ANIMAL / PET CONTROL

Please respect your neighbors' yards and their personal space... remember that pets must be confined to a fenced backyard or within the house and must not be allowed to bark all night long or cause a nuisance to neighbors. They must be on a leash at all times when away from this contained environment. It is also the pet owner's responsibility, when walking their pet within the subdivision, to keep ALL areas free of pet debris. Please remember that cats must also be confined.

A flat \$ 80 fee will be charged to the homeowner, regardless of whether the entire lawn will need maintenance, or if only edging (sidewalks, driveways, etc.) is required. The HOA has discretion as to which services are needed at the time of service.

REMEMBER: PLEASE CALL BEFORE YOU DIG

Texas One Call System: dial "811"

Prior to performing work on your property, call the "Texas One Call System at 811". They will mark the location of the utility lines easement within your property. Remember, damages to any utility lines within your property can affect services to YOU and YOUR neighbor's homes. Thanks for taking time to call before you dig!

Stop Litter

Littering Hurts us All

Neighborhood appearance is a major concern when choosing a new home. Trash bins left on the street, vehicles in disrepair, yards left unattended all contribute the image we project as Sterling Lakes residents.

Take a look around your property and see if there's anything you could do to improve things. If you have a neighbor who is struggling to keep up with the physical demands of home ownership, see if you can help without sounding critical. One gesture will surely lead to another, and we will all benefit.

This is what neighborhoods are all about.
