BLOOD PRESSURE

TAKE CONTROL OF THE SILENT KILLER

High blood pressure, or hypertension, is sometimes called the silent killer because there are often no symptoms. That's why keeping track of blood pressure is one of the most important things a person can do to stay healthy, said doctors at Baylor College of Medicine.

Left untreated, hypertension, can cause organ damage over time, leading to heart attack, blindness, kidney failure or stroke, said Dr. Biykem Bozkurt, professor of medicine at BCM.

Some factors that are associated with hypertension are diabetes, family history of hypertension, being overweight, taking in too much sodium, drinking excessive alcohol and smoking. Generally a healthy

reading is 120/80, and hypertension diagnosis is made at 140/90. People considered prehypertensive generally have readings that fall between 120/80 and 140/90. Doctors always check blood pressure as part of appointments and there are also many locations where blood pressure machines are available for anyone to have their pressure checked. Bozkurt advises talking to a doctor to determine if your reading is at a healthy level rather than taking the machine's reading at face value.

"For a relatively healthy person not suffering from any other illnesses, only a few lifestyle changes like diet modifications and exercise may be needed," said Bozkurt.

I, 2, 3, Come Volunteer With Me!

Interns And Volunteers Welcome

VOLUNTEERS AND INTERNS NEEDED.

Altus Hospice is looking for awesome, loving, and caring volunteers to help with several programs.

PATIENT CARE VOLUNTEERS

Have you ever felt like your calling or passion in life is to work with terminally ill patients? If so we have a volunteer opportunity working with patients and their families . approaching the end of life.

With just a couple of hours a week, you can really make a difference in the life of our terminally ill patients and their loved ones. Many enjoy to sit outside in the fresh air or in their room and share stories about their life: Others are more hands on and enjoy reading, puzzles, watch football/basketball games or play other games, like Bingo and Dominos.

ADMINISTRATIVE VOLUNTEER

The administrative volunteer serves as an integral member of the

Hospice interdisciplinary team in our office in The Woodlands area. Office support volunteers perform duties such as, filing, copying, answering the telephone, mail-outs, and inventory control of medical supplies.

Volunteers are crucial for these programs to succeed! Volunteers must be reliable, motivated, and flexible. Training will be provided. (Qualifies for In Service Credits) Background check will be required. There is no charge for this.

Get involved and be a blessing to someone by taking advantage of this wonderful opportunity. Please leave your name and telephone number.

FOR MORE INFORMATION PLEASE CALL:

Altus Hospice Leanne Crowe, Volunteer Coordinator 713-382-7934, or email me at lcrowe@altushospicecare.com.
