If you would like to support the newsletter by advertising, please contact our sales office at 512-263-9181 or [advertising@PEELinc.com](mailto:advertising@PEELinc.com). The advertising deadline is the 8th of the month prior to the issue.

## SAFETY TIPS

1. Keep all doors locked at all times; and do not answer the door to anyone who is not expected. Instead of answering or opening your door, just shout "We are not interested!" without saying anything else. "We" says that you are not alone, and by making it clear that you are home it makes it less likely that someone will try to break in.

2. Make sure you get to know your neighbors. This is key to maintaining a safe and peaceful community. When neighbors know each other, they watch out for each other. Don't forget about

the neighbors behind you as well; most break-ins occur from back of the house.

3. Make sure you are aware of your surroundings - especially if something doesn't look right. If you are going to be remodeling your home, or you have a landscaper that comes over to take care of things, make sure your neighbors know - and have them let you know if something is happening.

4. Discuss an evacuation plan with your family, one that will work for any emergency scenario. Make sure everyone knows the "safe meeting place".

Students pay for all other personal expenses while in the U.S. Ayusa is currently accepting applications for the 2013/2014 program year. Visit our website to fill out your online application – the schools in our area have limited spots available for exchange students, so act now! All across the world, Ayusa students are eagerly awaiting their host family placement. Please call today and begin the adventure of a lifetime!
