

## A NEWSLETTER FOR TOWNE LAKE RESIDENTS

MARCH 2014

VOLUME 3, ISSUE 3

### **LOCAL ORGANIZERS OF THE DONT MESS WITH TEXAS TRASHOFF SEEK COMMUNITY VOLUNTEERS**

NW Houston/Cy-Fair,  
April 5, 2014 - Tired of  
looking at the growing  
piles of litter in public  
areas in our communities?  
We can do something  
about it! Calling all  
Texans to turn out on  
April 5th and join in

the statewide initiative to remove litter and debris from our parks and roadways. Participants receive trash bags, volunteer giveaways, promotional items, and more to assist in facilitating our cleanup efforts.

Don't mess with Texas is a Texas Department of Transportation initiative that began in 1985 to keep trash off Texas Highways. The Trash-Off, which is a partnership between the DOT and Keep Texas Beautiful, is organized locally by Anna Harrison, Amanda Mims and Judy Bodnar, Realtors on the Bodnar Team at the Better Homes and Gardens/Gary Greene Real Estate office on Barker Cypress Road.

The Bodnar Team encourages participation and says, "We are proud to carry out this community service and carry on with the Don't mess with Texas tradition because the presence of litter in a community takes a toll on quality of life, property values and housing prices."

Since litter begets litter, people are inclined to add to existing piles. Turn out to help bag it up and see what a difference a day can make!

For more information or to volunteer please email Amanda [atvolunteer2014tx@outlook.com](mailto:atvolunteer2014tx@outlook.com)

## MARCH GARDENERS

This is the year to grow your own fruits and vegetables! Many positive things come from growing a garden. Working in a garden can help to relieve stress and increase your overall activity level. Sunlight can improve sleep, deter depression and promote a stronger immune system. Growing your own garden allows you to control what fertilizers, pesticides and fungicides are used during the raising of your crops. But most importantly, vegetables and fruits grown in a home garden tend to be more flavorful and nutritious!

When selecting a site for your gardens keep these requirements in mind. All vegetables need at least 6 hours of direct sunlight each day—eight to 10 hours each day is ideal. The soil should be fertile and easy to work. You can improve the texture by adding organic compost material. Container gardening is perfect if you have space or soil limitations. Gardens will need at least one inch of water per week including rainfall.

## Touchdown Club of Houston

From among all 3/A public schools and all private schools in the greater Houston area, the Touchdown Club of Houston awarded Rosehill Christian School the 2014 - 3A/Private School Sportsmanship Trophy.

This prestigious award was selected by the Texas Association of Sports Officials (TASO), Houston football chapter, who are the refs covering the high school games in the greater Houston area. The award was based on six criteria: 1) Actions of the team, 2) Action of the coaches, 3) Actions of the support groups at games, such as parents,

band and cheer squad, 4) Respect for the American flag, 5) a score based on the number of personal fouls incurred during the game, 6) a score based on the number of unsportsmanlike conduct fouls.

Coach Ryan Anthony summed up the award by thanking those on the team and all others associated with Rosehill Christian School. "I am particularly thrilled to be the coach of such fine young men who represent the Lord on and off the field. This award epitomizes the Rosehill journey and how it affects every aspect of the school."
