*News For The Residents of
Blackhorse Ranch*

Where can you find live entertainment, 4,000 people, 1,000 pounds of brisket and sausage, 1,600 slices of cheese, 2,000 hot dogs and hamburgers, a petting zoo, games and activities for the kids, auctions, and the largest yard sale west of the Mississippi? Where else but Boys and Girls Country's annual Spring Festival! People from Houston and the surrounding areas will make the annual pilgrimage Sat., May 3 from 10 a.m. to 4 p.m. to the Boys and Girls Country main campus in Hockley, TX for fun, food and festivities in support of children.

"All of the dollars raised at Spring Festival enable us to provide a great Home for our 88 children along with supporting 14 young adults in our College and Career program," says John Nesser, Spring Festival co-chair. "This year is going to be our largest and most exciting Spring Festival ever with many new additions for the whole family to enjoy," says Cynthia Nesser, Spring Festival co-chair.

Boys and Girls Country provides a stable Christian home environment for children from families in crisis representing 11 counties in the greater Houston area, raising them to become self-sustaining and contributing adults. Our vision is that every child has a place to grow up and a sense of being home.

Wine Fair Cy-Fair is a collaboration between the Cy-Fair Houston Chamber of Commerce and Food & Vine Time Productions, the organization that produces the world-class Wine & Food Week in The Woodlands, Brewmasters Craft Beer Festival, Zest in the West, Katy Sip n Stroll, the wildly popular Haute Wheels Houston THE Food Truck Festival and the newly announced Big Brew Houston Craft Beer Celebration in the George R. Brown Convention Center.

“This is a unique, once-a-year opportunity for the community to come together to socialize and have a great time while enjoying high-quality wines, craft beers and foods,” said Founder & Co-Producer Constance McDerby. “And we get to benefit a worthy cause by helping to support a local community partner through Reach Unlimited.”

Leslie Martone, President of the Cy-Fair Houston Chamber of Commerce, said, “The first two years of this great event were huge successes – better than we could have hoped for. And really, we expect this year to be even more fun and successful. As a Chamber, our focus is on the community, and we’re proud to present this type of community-wide event.”

TENNIS TIPS

By USPTA/PTR Master Professional
Fernando Velasco

How To Execute The Backhand Drop Shot

In previous newsletters, I offered tips on how to hit the forehand groundstroke, the two-handed backhand, the one-handed backhand, the forehand volley, the two handed backhand volley, the serve, the forehand half-volley, the one-handed backhand volley, the overhead “smash”, the forehand service return, the backhand service return, the forehand high volley approach shot, the two handed high volley approach shot, the one-handed high volley approach shot, the forehand lob, the two-handed backhand lob, the one-handed backhand lob and the forehand drop shot.

In this issue, I will offer instructions on how to execute the Backhand Drop Shot. This shot is used when a player is deep on the baseline and returns a short soft ball. The player hitting the drop shot is forcing the opponent to run toward the net. This ball should be hit high enough to clear the net and almost bounce back toward the net. If the player running for the shot can get it on the first bounce, he/she will most likely be off balance and will be forced to commit an error or return for an easy put away volley. In the illustrations, Fernando Velasco, Manager and Director of Tennis at the Grey Rock Tennis Club,

shows the proper technique to execute this stroke. This shot can also be executed from the base line when the opponent is expecting a deep return of a serve.

Step 1: The Back Swing: When Fernando realizes that the ball will landing short and high, he starts his back swing high and compacted. He is using the continental grip and keeping his eyes focused on the flight of the ball. His left hand is holding the throat of the racket.

Step 2: The Point of Contact: Fernando is now ready to perform the drop shot. His eyes are now focused on the point of contact and the face of the racket is angled up to create the underspin on the ball. His goal is to keep his head still. His left hand pulling back to keep the center of gravity in the center and his weight is shifting toward his right foot.

Step 3: The Follow Through: The success of a drop shot is to keep the ball on the strings as long as possible. Fernando is almost “cupping” the ball during the follow through. Fernando’s grip is relaxed and the head of the racket is pointing toward the sky. His left shoulder is almost opening backwards and his eyes are following the path of the ball.

THE NEW MISS CY-FAIR HOUSTON 2014 IS CROWNED

AND READY TO REPRESENT CY-FAIR AT MISS TEXAS IN JULY!

On Saturday, February 15, 2014, the Miss Cy-Fair Houston Organization held the 5th annual Miss Cy-Fair Houston Pageant. For the 2nd year in a row, the Miss division (ages 18-24) is an official prelim for the Miss America and Miss Texas Organization, and the 2014 Miss Cy-Fair Houston will represent the Cy-Fair community at Miss Texas.

On Saturday night, Callie Thompson captured the crown of Miss Cy-Fair Houston 2014 and earned a \$1000 scholarship from LoneStar College Cy-Fair. She wowed the judges in personal interview, swimsuit & fitness, evening gown, on-stage question, and talent competition. She won each category and performed a lyrical dance to "Via Delarosa" for her talent.

Callie is a Cy-Fair native and graduated from Cy-Springs High School. She earned her bachelor's degree from Texas A&M University's Mays Business School and plans to earn a Master of Science in Human Services with a concentration in Organizational Management and Leadership.

Callie's personal platform is "Living without Limitations: Moving Beyond Your Own Challenge". She was diagnosed with asthma at 2 years of age and has struggled both physically and emotionally to overcome and live with her illness. Through her love of dance and her determination, she has not allowed her life-threatening illness to define or limit her possibilities and opportunities. Through her platform, Callie hopes to encourage children in Cy-Fair and throughout Texas to live without limitations and move beyond their own personal challenges in order to pursue their own dreams and passions.

In addition to serving the Cy-Fair community, Callie will compete on the Miss Texas Stage in July. If she becomes Miss Texas, she will represent our community and state at the historic and iconic Miss America Pageant, which will air live on ABC on September 14, 2014. "I couldn't be more thrilled to win the title of Miss Cy-Fair Houston. It is an honor to compete at Miss Texas, and an even bigger honor to do it representing your hometown community. I am looking forward to serving the Cy-Fair community this year and making Cy-Fair proud at Miss Texas," says Callie.

For more information on Miss Cy-Fair Houston 2014, Callie Thompson, or to request an appearance or autographed picture, please visit www.misscyfairhouston.com/meetmisscyfairhouston

Many local Cy-Fair businesses have supported the Miss Cy-Fair Houston Pageant and Callie as she begins her journey to Miss

Texas. Some of these local businesses and organizations include Longoria Dentistry, Lonestar College Cy-Fair, Sweet & Sassy, The Colour Bar: A Cynthia Diersen Salon, The Cypress Academy of Performing Arts, Kids R Kids, Buttercup Tans, Your Community Magazine, Mitchell Alexander Photography, MK Floral Designs, McCall Gibson Swedlund Barfoot PLLC, Queen B's Dowry, Muzzie's Couture, Consolidated Mills, and Chelsea B Cosmetics.

The Miss Cy-Fair Houston Pageant is a not-for-profit organization aimed at raising scholarship for young women. Its mission is to encourage scholarship, service, style, and success, and to empower young women and girls to become positive leaders, mentors, and role models in our community. For more information on the Miss Cy-Fair Houston Organization, please visit www.misscyfairhouston.com

ADDITIONAL INFORMATION ON MISSTEXAS

An official preliminary to the Miss America Scholarship Pageant, the Miss Texas Pageant, Inc. has a rich history of empowering young women to achieve their dreams and goals. Larger than the young women who have held the title of Miss Texas is the volunteer team and "pageant family" who have dedicated their lives to ensure these young women have every opportunity available to them through this transformational pageant system.

ADDITIONAL INFORMATION ON MISS AMERICA

The Miss America Organization is one of the nation's leading achievement programs and the world's largest provider of scholarship assistance for young women. Last year, the Miss America Organization and its state and local organizations made available more than \$45 million in cash and scholarship assistance. This assistance is not just for the handful of young women who become Miss America, but is available to the over 12,000 young women who compete in the state and local competitions as well.

DID YOU KNOW?

Kaye Lani Rae Rafko, a young woman from the small town of Monroe, Michigan, entered a Miss America local competition to earn scholarship money to pay her nursing school bills. To her surprise, she captured not only a local and state title, but was ultimately named Miss America 1988. Kaye Lani used the scholarship money she earned as Miss America to pursue an advanced degree and fulfill her dream of opening a hospice for the terminally ill in her hometown.

Section for Kids with news, puzzles, games and more!

When it's hot outside and you've been sweating, you get thirsty. Why? Thirst can be a sign of dehydration (say: dee-hye-DRAY-shun). Dehydration means that your body doesn't have enough water in it to keep it working right. A person gets water by drinking and eating. You lose water when you sweat, urinate (pee), have diarrhea, or throw up. You even lose a little water when you breathe. Our bodies need water to work properly. Usually, you can make up for the water you lose — like when you come in from outside and have a long, cool drink of water. If you don't replace the water your body has lost, you might start feeling sick. And if you go too long without the water you need, you can become very ill and might need to go to the hospital.

WHY AM I DEHYDRATED?

Many times kids get dehydrated when they're playing hard and having fun. Have you ever gotten really sweaty and red-faced when you've been playing? This often happens when it's hot outside, but it can happen indoors, too, like if you're practicing basketball in a gym. Kids also can get dehydrated when they're sick. If you have a stomach virus, you might throw up or have diarrhea (say: dye-uh-REE-uh) or both. On top of that, you probably don't feel very much like eating or drinking. If you have a sore throat, you might find it hard to swallow food or drink. And if you have a fever, you can lose fluids because water evaporates from your skin in an attempt to cool your body down. That's why your mom or dad tells you to drink a lot of fluids when you're sick.

SIGNS OF DEHYDRATION

In addition to being thirsty, here are some signs that a person might be dehydrated:

- feeling lightheaded, dizzy, or tired
- rapid heartbeat
- dry lips and mouth

Another sign of dehydration is not peeing as much. Normally, urine should be a pale yellow color. Dark or strong-smelling pee can be a sign of dehydration.

WHAT TO DO

If you can, try not to get dehydrated in the first place. If you're going to be going outside, it's a good idea to drink water before,

during, and after you play, especially if it's hot. Dehydration can happen along with heat-related illnesses, such as heat exhaustion and heat stroke. In addition to drinking water, it's smart to dress in cool clothes and take breaks indoors or at least in the shade.

If you're sick, keep taking small sips of drinks like water or diluted juice, even if you're not that thirsty or hungry. Eating an icepop is a great way to get fluids. How is an icepop a liquid? Well, it's basically frozen water and flavoring. The warmth in your mouth and stomach turns it from a solid to a liquid. Other foods, such as fruits and vegetables, contain water, too, but if your stomach is not feeling well you might not be ready for them.

DO I NEED A DOCTOR?

Some cases of dehydration can be handled at home. But sometimes, that isn't enough to get a kid feeling better. A kid may need to go to the doctor or emergency room if he or she has a heat-related illness or a virus with vomiting or diarrhea that just won't quit. At the hospital, the good news is that an intravenous (say: in-truh-VEE-nus) (IV) line can get fluids into your body fast. An IV line is a special tube (like a very thin straw) that goes right into your vein, so the liquid goes right to where your body needs it most. It may pinch a little when the nurse is inserting it, but it will help you feel much better.

THIRST-QUENCHING TIPS

So do you have to drink eight glasses of water a day? No, but you do need to drink enough to satisfy your thirst, and maybe a little extra if you're sick or if you're going to be exercising.

The best drink is water, of course, but milk is another great drink for kids. Juice is OK, but choose it less often than water and milk. Sports drinks are fine once in a while, but water should be considered the drink of champions. Limit soda and other sugary drinks, such as fruit punches, lemonades, and iced teas. These drinks contain a lot of sugar that your body doesn't need. Some of them also contain caffeine, which can cause you to urinate (pee) more often than normal. In other words, it tells your body to get rid of fluids. And as you now know, that's the opposite of what you need to do if you're dehydrated!
