net and almost bounce back toward the net. If the player running for the shot can get it on the first bounce, it will likely be off balance and will be forced to make an error or return for an easy put away volley. In the illustrations, Fernando Velasco, Manager and Director of Tennis at the Grey Rock Tennis Club, shows the proper technique to execute this stroke. This shot can also be executed from the base line when the opponent is expecting a deep return of a serve.

Step 1: The Back Swing: When Fernando detects the ball landing short and high, he starts his back swing high and compacted. He is using the continental grip and keeping his eyes focused on the flight of the ball. His left hand is up front to keep the proper body balance.

Step 2: The Point of Contact: Fernando is now ready to perform the drop shot. His eyes are now focused on the point of contact and the face of the racket is angled up to create the underspin on the ball. His goal is to keep his head still. His left hand is still in front and his weight is shifting toward his left foot.

Step 3: The Follow Through: The success of a drop shot is to keep the ball on the strings as long as possible. Fernando is almost “cupping” the ball during the follow through. Fernando’s grip is relaxed and the head of the racket is pointing toward the sky. His left shoulder is almost opening to the net and his eyes are following the path of the ball.

Step 4: The Ready Position: Once Fernando finishes the stroke, his goal is to follow the path of the drop shot. If he created a good drop shot and sees his opponent running with the head of the racket down, Fernando will move closer to the net or anticipate the angle shot. More likely it will be an easy sitter for a put away volley.

Look in the next Newsletter for: How to execute “The Backhand Drop Shot”

Olympic Fever Can Encourage Physical Activity In Children

According to an expert at Baylor College of Medicine, the Olympics are a great opportunity for children to learn about physical activity and goal setting.

According to Dr. Jorge Gomez, associate professor of pediatrics in the division of adolescent and sports medicine at Baylor, Olympic competitions will encourage children to do something fun and active.

"Research has shown that the strongest predictor of children remaining physically active into adulthood is having experiences of being active with their parents," said Gomez.

He offers the following tips for parents when watching the Olympic Games with their children:

- Point out that the athletes are participating because it's fun for them.
- Emphasize athletes are where they are after years of hard work.
- Discuss what it means to be a team player and to have good sportsmanship.
- Focus on the fact that the athletes are fit because they take care of themselves by eating well and exercising.
- While encouraging children to explore new activities, keep safety in mind.

FOLLOW UP ON YOUR HEART HEALTH

Eating healthy and exercising are well known tips to keep your heart healthy, but doctors at Baylor College of Medicine say don't forget about the follow-ups.

"Many times people will see a doctor and receive a diagnosis of high cholesterol or blood pressure, for example, but they won't follow up with another appointment," said Dr. Joseph Coselli, professor of surgery at Baylor. "These secondary doctor visits are needed to monitor progression of risk factors and to help find the most effective treatment options."

Coselli recommends asking your doctor some important questions:

- What is a healthy weight for me?
- What does a balanced diet consist of?
- How do I quit smoking?
- What exercises should I add to my daily routine?
- What health screenings should I have?
- When should I follow up with my next appointment?

"You have to be responsible for your health and make important changes to keep your heart healthy," Coselli said.

SPRING CLEANING

We love Spring! Flowers are in bloom, the grass is turning green, and the trees seem to stand a little taller. As the great outdoors receives its own makeover, we often find ourselves wanting to do the same with our homes and yards.

Whether you're looking to sell your home or just want to make some home improvements, we want to help you get the most out of your hard earned dollar. If you are looking to sell please call the Tracy Montgomery Team before spending any money. You might be surprised at the little money it often takes to get provide a buyer with a great showing.

Following are some tips that will be sure to impress:

Landscaping

"Flower power" - Weed free flowerbeds and colorful flowers wins buyers hearts.

Neatly trimmed lawns, trees, and bushes send a positive message to buyers and neighbors; a well-cared for yard represents a well-cared for home.

Roof - keep it clean of debris and tree limbs. A new roof can set you back thousands. Preserve it the best you can today to save money in the future.

Interior

Walls - a fresh coat of paint can do wonders for a home. If you're looking to sell, conservative/neutral paints are the best option and most often give a home an open and airy feel.

Lighting - with so many low energy options the task of finding bright bulbs that don't give off unnatural lighting is often easier said than done. Most of the large box stores will allow you to take back lights you don't like. Buy a few varieties, find the one you like, and take the rest back. Once you find the right "bright" light you'll find your home to be more cheerful and inviting.

Faucets - dripping faucets will do more than run up your water bill. They can result in expensive hard water damage and rust.

Smell - companies spend thousands of dollars to ensure their establishments give off just the right smell for their customers. Would it surprise you to learn that some coffee shops install odor control systems to make sure you get the "right" coffee smell when you walk in the front door? What smell message does your home give?

For a complete list of the things you can do to speed up the sale of your home give us a call. The Tracy Montgomery Team of experienced listing agents will help ensure you get the most out of your home investment.

Texas A&M University Traditions Council to speak to **NORTHWEST HARRIS COUNTY AGGIE MOM'S CLUB**

Traditions are alive and well at Texas A&M! Please join us for the Northwest Harris County Aggie Mom's Club monthly meeting on Tuesday, March 11, 2014 at 7:00 p.m. at the Houston Distributing Company, 7100 High Life Drive, conveniently located near Willowbrook Mall at the intersection of High Life Drive and Cutten Road. You will enjoy hearing from some of Texas A&M's most enthusiastic students who are members of the Traditions Council. Traditions Council is a committee on the Executive Branch of the Student Government Association at Texas A&M University. Founded in 1975, their mission is to preserve and promote the traditions of Texas A&M through education and awareness. One of the biggest honors Traditions Council has is participating in the tradition of Silver Taps, a tribute to any undergraduate or graduate student who passes away while enrolled in Texas A&M. Traditions Council hosts Senior Bootline during home conference football games, Run for the Ring, a 5K race and drawing to raise money for an endowment to fund Aggie Ring scholarships, and facilitates Bonfire Remembrance Week.

The Traditions Council is just one of many student organizations that the Northwest Harris County Aggie Moms supports. At every April meeting, members of the club have the privilege of casting votes for any student organization at A&M that they would like to see receive funds from our club.

Parents Weekend- April 11-13, 2014

Parents' Weekend is a cherished Aggie tradition honoring Aggie moms and dads since 1919. Among the many weekend activities is the popular Aggie Moms' Boutique, a gift and craft fair held on April 11 and 12 in the Memorial Student Center at Texas A&M. Check out our booth! We will be selling our Tradition beads!

The Northwest Harris County Aggie Mom's Club meets August thru May on the second Tuesday of every month at 7:00 pm at 7100 High Life Drive. Refreshments are available at 6:45! For more information on monthly speakers or upcoming events visit our website at www.nwhcaggie MOMS.org or contact Shannon Eberle, Club President at clubpres2012@gmail.com.

Successful Business Training

Keynote speaker shares tips at the March 27, 2014 CYFEN meeting

Come to the Cy-Fair Express Network (CYFEN) luncheon March 27 and get tips on being successful in your business.

The keynote speaker is Chuck Douglas with Proaction International. Chuck is a graduate of the Georgia State University in Atlanta (don't hold that against him), and has delivered more than 5,000 presentations and training programs throughout the world, including extensive tours with Tony Robbins, Bob Proctor, Les Brown, Mark Victor Hanson and Brian Tracy.

Chuck will share some ideas designed to "Create Immediate & Lasting Results" for your personal and professional effectiveness.

All are welcome to attend the monthly meetings of CYFEN, which are held the fourth Thursdays at the Sterling Country Club, 16500 Houston National Blvd. This month's meeting begins with networking at 11 a.m. followed with a prompt 11:30 a.m. start of the program.

Bring business cards for networking. The meeting cost is \$25 with advanced reservations made by the Thursday prior to the meeting and \$30 at the door.

For information on CYFEN, which is part of the American

Business Women's Association, go to www.CYFEN.org.
