WINE FAIR CY-FAIR

Based off two successful sell out years, Wine Fair Cy-Fair weekend returns April 4-5. Co-presented by H-E-B and Momentum Jersey Village Volkswagen, Wine Fair Cy-Fair features 150 wine selections, 20+ restaurant and food tasting tables serving signature specials, a Home Zone, a Relaxation Zone and the Aruba Live Music stage. Wine Fair is a community-wide party benefitting Reach Unlimited. The third-annual Wine Fair Cy-Fair features the expanded Backyard Grill Beer Garden to showcase craft beer offerings and signature nibbles from Backyard Grill and Backyard Smokehouse. All the local favorites will be there: Brazos Valley, Karbach, Rahr & Sons, St. Arnold and others; along with beers from brewers outside of Texas.

"Even though it's in the middle of a wine fest, it's amazing how many people come to the beer garden," said Mark McShaffry, owner of Backyard Grill. "And this year we're making it bigger and better."

"Based on the response from the first and second Wine Fair Cy-Fair events, we knew the community would be responsive to this type of event. And it just continues to grow," said McShaffry, a member of the Cy-Fair Chamber of Commerce's Board of Directors. "This has been a great event for the chamber and for the community. Everyone loves it and has a great time."

Weekend festivities kick off with One Fine Affair on Friday, April 4, at the Settlement House at Northwest Forest Conference Center with fundraising for Reach Unlimited featuring a wine pull, gift baskets, restaurant certificates and great swag donated by local businesses. Restaurant sampling at One Fine Affair are compliments of Mezzanotte Ristorante Enoteca, Piqueo Restaurant and Bar, Merche', gourmet selections from H-E-B, offerings from Northwest Forest Catering and Events and sweet treats from La Madeleine Country French Café. One Fine Affair is limited to only 150 guests.

All that Sparkles, sponsored by Next Level Urgent Care will start Saturday

Brown Convention Center.

"This is a unique, once-a-year opportunity for the community to come together to socialize and have a great time while enjoying high-quality wines, craft beers and foods," said Founder & Co-Producer Constance McDerby. "And we get to benefit a worthy cause by helping to support a local community partner through Reach Unlimited."

Leslie Martone, President of the Cy-Fair Houston Chamber of Commerce, said, "The first two years of this great event were huge successes – better than we could have hoped for. And really, we expect this year to be even more fun and successful. As a Chamber, our focus is on the community, and we're proud to present this type of community-wide event."

BLOOD PRESSURE

TAKE CONTROL OF THE SILENT KILLER

High blood pressure, or hypertension, is sometimes called the silent killer because there are often no symptoms. That's why keeping track of blood pressure is one of the most important things a person can do to stay healthy, said doctors at Baylor College of Medicine.

Left untreated, hypertension, can cause organ damage over time, leading to heart attack, blindness, kidney failure or stroke, said Dr. Biykem Bozkurt, professor of medicine at BCM.

Some factors that are associated with hypertension are diabetes, family history of hypertension, being overweight, taking in too much sodium, drinking excessive alcohol and smoking. Generally a healthy

reading is 120/80, and hypertension diagnosis is made at 140/90. People considered prehypertensive generally have readings that fall between 120/80 and 140/90. Doctors always check blood pressure as part of appointments and there are also many locations where blood pressure machines are available for anyone to have their pressure checked. Bozkurt advises talking to a doctor to determine if your reading is at a healthy level rather than taking the machine's reading at face value.

"For a relatively healthy person not suffering from any other illnesses, only a few lifestyle changes like diet modifications and exercise may be needed," said Bozkurt.
