GROUP GATHERINGS

Belterra Women & Wine Group

The Belterra Women & Wine Group is a newer group that was started in February and has continued to grow into a popular group amongst Belterra women with 60 members to date. The group is an opportunity for the women of Belterra to get to know each other, take a few hours off, relax, and have fun. The atmosphere is casual, you can get dressed up or come in sweats, anything goes! The group is scheduled to meet on the 1st Wednesday and 3rd Friday of each month with a volunteer host each time. Attendees are asked to bring a bottle of wine to share with the group. If you are interested in learning more or joining the group, search for Belterra Women & Wine on Facebook and put in your request to join. Come and have fun!

Your air conditioner accounts for more than half of your summer electricity usage. Our special AC Check-Up offer can help you gain energy efficiency and cost savings.

The expert check-up performed by *Climate Mechanical* gives you the opportunity to make adjustments early to ensure you have cool air when you need it most.

Eligible customers pay only \$29 for an AC Check-up on the first unit, and \$19 for additional units. After each AC Check-Up is performed, you will receive a detailed report that includes:

- A list of needed repairs and appropriate next steps that will help ensure your AC runs properly and efficiently during the heat of the summer.
- A review of available rebate and low-interest loan opportunities to make air conditioning replacements and other energy efficiency measures more affordable.

AC Check-Up customers are responsible for covering the additional cost of all needed repairs and replacements.
