BETWEEN THE LANE LINES: HAPPY 20TH WHITESHARKS!

By Jonathan Armstrong

Time flies when you're having fun. This is no more true than with the Whitesharks, whose main goal has been to have fun since Day 1, 1995. It is hard to believe that the Whitesharks will embark on our 20th season this year! In 1995 a dedicated group of Wortham families lobbied, recruited, and worked hard to create a Swim Team for our kids to get involved with and families to get together. I don't think anyone ever anticipated what an institution the Whitesharks would become. I have written several times in this newsletter about families who have made lifelong friends, swimmers who have made lifelong memories, and even lives that have literally been changed by the Whitesharks. The Whitesharks has been a blessing to so many people, so this year we are celebrating!

On May 10 we will have a day to remember. This will be our regularly scheduled Practice Meet day, but we will add alumni heats to the mix – we will see if our old Whitesharks still have their skills! I look forward to saying cheers that morning with hundreds of Whitesharks.

In the evening we hope to have as many Whitesharks and their families (parents and kids!) return to celebrate with current Whitesharks for a 20th Anniversary homecoming. Anyone who has ever been involved with the Whitesharks is welcome! I really look forward to connecting with old friends and meeting new family members (maybe even a second generation Whiteshark?).

That brings me to my own recruiting effort. The Whitesharks would love to have every school age child and young adult in Wortham join the tradition with us. In 1995 our founding families drove around the neighborhood shouting out their windows, "Join the Whitesharks!" We may have evolved in technology since then, but if that would work I'll do it! We have a great time every summer, and plan to again for the twentieth time.

Registration for the Whitesharks begins online March 10 at worthamwhitesharks.com. Meet the Coaches will be at the clubhouse April 5, and the season starts April 21. And of course our 20th Anniversary celebration will be on May 10. If you have any questions, please visit our website, or feel free to email me at coachjon@worthamwhitesharks.com. We hope you join us for all of the fun!

We are an educational non profit and I am reaching out to the community looking for volunteers! We are asking volunteers to host a foreign student for this coming fall school year. We have about 200 students waiting to find out where they will spend their year in America! The students are 15-18 from over 60 countries. Your family can learn about a new culture and change a life. The students come with medical insurance, speak english and bring their own spending money for activities and personal items. You are responsible for providing a bed and meals in your home. They attend the local high school during the school year and ride the bus to and from school. They arrive in late August and leave in June. Let me know if you or someone you know would be interested in hosting the 2014-2015 school year? Also if you know anyone that would be interested in hosting we give \$100 referral for anyone that hosts a student that you refer to me!

HOME IMPROVEMENT REMINDER

Remember, ALL exterior changes and improvements made to your home or yard [including your fence and roof] require ARC approval first. Please do not base your home improvement decision on the fact that someone else in the neighborhood has the same improvement. The safest way to ensure compliance is to obtain ARC approval prior to all exterior modifications. Please contact Crest Management to obtain an ARC application or a copy of the community guidelines.

Welcome to a Seller's Market!

2013 was the best year for real estate since 2007. Rising employment caused buyer demand to soar. Excess inventory was absorbed in the market and we experienced double-digit declines in inventory. Most areas in Houston are now considered to be a Sellers' Market.

If you have considered moving, please contact me for an update on current market values. *2014 may be your year to make a move.*
